It liaises between the Chairman and the full Board of Directors in order to act as a consultant body to the Chairman and to expedite whenever necessary the handling of the Company’s business. The Committee regularly reviews the Corporate Governance of the Company and prepares recommendations for the Board. It also advises on certain finance-related matters including the Company’s financing and financial management and periodically reviews its asset and liability management.

While the Committee has limited authority as per the Board Regulations, it may in exceptional and urgent matters deal with business matters which might arise between Board meetings. In all cases it keeps the Board fully appraised. It reviews the Board’s annual work plan.

The Compensation Committee consists of a Vice Chairman and a minimum of two other non-executive members of the Board. All members are independent (art. 19bis par. 1 of the Articles of Association). It prepares the proposals of the Board to be submitted for approval by the General Meeting in relation to the compensation of the Board and the Executive Board. In addition, it proposes the remuneration of the Chairman, the CEO and approves the individual remuneration of the members of the Executive Board. It reports on its decisions to the Board and keeps the Board updated on the overall remuneration policy of the Nestlé Group.

The nomination process for the Board of Directors is highly structured and seeks to ensure a balance of necessary competencies and an appropriate diversity of its members. The candidates to the Board must possess the necessary profile, qualifications and experience to discharge their duties. Newly appointed Board members receive an appropriate introduction into the business and affairs of the Company and the Group. If required, the Nomination Committee arranges for further training.

It reviews, at least annually, the independence of the members of the Board as well as their outside mandates, and it prepares the annual self-evaluation of the Board and its Committees. It oversees the long-term succession planning of the Board.

The **Audit Committee** consists of a Chairperson, who is an independent and non-executive member of the Board, and a minimum of two other non-executive members of the Board, excluding the CEO and any former member of the Executive Board. All members shall be independent. At least one member has to have recent and relevant financial expertise, the others must be familiar with the issues of accounting and audit. In discharging its responsibilities, it has unrestricted access to the Company’s management, books and records. The Audit Committee supports the Board of Directors in its supervision of financial controls through a direct link to KPMG (external auditors) and the Nestlé Group Audit (corporate internal auditors).

The Audit Committee’s main duties include the following:
- to discuss Nestlé’s internal accounting procedures;
