### Nestlé Nutrition

1 September 2011

---

**Overview** Nestlé Nutrition is a global business within the Nestlé group, managing and developing the core nutrition business. Its product portfolio covers Infant Nutrition, Performance Nutrition and Weight Management.

Through its passion for innovation and its science-based nutrition products and services, Nestlé Nutrition helps enhance the quality of each individual's life by providing superior products and services with meaningful nutritional benefits. Our strong foundation in science is underpinned by a global R&D network to develop specific solutions for complex nutritional needs – translating science into products that deliver functional health benefits.

For more detailed information, go to [www.nestlenutrition.com](http://www.nestlenutrition.com)

**Background** 2004: Nestlé Nutrition established as globally managed business within the Nestlé Group. The business has grown internally and through acquisitions:

2005 Acquisition of Musashi

2006 Acquisition of Jenny Craig

2007 Acquisition of Novartis Medical Nutrition

2007 Acquisition of Gerber Products International

2011 Transfer of HealthCare Nutrition Business Unit to Nestlé Health Science

**Nestlé Nutrition consists of three business units:**

#### Infant Nutrition

Developing infant formula and baby food to help infants and young children to grow and develop into healthy adults. Our mission is to be the mother's trusted partner, helping build a happier, healthier generation, one baby at a time, through science based, stage appropriate nutrition through pregnancy and early childhood.

#### Performance Nutrition

Helping athletes perform better by promoting peak mental and physical performance through great tasting, science-based and personalized sports nutrition products.

#### Weight Management

Developing personalized weight management programmes to help clients lose weight and keep it off.

**Key Brands** Nestlé Nutrition has over 30 global brands. Key brands include *Nestlé NAN*, *Lactogen*, *Cerelac*, *Gerber*, *Powerbar*, *Jenny Craig*

**Sales 2010** CHF 7.7 billion  
**Employees** Around 15'000 people
