Nestlé S.A.

(incorporated in Switzerland with limited liability)

Under this Debt Issuance Programme (the “Programme”) each of Nestlé Holdings, Inc. and Nestlé Finance International Ltd. (each an “Issuer”, and together the “Issuers”) may from time to time, and subject to applicable laws and regulations, issue debt securities (the “Notes”) denominated in any currency agreed by the Issuer of such Notes (the “relevant Issuer”) and the relevant Dealer (as defined herein). Notes issued by Nestlé Finance International Ltd. will be unconditionally and irrevocably guaranteed by Nestlé S.A. (the “Guarantor”) as described in “Form of the Guarantee”. Notes issued by Nestlé Holdings, Inc. may or may not be unconditionally and irrevocably guaranteed by the Guarantor as described in “Form of the Guarantee”. This Prospectus supersedes any previous Prospectus issued by the Issuers and the Guarantor.

Application has been made to the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 (the “UK Listing Authority”) for Notes issued under the Programme during the period of twelve months from the date of this Prospectus to be admitted to the official list maintained by the UK Listing Authority (the “Official List”) and to the London Stock Exchange plc (the “London Stock Exchange”) for such Notes to be admitted to trading on the London Stock Exchange’s Regulated Market. The London Stock Exchange’s Regulated Market is a regulated market for the purposes of Directive 2004/39/EC (the “Markets in Financial Instruments Directive”). Application has also been made to the SIX Swiss Exchange (the “SIX”) for Notes issued under the Programme to be admitted to listing and/or trading on the SIX.

Any person (an “Investor”) intending to acquire or acquiring any Notes from any person (an “Offeror”) should be aware that, in the context of an offer to the public as defined in section 102B of the Financial Services and Markets Act 2000 (the “FSMA”), the relevant Issuer may be responsible to the Investor for this Prospectus under section 90 of the FSMA only if the relevant Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the relevant Issuer. If the Offeror is not authorised by the relevant Issuer, the Investor should check with the Offeror whether anyone is responsible for this Prospectus for the purposes of section 90 of the FSMA in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt whether it can rely on this Prospectus and/or who is responsible for its contents it should take legal advice.

An Investor intending to acquire or acquiring any Notes from an Offeror will do so, and offers and sales of the Notes to an Investor by an Offeror will be made, in accordance with any terms and other arrangements in place between such Offeror and such Investor including as to price, allocations and settlement arrangements with Investors (other than Dealers sometimes identified as Managers in the applicable Final Terms (as defined below)) in connection with the offer or sale of the Notes. The relevant Issuer will not be a party to such terms and other arrangements with Investors (other than Dealers or Managers) and, accordingly, this Prospectus and any Final Terms will not contain such terms and other arrangements and any Investor must obtain such information from the Offeror.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under “Terms and Conditions of the Notes”) of Notes will be set out in a final terms document (the “Final Terms”) which, with respect to Notes to be listed on the Official List and to be admitted to trading on the London Stock Exchange’s Regulated Market, will be delivered to the UK Listing Authority and the London Stock Exchange or, in respect of Notes to be listed on the SIX, will be filed with the SIX, in each case, on or before the date of issue of the Notes of such Tranche.

Factors which may affect the relevant Issuer’s or the Guarantor’s ability to fulfil their respective obligations under Notes to be issued under the Programme and the Guarantee, respectively, and factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are set out in “Risk Factors” below.

This Prospectus together with all documents which are deemed to be incorporated herein by reference (see “Documents Incorporated by Reference” on page 25) constitutes a base prospectus (a “Base Prospectus”) for the purposes of Article 5.4 of the Prospectus Directive 2003/71/EC. The Base Prospectus in respect of each Issuer includes all information contained within this Prospectus together with all documents which are deemed to be incorporated herein by reference, except for any information relating to any other Issuer.

Each Issuer accepts responsibility for the information contained in its Base Prospectus as described above. To the best of the knowledge and belief of each Issuer (it having taken all reasonable care to ensure that such is the case) the information contained in its Base Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

The previous paragraph should be read in conjunction with the final paragraph on the first page of this Prospectus.

Nestlé S.A. accepts responsibility only for the information contained in this Prospectus together with all documents which are deemed to be incorporated herein by reference, insofar as such information relates to itself and the Guarantee described in “Form of the Guarantee”. To the best of the knowledge and belief of Nestlé S.A. (it having taken all reasonable care to ensure that such is the case) the information about itself and the Guarantee contained in this Prospectus and in the documents which are deemed to be incorporated herein by reference is in accordance with the facts and does not omit anything likely to affect the import of such information.

Copies of Final Terms will be available for viewing on the Nestlé Group investor relations website at www.nestle.com/investors. Copies are also expected to be published on the Regulatory News Service of the London Stock Exchange.

This Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see “Documents Incorporated by Reference” on page 25). This Prospectus shall be read and construed on the basis that such documents are incorporated and form part of this Prospectus.

No Dealer (as defined herein) has separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by any Dealer as to the accuracy or completeness of the information contained in this Prospectus or any other information provided by any of the Issuers or the Guarantor. No Dealer accepts any liability in relation to the information contained in this Prospectus or any other information provided by any of the Issuers or the Guarantor in connection with the Programme or the issue of Notes.

No person has been authorised by any of the Issuers or the Guarantor to give any information or to make any representation which is not contained in or incorporated by reference in or which is not consistent with this Prospectus or any other information supplied in connection with the Programme and, if given or made, such information or representation must not be relied upon as having been authorised by any of the Issuers, the Guarantor or any Dealer.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuers, the Guarantor or any Dealer that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer and the Guarantor (if applicable). Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of any of the Issuers, the Guarantor or any Dealer to any person to subscribe for or to purchase any Notes.

The delivery of this Prospectus does not at any time imply that the information contained herein concerning any of the Issuers or the Guarantor is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme or any Notes is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of any of the Issuers or the Guarantor during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, Australia, New Zealand, the People's Republic of China ("PRC" (which for the purposes of this Prospectus, excludes the Hong Kong Special Administrative Region of the People's Republic of China, the Macao Special Administrative Region of the People's Republic of China and Taiwan)), Hong Kong, Japan, Singapore and the European Economic Area (including the United Kingdom) (see "Subscription and Sale").

The Consolidated Financial Statements of Nestlé Holdings, Inc. do not comply with U.S. accounting standards and are not meant for distribution in the U.S. or to be used for investment purposes by U.S. investors.

Nestlé Holdings, Inc., subject to applicable laws and regulations, may agree to issue Notes in registered form ("Registered Notes"), substantially in the form scheduled to the Note Agency Agreement (as defined under "Terms and Conditions of the Notes"). With respect to each Tranche of Registered Notes, Nestlé Holdings, Inc. has appointed a transfer agent and registrar and a paying agent and may appoint other or additional transfer agents and paying agents either generally or in respect of a particular Series of Registered Notes.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see "Subscription and Sale"). Notes in bearer form (other than where the relevant Note in global bearer form (x) has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes and (y) are not intended to be issued in compliance with U.S. Treasury Regulation section 1.871-14(e) and U.S. Internal Revenue Service ("IRS") Notice 2012-20 as specified in the applicable Final Terms) are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons (as defined in the U.S. Internal Revenue code of 1986, as amended (the "Code") and the U.S. Treasury regulations thereunder). Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued in bearer form by Nestlé Holdings, Inc., except to the extent that the

relevant Note in global bearer form has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes. Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to and held by a clearing organisation (or by a custodian or depository acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Note except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation), and (iii) holders may obtain definitive Notes in bearer form only upon (x) termination of the clearing organisation's business without a successor, (y) default by Nestlé Holdings, Inc. or (z) at Nestlé Holdings, Inc.'s request upon a change in tax law that would be adverse to Nestlé Holdings, Inc. where such consequences would not be suffered if physical Notes in bearer form were issued.

STATEMENTS IN THIS PROSPECTUS ABOUT U.S. FEDERAL TAX ISSUES ARE MADE TO SUPPORT MARKETING OF THE NOTES. NO TAXPAYER CAN RELY ON THEM TO AVOID U.S. TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISOR ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF INVESTING IN THE NOTES UNDER THE LAWS OF THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS AND ANY OTHER JURISDICTION WHERE THE PURCHASER MAY BE SUBJECT TO TAXATION.

As used herein, "Series" means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date, the amount and the date of the first payment of interest thereon and/or the Issue Price (as indicated in the applicable Final Terms)) are identical (including Maturity Date, Interest Basis, Redemption/Payment Basis and Interest Payment Dates (if any) and whether or not the Notes are admitted to trading). As used herein, "Tranche" means all Notes of the same Series with the same Issue Date and Interest Commencement Date (if applicable).

All references in this Prospectus to "U.S. dollars", "USD", "U.S.\$" and "\$" refer to United States dollars, those to "Sterling" and "£" refer to pounds sterling, those to "SFr" or "CHF" refer to Swiss francs, those to "A\$" refer to Australian Dollars, those to "NZ\$" refer to New Zealand Dollars, those to "Renminbi", "RMB" and "CNY" refer to the lawful currency of the PRC and those to "euro", "EUR" or "€" refer to the currency introduced at the start of the third stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No. 974/98 of 3 May 1998 on the introduction of the euro, as amended.

This Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Prospectus as completed by Final Terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for either the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by Final Terms or is a drawdown prospectus which specifies that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or applicable Final Terms or drawdown prospectus, as applicable, and the Issuer has consented in writing to its use for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither Issuer nor any Dealer has authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the

relevant Issuer or any Dealer to publish or supplement a prospectus for such offer. The expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments in an attempt to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Certain Series of Notes to be issued under this Programme may be rated or unrated. Where an issue of Notes is rated, such rating will be specified in the relevant Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Whether or not each credit rating applied for in relation to a relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (the “CRA Regulation”) will be disclosed in the Final Terms.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). The list of credit rating agencies registered and certified in accordance with the CRA

Regulation published by the European Securities and Markets Authority (“ESMA”) on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. This summary must be read as an introduction to this Prospectus and any decision to invest in any Notes should be based on a consideration of this Prospectus as a whole, including the documents incorporated by reference. No civil liability will attach to the Issuers and the Guarantor in any Member State of the European Economic Area solely on the basis of this summary, including any translation thereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Prospectus. Where a claim relating to information contained in this Prospectus is brought before a court in a Member State of the European Economic Area, the claimant may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating this Prospectus before the legal proceedings are initiated.

Denomination of Notes:	Notes will be issued in such denominations as may be agreed between the relevant Issuer and the relevant Dealer and as indicated in the applicable Final Terms, save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws, directives or regulations applicable to the relevant

Issuer or the Specified Currency and save further that the minimum denomination of each Note issued by either Issuer and admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which would otherwise require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

Notes having a maturity of less than one year may be subject to restrictions on their denomination and distribution, see “Legal and regulatory requirements” above.

In the case of Notes issued by NHI with a maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), the minimum denomination for a Definitive Note or an interest in a Permanent Global Note shall be U.S.\$500,000 (or the equivalent thereof at exchange rates applicable on the issue date of such Note).

Taxation: All payments in respect of the Notes will be made without deduction for, or on account of, withholding taxes imposed within the jurisdiction in which the relevant Issuer or the Guarantor (if applicable) is incorporated, subject as provided in Condition 7 (Taxation).

All payments in respect of the Notes will be made subject to any deduction or withholding required by provisions of U.S. federal income tax law commonly referred to as the U.S. Foreign Account Tax Compliance Act (“FATCA”), as provided in paragraph (a) of Condition 5 (Payments), subject as provided in Condition 7 (Taxation).

Negative Pledge: The Notes will contain a negative pledge provision as described in Condition 3 of the Terms and Conditions of the relevant Notes.

Cross Default: The Notes will contain a cross-default provision applicable to the relevant Issuer as described in the Terms and Conditions of the Notes. In addition, Notes issued by NFI and guaranteed Notes issued by NHI will contain a cross default provision applicable to the Guarantor as described in the Terms and Conditions of the relevant Notes.

Status of the Notes: The Notes will constitute direct, unconditional, unsecured (subject to the provisions of Condition 3 (Negative Pledge)) and unsubordinated obligations of the relevant Issuer and will rank *pari passu* and ratably without any preference among themselves and equally with all other unsecured and unsubordinated obligations of the relevant Issuer from time to time outstanding (other than obligations mandatorily preferred by law).

Status of the Guarantee: The obligation of the Guarantor under each Guarantee constitutes a direct, unconditional, unsubordinated and unsecured obligation of the Guarantor and will rank *pari passu* with all other present and future unsecured and unsubordinated obligations outstanding of the Guarantor (other than obligations mandatorily preferred by law applying to companies generally).

Currency Fallback (Notes denominated in Renminbi): If as a result of certain circumstances as described in Condition 5(h), the relevant Issuer or the Guarantor determines in good faith that it is not able, or it would be impracticable for it, to satisfy payments due under the Notes, Receipts or Coupons (or the Guarantee, as the case may be) in Renminbi in Hong Kong, the relevant Issuer or the Guarantor (as applicable) may, after giving irrevocable notice to the Noteholders, settle any such payment in U.S. dollars.

Rating:	Notes issued under the Programme may be rated or unrated. Where an issue of Notes is rated, such rating will be specified in the applicable Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. Whether or not each credit rating applied for in relation to a relevant Series of Notes will be issued or endorsed by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009, as amended (the “CRA Regulation”) will be disclosed in the Final Terms.
Listing and Admission to Trading:	<p>Application has been made to the UK Listing Authority for Notes issued under the Programme to be admitted to the Official List and to the London Stock Exchange for such Notes to be admitted to trading on the London Stock Exchange’s Regulated Market.</p> <p>In addition, application has been made to register the Programme on the SIX, and application will be made to list certain Series of Notes issued under the Programme on the main segment of the SIX.</p> <p>Notes may also be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the relevant Issuer and the relevant Dealer in relation to each Series. Notes which are neither listed nor admitted to trading on any market may also be issued.</p> <p>No Swiss Notes listed on the SIX will be listed on any other stock exchange or will be the subject of an application for listing on any other stock exchange.</p> <p>The applicable Final Terms will state if the relevant Notes are to be listed and/or admitted to trading and, if so, on which stock exchanges and/or markets.</p>
Governing Laws:	<p>The Notes and any non-contractual obligations arising out of or in connection with the Notes will be governed by, and construed in accordance with, English law.</p> <p>The Guarantee will be governed by, and construed in accordance with, Swiss law.</p>
Selling Restrictions:	There are selling restrictions in relation to the United States, Australia, New Zealand, the People’s Republic of China (“PRC”), Hong Kong, Japan, Singapore and the European Economic Area (including the United Kingdom). In connection with the offering and sale of particular Notes, additional restrictions may be imposed which will be set out in the applicable Final Terms.
Risk Factors:	Certain factors may affect the ability of the relevant Issuer and the Guarantor to fulfil their respective obligations under the Notes issued under the Programme. Such factors include liquidity, credit and event risks such as the risk of increased competition, damage to brand image, food contamination, price fluctuations and supply uncertainties in the sourcing of raw materials, changing consumer preferences and health concerns, and the risk of a lack of availability of funding. There are certain additional factors which are material for the purpose of assessing the market risks associated with the Notes issued under the Programme: these include certain risks relating to the structure of a particular issue of Notes and certain risks relating to Notes generally.

RISK FACTORS

Each of the Issuers and the Guarantor believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme which may in turn result in investors losing the value of their investment. Most of these factors are contingencies which may or may not occur and neither the Issuers nor the Guarantor are in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of the Issuers and the Guarantor believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuers or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuers and the Guarantor do not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Factors that may affect the Issuers' ability to fulfil their respective obligations under Notes issued under the Programme and the Guarantor's ability to fulfil its obligations under each Guarantee

Competition and Demand

The business environment in which the Nestlé Group operates is competitive. In its major markets, the Group competes with other multinational corporations that have significant financial resources to respond to and develop the markets in which both they and the Group operate. These resources may be applied to change areas of focus or to increase investments in marketing or new products. This could cause the Group's sales or margins to decrease in these markets. Furthermore, consumer tastes are susceptible to change. If the Group is unable to respond to rapid changes in consumer preferences, the Group's sales or margins in individual markets could be materially adversely affected.

Brand Image/Reputation

Profitability depends in part upon a number of product brands. Reliance on these brands makes the Group vulnerable to brand damage in a variety of ways. For example, if the Nestlé Group is the victim of product tampering or contamination, brand dilution by people who use any of the Nestlé brands without the Nestlé Group's permission or other factors, negative publicity will affect sales results. Damage to brands could result in the loss of revenue associated with the affected brands and higher costs to address these circumstances, including those associated with any product recall events that may occur.

Food Safety/Food Contamination

The Group has a comprehensive food safety assurance programme and implements an array of preventive measures to ensure the safety of its products. Nevertheless, the risk that raw materials are accidentally or maliciously contaminated, or products are contaminated throughout the supply chain due to human error or equipment failure, cannot be fully excluded. Such incidents can have different consequences including loss of products, delay in supply, loss of market shares, financial costs, adverse health effects on consumers or loss of reputation.

Raw Materials

The Group relies to a varying degree on the sourcing of raw materials from around the world. This exposes the Group to price fluctuations and supply uncertainties which are subject to factors such as commodity market price volatility, currency fluctuations, changes in governmental agricultural programs, harvest and weather conditions, crop disease, crop yields, alternative crops and by-product values. Underlying base material price changes may result in unexpected increases in raw material and packaging costs, and the Group may be unable to fully reflect these increases by raising prices without suffering reduced volume, revenue and operating income.

The ability to maintain the profitability of products containing tradeable commodities is largely dependent on cost management capacity of both direct and indirect materials, including energy, as well as market competitiveness. A significant or sustained decrease in the sale price of products based on

coffee, cocoa or milk products and ice cream could have a material adverse effect on the business, financial condition and results of operations of the Nestlé Group.

Should the price of commodities decline over a period of time, producers of raw materials may diversify their product range, which may restrict the availability of raw materials.

Various governments throughout the world are considering regulatory proposals relating to genetically modified organisms or ingredients, food safety and market and environmental regulation which, if adopted, would increase costs. If any of these or other proposals are enacted, the Group may experience difficulties in supply and the Group may be unable to pass on the cost increases to its customers without incurring volume loss as a result of higher prices.

Quality/Consumer Preference

The success of the Nestlé Group depends in part on its ability to anticipate the tastes and dietary habits of consumers and to offer products that appeal to their preferences. Consumer preferences change, any major change in demographics and/or any failure to anticipate, identify or react to these changes could result in reduced demand for Nestlé products, which would in turn cause the volume, revenue and operating companies' income to suffer. Moreover, there is a risk that the Nestlé Group's business may be adversely affected by a reduction in consumer spending.

Health Concerns

The food industry as a whole is faced with the global challenge of rapidly rising obesity levels. The Group makes all its products available in a range of sizes and varieties designed to meet all needs and all occasions. There is a possibility, however, of governments taking action against the food industry, for example by levying additional taxes on confectionery products or by restricting the advertising of products of this type.

Seasonal Weather Conditions

The Group's business is subject to some seasonality, and adverse weather conditions may impact on the Group's sales. The ice cream and water business experience seasonal business swings, which correspond to the North American seasons. Unusually prolonged periods of cold, rain, blizzards, hurricanes or other severe weather patterns could impact consumers' decisions to purchase goods associated with the spring and summer.

Manufacturing

The Group's manufacturing facilities could be disrupted for reasons beyond the Group's control. These disruptions may include extremes of natural hazards, fire, supplies of materials or services, system failures, workforce actions or environmental issues. The Group takes measures to limit these risks, and, in particular, the decentralised nature of the Group's manufacturing assets helps to limit the impact that any local disruption may have on the Group's manufacturing capabilities. However, any significant manufacturing disruptions could adversely affect the Group's ability to make and sell products, which could cause the Group's revenues to decline.

Environmental Risk

The Group is subject to environmental regimes applying in all countries where it operates, and has to comply with legislation concerning the protection of the environment, including the use of natural resources (e.g. water), release of air emissions and waste water, and the generation, storage, handling, transportation, treatment and disposal of waste materials. In the ordinary course of business, the Group's operations are subject to internal environmental policy and management procedures, environmental inspections and monitoring by governmental enforcement authorities. Costs may be incurred, including fines, damages and criminal or civil sanctions, or interruptions may be experienced in operations for actual or alleged violations arising under any environmental laws. In addition, the Group's production facilities require operating permits that are subject to renewal, modification and, in certain circumstances, revocation. Violations of permit requirements can also result in restrictions or prohibitions on plant operations, substantial fines and civil or criminal sanctions. Environmental

legislation is also increasingly imposing requirements on products and their packaging (e.g. eco-taxes or deposits), which affect their costs.

Occupational Health and Safety Risk

The Group is subject to health and safety regimes in all countries where it operates, and has to comply with legislation concerning the protection of the health and welfare of employees and contractors. Despite the Group's internal policy decisions on safety, the training provided to employees, accident prevention and awareness, the risk of accidents/long-term health impacts cannot be excluded. Costs may be incurred, including fines, damages, and criminal or civil sanctions, or interruptions may result from, actual or alleged violations arising under any health and safety laws. The breach of health and safety laws may adversely affect the Group's reputation.

Governmental Actions and Non-Governmental Actions

Given the multinational nature of its business, the Group is subject to substantial government regulation or non-governmental actions which may change dramatically as a result of political, economic or social events. Such changes may be wide-ranging and cover cross-border trading, taxation, employment practices, environmental, health, safety and social issues. The effects of such changes are uncertain. If the Group is unprepared to handle or could not adequately prepare for any such changes, the Group's businesses could suffer.

Retirement Benefits

The Group has various retirement benefit schemes which are funded via investments in equities, bonds and other external assets and the liabilities for which reflect the latest salary levels. The values of such assets are dependent on, among other things, the performance of the equity and debt markets, which are volatile. Any shortfall in the Group's funding obligations may require significant additional funding from the employing entities.

Information Technology

The Group depends on accurate, timely information and numerical data from key software applications to enable day-to-day decision making. Any disruption caused by a failure of key software application, of underlying equipment or of communication networks, for whatever reason, could delay day-to-day decision making, manufacturing processes, product delivery and/or cause the Group material financial losses.

The Group uses computer systems to monitor financial positions and daily cash flows and to process payments to internal and external counterparties. Computer break-downs or partial breakdowns of systems can, therefore, lead to delays in payment processes. Further risks can arise in connection with the settlement of financial transactions. The management of daily cash flows at Nestlé Group companies depends on the timely receipt of funds from external institutions who act as counterparties to financial transactions, such as bonds, swaps or other derivative financial instruments.

Notwithstanding anything stated in this risk factor, this risk factor should not be taken as implying that the relevant Issuer will be unable to comply with its obligations as a company with securities admitted to the Official List.

Litigation

Nestlé Group companies are parties to a variety of legal proceedings arising out of the normal course of business. The relevant companies believe that there are valid defences for the claims, and such companies intend to defend any such litigation pending. However, the results of litigation cannot be predicted with certainty.

Banking Credit

In its financing activities, the Group deals with many banks and financial institutions and thus is exposed to a risk of loss in the event of non-performance by the counterparties to financial

instruments. While the Group seeks to limit such risk by dealing with counterparties which have high credit ratings, the Group cannot give assurances that counterparties will fulfil their obligations, failure of which could materially affect the Group's financial position.

Credit Risk

Credit risk results from the risk of default of internal or external counterparties. The amount recognised in the balance sheet of the Nestlé Group for financial assets is, ignoring any collateral received, the maximum credit risk in the case that counterparties are unable to fulfil their contractual obligations. In the case of derivative financial instruments, the Group is also exposed to credit risk, which results from the non-performance of contractual agreements on the part of the counterparty. This credit risk is mitigated by entering into such contracts with parties of high credit standing.

Certain issues of Notes under the Programme may benefit from a guarantee given by the Guarantor. The Guarantor's (and each Issuer's) senior long term debt obligations have been rated AA (stable) by Standard & Poor's Credit Market Services France SAS ("Standard & Poor's") and Aa2 (stable) by Moody's France SAS ("Moody's"). Each of Standard & Poor's and Moody's is established in the European Community and registered under the CRA Regulation. The list of credit rating agencies registered and certified in accordance with the CRA Regulation published by ESMA on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. The Guarantor (and each Issuer) may be subject to ratings downgrades by Standard & Poor's or Moody's or any other credit rating agency which rates the credit of the Guarantor and its affiliates, including each of the Issuers and any such rating agencies may qualify or alter the ratings they assign at any time. Downgrades or placement on review for possible downgrades could harm its ability to obtain financing or increase its financing costs and could have a material adverse effect on the price of Notes issued under the Programme.

Currency Fluctuations

The Group operates in many different countries and thus is subject to currency fluctuations, both in terms of its trading activities and the translation of its financial statements; while the Group uses short-term hedging for trading activities, the Guarantor does not believe that it is appropriate or practicable to hedge long-term translation exposure. The Group does, however, seek some mitigation of such translation exposure by relating the currencies of trading cash flows to those of its debt by using broadly similar interest cover ratios. If the Group experiences significant currency fluctuations or is unable effectively to use similar interest cover ratios, then the Group's financial condition could be adversely affected.

Interest Rate Risk

Interest rate risk refers to potential changes of value in financial assets, liabilities or derivatives in response to fluctuations in interest rates. The Nestlé Group holds a substantial volume of interest rate sensitive financial assets, liabilities and derivatives for operational, financing and investment activities. Changes in interest rates can have adverse effects on the financial position and operating result of the Group. In order to mitigate the impact of interest rate risk, the Guarantor continually assesses the exposure of the Group to this risk. Interest rate risk is managed and hedged through the use of derivative financial instruments, such as interest rate swaps and forward rate agreements. When deemed appropriate, there might be unhedged positions.

Liquidity Risk

The Nestlé Group raises finance by the issuance of term debt, principally in the capital markets. Therefore, the Group depends on broad access to these capital markets and investors. Changes in demand for term debt instruments on capital markets could limit the ability of the Nestlé Group to fund operations.

The Nestlé Group also uses committed and uncommitted credit lines with banks and bank loans to cover liquidity needs. In this context the Guarantor depends on the willingness of banks to provide

credit lines or loans. Due to structural changes in the banking business, the willingness of banks to provide credit lines and loans has declined over the past years. In order to reduce and minimise the dependence on banks, the Guarantor has taken measures to maintain access to the capital markets.

Risk of an Increase in Cost of Capital

Increases in the cost of borrowing could negatively affect the operating results of the Nestlé Group. Increases in borrowing costs could arise from changes in demand for term debt instruments in the capital markets, the removal of the unconditional and irrevocable guarantee of the Guarantor from the Programme and a decreasing willingness of banks to provide credit lines and loans.

Treasury Operations

In the course of its business, the Group has substantial assets under management. Although the Group has implemented risk management methods, including approved guidelines and financial policies to mitigate and control such risks, as a result of holding such assets, it is exposed to default risk, interest rate risk, foreign exchange risk and credit spreads. Returns on such assets may also be affected by limited exposure to yield enhancing absolute return funds. In addition, adverse changes in the credit quality of counterparties or a general deterioration in economic conditions or arising from systemic risks in the financial systems could affect the value of those assets.

Terrorist Attacks and Other Acts of Violence and War

Terrorist attacks or other acts of violence or war may negatively affect the Nestlé Group's operations. These attacks may directly impact the Group's, suppliers' or customers' physical facilities. Furthermore, these attacks may make travel and the transportation of supplies and products more difficult and more expensive and ultimately affect the Group's operating results. Political and economic instability in some regions of the world may also result and could negatively impact the Group's business. Any of these events could cause consumer confidence and spending to decrease or result in increased volatility in the worldwide financial markets and economy.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common of such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to any redemption period.

The Issuers may be expected to redeem Notes when their cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuers may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "Relevant Factor"). In addition, the Issuers may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes of a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Partly-paid Notes

The Issuers may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where an Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If an Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If an Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its other Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the

greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Bearer Notes in NGN form and Registered Notes held under the NSS

Bearer Notes in NGN form and global Registered Notes held under the new safekeeping structure (“NSS”) allow for the possibility of Notes being issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the central banking system for the euro (the “Eurosysteem”) and intra-day credit operations by the Eurosysteem either upon issue or at any or all times during their life. However, in any particular case, such recognition will depend upon satisfaction of the Eurosysteem eligibility criteria at the relevant time. Investors should make their own assessment as to whether the Notes meet such Eurosysteem eligibility criteria.

Notes denominated in Renminbi are subject to additional risks

Notes denominated in RMB (“RMB Notes”) may be issued under the Programme. RMB Notes are subject to particular risks:

Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC

Renminbi is not freely convertible at present. The PRC government continues to regulate conversion between Renminbi and foreign currencies despite the significant reduction over the years by the PRC government of control over routine foreign exchange transactions under current accounts. Participating banks in Hong Kong have been permitted to engage in the settlement of RMB trade transactions under a pilot scheme introduced in July 2009. This represents a current account activity. The pilot scheme was extended in August 2011 to cover all provinces and cities in the PRC and to make RMB trade and other current account item settlement available in all countries worldwide. New PRC regulations were promulgated in October 2011, liberalising the control over the remittance of Renminbi into the PRC for settlement of capital account items. However, restrictions still apply to the remittance of offshore Renminbi into the PRC in certain circumstances.

There is no assurance the PRC government will continue to gradually liberalise the control over cross border RMB remittances in the future, that the pilot scheme introduced in July 2009 will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC.

Noteholders may be required to provide certifications and other information (including Renminbi account information) in order to be allowed to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of RMB Notes and the Issuer’s and the Guarantor’s ability to source Renminbi outside the PRC to service such RMB Notes.

As a result of the restrictions by the PRC government on cross-border Renminbi fund flows, the availability on Renminbi outside the PRC is limited. Since February 2004, in accordance with arrangements between the PRC central government and the Hong Kong government, licensed banks in Hong Kong may offer limited Renminbi-denominated banking services to Hong Kong residents and specified business customers. The People’s Bank of China (“PBoC”), the Central Bank of China, has also established a Renminbi clearing and settlement system for participating banks in Hong Kong. On 19 July 2010, further amendments were made to the Settlement Agreement on the Clearing of RMB Business (the “Settlement Agreement”) between the PBoC and Bank of China (Hong Kong) Limited (the “RMB Clearing Bank”) to further expand the scope of RMB business for participating banks in Hong Kong. Pursuant to the revised arrangements, all corporations are allowed to open RMB accounts in Hong Kong; there is no longer any limit on the ability of corporations to convert RMB; and there will no longer be any restriction on the transfer of RMB funds between different accounts in Hong Kong.

However, the current size of Renminbi-denominated financial assets outside the PRC is limited. In addition participating banks are also required by the Hong Kong Monetary Authority to

maintain a total amount of Renminbi (in the form of cash and its settlement account balance with the RMB Clearing Bank) of no less than 25 per cent. of their Renminbi deposits, which further limits the availability of Renminbi that participating banks can utilise for conversion services for their customers. Renminbi business participating banks do not have direct Renminbi liquidity support from PBoC. The RMB Clearing Bank only has access to onshore liquidity support from PBoC to square open positions of participating banks for limited types of transactions, including open positions resulting from conversion services for corporations relating to cross-border trade settlement and for individual customers of up to RMB 20,000 per person per day.

The RMB Clearing Bank is not obliged to square for participating banks any open positions resulting from other foreign exchange transactions or conversion services and the participating banks will need to source Renminbi from the offshore market to square such open positions.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the Settlement Agreement will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of RMB Notes. To the extent the relevant Issuer and/or the Guarantor is required to source Renminbi in the offshore market to service its RMB Notes, there is no assurance that the relevant Issuer and/or the Guarantor will be able to source such Renminbi on satisfactory terms, if at all.

Investment in RMB Notes is subject to exchange rate risks

The value of Renminbi against the U.S. dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. All payments of interest and principal will be made with respect to RMB Notes in Renminbi. If by reason of certain circumstances related to the inconvertibility, illiquidity or non-transferability of Renminbi, the relevant Issuer (or the Guarantor, as the case may be) in Renminbi, the relevant Issuer or the Guarantor (as applicable) may settle any such payment in US dollars. As a result, the value of these Renminbi payments in US dollar terms may vary with the prevailing exchange rates in the marketplace. If the value of Renminbi depreciates against the US dollar, the value of investment in US dollars will decline.

Payments in respect of RMB Notes will only be made to investors in the manner specified in such RMB Notes

All payments in Renminbi to investors in respect of RMB Notes will be made solely by (i) when RMB Notes are represented by global certificates, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and procedures of Euroclear, Clearstream, Luxembourg or any alternative clearing system as applicable, or (ii) when RMB Notes are in definitive form, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and regulations. Other than as provided in Condition 5(h), neither the relevant Issuer nor the Guarantor can be required to make payment by any other means (including in any other currency or in bank notes, by cheque or draft or by transfer to a bank account in the PRC).

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification and Waiver

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under European Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest or similar income (similar income for this purpose includes, but is not limited to, payments on redemption of the Notes representing any discount on the issue of the Notes or any premium payable on redemption) paid by a person within its jurisdiction to an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries), deducting tax at a rate of 35 per cent.

A number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State (a withholding system in the case of Switzerland at a rate of 35 per cent. with the option of the individual to have the paying agent in Switzerland provide to the tax authorities of the Member State the details of the interest payments in lieu of the withholding). In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system, or through any non-EU country which has adopted similar measures and has opted for a withholding system, or through certain dependent or associated territories which have adopted similar measures and which have opted for a withholding system, and an amount of, or in respect of, tax were to be withheld from that payment, neither the relevant Issuer nor the Guarantor nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Notes as a result of the imposition of such withholding tax. Each Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Proposed Amendment of Swiss Federal Withholding Tax Act

On 24 August 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent. on any payment of interest in respect of a Note to an individual resident in Switzerland or to a person outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the respective Issuer, nor the Guarantor nor a paying agent nor any other person would pursuant to the Terms and Conditions of the Notes be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax. In respect of Notes that are not Swiss Notes, the relevant Issuer is required to maintain a paying agent (which may be the Agent) in a jurisdiction within Europe other than Switzerland that will not be required to withhold or deduct tax pursuant to laws enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down (i) in the European Union Council Directive 2003/48/EC or (ii) in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the respective Issuer or the Guarantor withhold or deduct tax.

U.S. information reporting and withholding tax may apply to Notes after 31 December 2012

New U.S. withholding tax rules, enacted under provisions of U.S. federal income tax law commonly referred to as the U.S. Foreign Account Tax Compliance Act (“FATCA”) and intended to compel reporting to the IRS of direct and indirect ownership of certain non-U.S. accounts and entities by U.S. persons, will apply to Notes issued by NHI after 31 December 2012 (or issued at any time to the

extent treated as equity or as significantly modified after that date, in each case, for United States federal income tax purposes). Under these rules, payments of (i) interest (including any original issue discount) and premium, if any, made on such Notes after 31 December 2013 and (ii) payments of principal on, as well as the proceeds from the sale, exchange or disposition of, such Notes made after 31 December 2014 may be subject to U.S. withholding tax if paid either (x) to an investor that has failed to provide information sufficient for a Paying Agent or other relevant financial institution intermediary through which the investor holds the Notes or receives payments on the Notes to determine whether the investor is a U.S. person or a non-financial, non-U.S. entity with material direct or indirect U.S. ownership or (y) through an intermediary or to an investor that is a non-U.S. financial institution that has not entered into an agreement with the IRS pursuant to which it agrees, among other responsibilities, to collect and provide to the IRS information about its direct and indirect U.S. accountholders and investors. These requirements will apply in addition to the historic requirements for avoiding U.S. withholding tax on such payments (see “Taxation—U.S. Taxation of Notes”). Similar rules may apply to all payments on Notes issued by NFI after 31 December 2012 (or issued at any time to the extent treated as equity or as significantly modified after that date, in each case, for United States federal income tax purposes) made after 31 December 2016 to the extent any such payment is treated as attributable to sources within the United States for FATCA purposes. No additional amounts will be paid in respect of any U.S. tax amounts withheld under these FATCA rules. Potential investors should consult their tax advisers regarding the implications of the FATCA rules for their investment in Notes, including the implications resulting from the status under these rules of each financial intermediary through which they hold Notes.

Change of law

The Terms and Conditions of the Notes are based on English law in effect as at the date of this Prospectus and the provisions of the Guarantee are based on Swiss law, each as in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice, or Swiss law or administrative practice, after the date of this Prospectus.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have a denomination consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts in excess of the Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a nominal amount of Notes such that its holding amounts to the Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than

conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

Each Issuer will pay principal and interest on the Notes and the Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

FORM OF THE NOTES

General

Words and expressions defined in “Terms and Conditions of the Notes” below shall have the same meanings in this “Form of the Notes”. Notes in bearer form (other than Swiss Notes, Notes issued by NHI that have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in other currency, determined at the spot rate on the date of issue) and, as specified in the applicable Final Terms, are issued in compliance with the requirements of United States Treasury Regulations section 1.6049-5(b)(10) or Notes issued by NFI that have a maturity of one year or less) constituting a separate identifiable tranche (within the meaning of Regulation S under the Securities Act) will initially be represented by a Temporary Global Note which will:

- (i) if the global Notes are intended to be issued in new global note (“NGN”) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the “Common Safekeeper”) for Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”); and
- (ii) if the global Notes are not intended to be issued in NGN form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the “Common Depositary”) for Euroclear and Clearstream, Luxembourg and/or a nominee for any other relevant clearing system (as applicable).

Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued in bearer form by NHI, except to the extent that the relevant Note in global bearer form has been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes. Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to and held by a clearing organisation (or by a custodian or depositary acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Note except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation), and (iii) holders may obtain definitive Notes in bearer form only upon the occurrence of an Exchange Event (as defined below).

The applicable Final Terms will specify whether the Notes (including Registered Notes issued by NHI, as described below) are to be held in a manner which will allow Eurosystem eligibility. This means that the Notes are to be deposited with the Common Safekeeper and not necessarily that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

If the applicable Final Terms indicates that the global Note is a NGN, the nominal amount of the Notes represented by such global Notes will be the aggregate from time to time entered in the records of both Euroclear and Clearstream, Luxembourg. The records of Euroclear and Clearstream, Luxembourg (which expression in such global Note means the records that each of Euroclear and Clearstream, Luxembourg holds for its customers which reflect the amount of each such customer’s interest in the Notes) will be conclusive evidence of the nominal amount of Notes represented by such global Note and, for such purposes, a statement issued by Euroclear and/or Clearstream, Luxembourg, as the case may be, stating that the nominal amount of Notes represented by such global Note at any time will be conclusive evidence of the records of Euroclear and/or Clearstream, Luxembourg at that time, as the case may be.

Each Temporary Global Note will be exchangeable as described therein either for a Permanent Global Note or definitive Notes (as indicated in the applicable Final Terms) not earlier than 40 days after the later of (A) the completion of the distribution of such identifiable Tranche of Notes as determined by the Agent and (B) the settlement date for such Tranche (the “Exchange Date”); provided,

however, that the Issuer may, in its sole discretion, extend the Exchange Date for such reasonable period of time as the Issuer may deem necessary in order to ensure that the issuance of such identifiable Tranche of Notes is exempt from registration under the Securities Act by virtue of Regulation S thereunder) upon receipt by the Issuer or the Agent from Euroclear or Clearstream, Luxembourg or any other relevant clearing system of the requisite certifications as described under “Certifications” below.

Each Permanent Global Note will, if specified in the applicable Final Terms, be exchangeable in whole, but not in part, for definitive Notes with, where applicable, Receipts, Coupons and Talons attached: (i) at the request of the relevant Issuer; (ii) upon the Noteholders instructing Euroclear or Clearstream, Luxembourg or any other agreed clearing system in which such Permanent Global Note is being held to give at least 60 days’ written notice to the Agent, subject to the payment of costs in connection with the printing and distribution of the definitive Notes, if specified in the applicable Final Terms; and/or (iii) (free of charge) upon the occurrence of an Exchange Event (as defined below).

For these purposes “Exchange Event” means that (i) an Event of Default (as defined in Condition 9) has occurred and is continuing; (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg, or any other agreed clearing system in which such Permanent Global Note is being held, have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, as a result, Euroclear and Clearstream, Luxembourg or such other agreed clearing system in which such Permanent Global Note is being held are no longer willing or able to discharge properly their responsibilities with respect to such Notes and the Agent and the relevant Issuer are unable to locate a qualified successor; or (iii) as a result of a change in law after the relevant Issue Date, the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg and/or any other agreed clearing system in which such Permanent Global Note is being held (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice to the Agent.

Swiss Notes will be represented exclusively by a Swiss Global Note, representing the entitlement to payment of principal and interest. The Swiss Global Note will be deposited with an Intermediary. Once the Swiss Global Note has been deposited with an Intermediary and the relevant interests in the Swiss Notes entered into the accounts of one or more participants of the Intermediary, the Swiss Notes represented thereby will constitute Intermediated Securities.

No physical delivery of the Swiss Notes represented by a Swiss Global Note shall be made unless and until Swiss Notes in definitive form (the “Swiss Definitive Notes” (*Wertpapiere*)) shall have been printed. The Swiss Global Note will be exchangeable for Swiss Definitive Notes in whole but not in part, only if the Swiss Agent (as specified in the applicable Final Terms) should, after consultation with the relevant Issuer, deem the printing of Swiss Definitive Notes to be necessary or useful or if the presentation of Swiss Definitive Notes is required by Swiss or other applicable laws and regulations in connection with the enforcement rights of holders of Swiss Notes. Should the Swiss Agent so determine, it shall provide for the printing of Swiss Definitive Notes without cost to the holders of the Swiss Notes. Where Swiss Definitive Notes are delivered, the Swiss Global Note will immediately be cancelled by the Swiss Agent and the Swiss Definitive Notes shall be delivered to the relevant holders against cancellation of the relevant Swiss Notes in such holder's securities account. Holders of Swiss Notes will not have the right to request delivery of Swiss Definitive Notes. If printed, Swiss Definitive Notes will be issued and delivered exclusively in registered form for United States federal tax purposes whereby, *inter alia*, title will pass exclusively upon due endorsement in a register to be established and maintained by a registrar (the “Swiss Registrar”) appointed by the relevant Issuer and acting on its behalf after consultation with the Swiss Agent. The appointment of the Swiss Registrar will be made pursuant to a supplemental Swiss Definitive Note agency agreement, which shall be entered into by the relevant Issuer, the Guarantor (if the Swiss Notes are guaranteed), the Swiss Agent and the Swiss Registrar. Any issue and delivery of Swiss Definitive Notes will be duly notified to the holders of the Swiss Notes in accordance with Condition 14.

Each holder of Swiss Notes shall be the beneficial owner of a quotal co-ownership interest (*Miteigentumsanteil*) in the Swiss Global Note to the extent of his claims against the relevant Issuer, provided that for so long as the Swiss Global Note remains deposited with an Intermediary, the co-ownership interest shall be suspended. In accordance with the regulations of the SIX, owners of quotal co-ownership interests in the Swiss Global Note do not have the right to request the printing and delivery of Swiss Definitive Notes.

Payments of principal, interest (if any) or any other amounts on a Swiss Global Note will be made through SIS without any requirement for certification.

No Swiss Notes listed on the SIX will be listed on any other stock exchange or will be the subject of an application for listing on any other stock exchange.

Interest, Principal and Other Payments Prior to Exchange Date

In the case of a Temporary Global Note that provides for payment of any interest, principal or other amounts prior to the Exchange Date, a member organisation appearing in the records of Euroclear or Clearstream, Luxembourg as entitled to a portion of the principal amount of such Temporary Global Note (a “Member Organisation”) must provide an Owner Tax Certification (as defined below) to Euroclear or Clearstream, Luxembourg, and Euroclear or Clearstream, Luxembourg must provide to the Issuer and the Agent a certification substantially in the form attached as Annex A to the Temporary Global Note (a “Depository Tax Certification”), in each case, prior to the payment of interest or, if applicable, principal. A Depository Tax Certification may be provided in electronic form only if it satisfies the requirements in the Treasury Regulations Section 1.163-5(c)(2)(i)(D)(3)(ii). Until an Owner Tax Certification is provided by the Member Organisation to Euroclear or Clearstream, Luxembourg, and the Issuer or the Agent receives from Euroclear or Clearstream, Luxembourg a Depository Tax Certification, such Member Organisation will not be entitled to receive any interest or, if applicable, principal with respect to its interest in the Temporary Global Note or to exchange its interest therein for a portion of the Permanent Global Note or for definitive Notes. Prior to the exchange of the Member Organisation’s interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes, a Member Organisation must also provide the Owner Securities Certification (as defined below), and Euroclear or Clearstream, Luxembourg must provide to the Issuer or the Agent a certification in the form set out in such Temporary Global Note (a “Depository Securities Certification”).

Exchange Date Prior to Interest, Principal and Other Payments

In the case of a Temporary Global Note that does not provide for payment of any interest, principal or other amounts prior to the Exchange Date, the Member Organisation must provide to Euroclear or Clearstream, Luxembourg an Owner Tax Certification and an Owner Securities Certification (which may be combined in one certification form), and Euroclear or Clearstream, Luxembourg must provide to the Issuer or the Agent a Depository Tax Certification and a Depository Securities Certification (which may be combined in one certification form). Until the requisite certifications are provided by the Member Organisation to Euroclear or Clearstream, Luxembourg, and the Issuer or the Agent receives from Euroclear or Clearstream, Luxembourg the requisite certifications to the Issuer, such Member Organisation shall not be entitled to receive any interest or, if applicable, principal with respect to its interest in the Temporary Global Note or to exchange its interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes.

Certifications – Bearer Notes

As described above, no interest or, if applicable, principal will be paid on any Temporary Global Note and no exchange of a Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes may occur until the beneficial owner, as the person entitled to receive such interest or, if applicable, principal or a portion of the Permanent Global Note or definitive Notes, furnishes written certification (the “Owner Tax Certification”), substantially in the form attached as Annex B to the Temporary Global Note to the effect that such person (i) is not a United States person (as defined under the United States Internal Revenue Code of 1986, as amended (the “Code”) and the Treasury Regulations thereunder), (ii) is a foreign branch of a United States financial institution purchasing for its own account or for resale, or is a United States person who acquired the Note through

such financial institution and who holds the Note through such financial institution on the date of the certificate, provided in either case that such financial institution provides a certificate to the Issuer or the distributor selling the Note to it stating that it agrees to comply with the requirements of Section 165(j)(3)(A), (B) or (C) of the Code and the United States Treasury Regulations thereunder, or (iii) is a financial institution holding for purposes of resale during the restricted period (as defined in United States Treasury Regulations Section 1.163-5(c)(2)(i)(D)(7)). A financial institution described in clause (iii) of the preceding sentence (whether or not also described in clause (i) or (ii)) must certify that it has not acquired the Note for purposes of resale directly or indirectly to a United States person or to a person within the United States or its possessions. An Owner Tax Certification may be provided in electronic form only if it satisfies the requirements in the Treasury Regulations Section 1.163-5(c)(2)(i)(D)(3)(ii).

Notwithstanding the foregoing, an Owner Tax Certification or a Depository Tax Certification is not required with respect to (i) Notes issued by NFI that have a maturity of one year or less, (ii) Swiss Notes, (iii) Registered Notes issued by NHI, or (iv) Notes issued by NHI that have been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes or (v) Notes issued by NHI that have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in other currency, determined at the spot rate on the date of issue) and, as specified in the applicable Final Terms, are issued in compliance with the requirements of United States Treasury Regulations section 1.6049-5(b)(10).

As described above, prior to the exchange of the Member Organisation's interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes, the Member Organisation must provide a written certification that the beneficial owner is not a U.S. person or that the beneficial owner acquired its interest in a transaction that did not require registration under the Securities Act (an "Owner Securities Certification"). For purposes of the Owner Securities Certification, "U.S. person" shall have the meaning set forth in Section 902(k) of Regulation S.

Payments of principal and interest (if any) on a Permanent Global Note will be made to or to the order of the holder thereof (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) outside the United States and its possessions without any requirement for certification. A Permanent Global Note will be exchangeable in whole or (provided Euroclear and Clearstream, Luxembourg will regard all the Notes of the relevant Series as fungible) in part for definitive Notes with, where applicable, receipts, interest coupons and talons attached upon not less than 60 days' written notice (or, in the case of Notes with a maturity of less than 60 days, within a reasonable period of time) to the Agent from Euroclear and/or Clearstream, Luxembourg (which shall be provided at the request of any beneficial owner of an interest in the Permanent Global Note) or, in the case of a Permanent Global Note held otherwise than on behalf of Euroclear and/or Clearstream, Luxembourg, from the holder thereof (upon the request of any beneficial owner if such person is different from the holder). Permanent Global Notes and definitive Notes will be issued pursuant to the Agency Agreement. At present, neither Euroclear nor Clearstream, Luxembourg regard Notes in global form as fungible with Notes in definitive form. As long as this is the case, it is understood that any holder of a beneficial interest in the Permanent Global Note can cause the exchange of all interests in the Permanent Global Note for definitive Notes.

In the event that a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg (or any part thereof) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and payment in full of the amount due has not been made to the bearer in accordance with the terms thereof and the Conditions, then the global Note will become void. At the same time accountholders with Euroclear and/or Clearstream, Luxembourg having such Notes (other than definitive Notes) credited to their accounts will become entitled to proceed directly against the Issuer, on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg, under the terms of Clause 28 of the Agency Agreement (as defined under "Terms and Conditions of the Notes" below).

Security Codes

Pursuant to the Agency Agreement, the Agent (as so defined) shall, where Notes are held by or on behalf of Euroclear, Clearstream, Luxembourg and/or any other relevant clearing system, arrange

that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned security code numbers by Euroclear, Clearstream, Luxembourg and/or such other relevant clearing system which are different from the security code numbers assigned to Notes of any other Tranche of the same Series until the Exchange Date with respect to the Notes of such Tranche as certified by the Agent to the relevant Dealer.

In addition, the Swiss Agent shall arrange that, where a further Tranche of Swiss Notes is issued which is intended to form a single Series with an existing Tranche of Swiss Notes, the Swiss Notes of such further Tranche shall be assigned a Swiss Securities Number and ISIN which are different from the Swiss Securities Number and ISIN assigned to the Swiss Notes of any other Tranche of the same Series until such time as the further Tranche does form a single Series with the existing Tranche.

Legends

The following legend will appear on all Notes with a maturity of more than one year, other than (x) Registered Notes (as defined below) or (y) Notes issued by NHI that have been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes, and on all receipts, interest coupons and talons relating to such Notes attached thereto:

“Any United States person (as defined by the Internal Revenue Code of the United States) who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code.”

The sections of the U.S. Internal Revenue Code referred to above provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes, receipts or interest coupons.

For United States federal income tax purposes each Temporary Global Note, each Permanent Global Note and each definitive Note issued in bearer form which has an original maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in other currency, determined at the spot rate on the date of issue) and, as specified in the applicable Final Terms, is intended to comply with United States Treasury Regulations section 1.6049-5(b)(10) (or, if the obligation is evidenced by a book entry, appears in the book or record in which the book entry is made) will carry the following legend:

“By accepting this obligation, the holder represents and warrants that it is not a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code of the United States and the regulations thereunder) and that it is not acting for or on behalf of a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code and the regulations thereunder).”

The following legend will appear on each Temporary Global Note and each Permanent Global Note issued by NHI that has been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes:

“This Global Note has been issued exclusively to be held in custody by or for the account of Clearstream, Luxembourg, Euroclear or a common depositary or common safekeeper for Clearstream, Luxembourg or Euroclear and may only be transferred to a successor clearing organisation throughout the life of the Notes.”

Registered Notes

Notes may be issued by NHI in registered form (“Registered Notes”), subject to applicable laws and regulations. Except as described in the following paragraph, each Tranche of Registered Notes issued by NHI will be represented on issue by a registered global Note (each a “Registered Global Note”) which will be (a) if the applicable Final Terms specify the Registered Notes are intended to be held in a manner which would allow Eurosystem eligibility (being the new safekeeping structure (“NSS”)),

deposited on the relevant Issue Date with the Common Safekeeper; or (b) if the applicable Final Terms specify the Registered Notes are not intended to be held in a manner which would allow Eurosystem eligibility, deposited on the relevant Issue Date with a depository or common depository for the agreed clearing system(s). Such Registered Global Note will not be exchangeable for Registered Notes in definitive form except on an Exchange Event (as that term is defined in the Registered Global Note). With respect to each Tranche of Registered Notes, NHI has appointed, under a note agency agreement dated 10 May 2012 (the “Note Agency Agreement”), a registrar and a transfer agent and paying agent and may appoint other or additional transfer agents or paying agents, either generally or in respect of a particular Series of Registered Notes.

Form of Final Terms

The Final Terms applicable to each Tranche of Notes will be in the form as set out on page 70 and will contain such information as is applicable in respect of such Notes (all references to numbered Conditions being to the relevant Conditions in the Terms and Conditions of the relevant Notes).

TERMS AND CONDITIONS OF THE NOTES

The following are the terms and conditions (the “Terms and Conditions”) of the Notes to be issued by an Issuer which will be incorporated by reference into each global Note and which will be endorsed upon each definitive Note (if any). The applicable Final Terms in relation to any Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes.

This Note is one of a Series (as defined below) of Notes issued subject to, and with the benefit of (except in the case of Notes in registered form (“Registered Notes”) issued by Nestlé Holdings, Inc.), an amended and restated Agency Agreement dated 10 May 2012, as further amended and/or supplemented and/or restated from time to time, (the “Agency Agreement”) made between, *inter alia*, the Issuer, Nestlé S.A. as guarantor (the “Guarantor”) in relation to Notes issued by Nestlé Finance International Ltd. and guaranteed Notes issued by Nestlé Holdings, Inc., Citibank, N.A., London Branch as issuing and principal paying agent and, if so specified in the applicable Final Terms, as calculation agent (the “Agent”, which expression shall include any successor agent or any other calculation agent specified in the applicable Final Terms) in respect of all Notes other than Notes which will be listed on the SIX Swiss Exchange (“SIX”) only and/or denominated in Swiss Francs (together the “Swiss Notes”) and the other paying agents named therein (together with the Agent and the “Paying Agents”, which expression shall include any additional or successor paying agents).

Registered Notes issued by Nestlé Holdings, Inc. are issued subject to, and with the benefit of, a note agency agreement dated 10 May 2012 (the “Note Agency Agreement”) and made between Nestlé Holdings, Inc. as Issuer, Citigroup Global Markets Deutschland AG as registrar and transfer agent (the “Registrar”, which expression shall include any successor registrar) and Citibank, N.A., London Branch as transfer agent and paying agent (the “Transfer Agent”, which expression shall include any additional or successor transfer agent or paying agent appointed for Registered Notes).

References in these Terms and Conditions to the “Issuer” shall be references to the party specified as such in the applicable Final Terms (as defined below). References herein to the “Notes” shall be references to the Notes of this Series (as defined below) and shall mean (i) in relation to any Notes represented by a global Note, units of the lowest Specified Denomination in the Specified Currency of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a temporary global Note, a permanent global Note, a global Swiss Note or a global Registered Note; and (iii) any global Note.

If this Note is a Swiss Note, the Swiss issuing and paying agent (the “Swiss Agent”) named in the applicable Final Terms and the other Swiss paying agents named therein will act as Agent and Paying Agents, respectively, in respect of this Note and the expressions “Agent” and “Paying Agents” shall be construed accordingly.

Interest bearing definitive Notes in bearer form (unless otherwise indicated in the applicable Final Terms) have interest coupons (“Coupons”) and, if indicated in the applicable Final Terms, talons for further Coupons (“Talons”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Notes repayable in instalments have receipts (“Receipts”) for the payment of the instalments of principal (other than the final instalment) attached on issue.

Any reference herein to “Noteholders” shall mean the holders of the Notes, and shall, in relation to any Notes represented by a global Note held on behalf of Euroclear Bank S.A./N.V. (“Euroclear”) and/or Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”) and/or SIX SIS AG, Olten, Switzerland (“SIS”), be construed as provided below. Any reference herein to “Receiptholders” shall mean the holders of the Receipts and any reference herein to “Couponholders” shall mean the holders of the Coupons, and shall, unless the context otherwise requires, include the holders of the Talons.

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or SIS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system

approved by the Issuer, the Guarantor (if applicable) and the Agent and specified in the applicable Final Terms.

Any reference herein to “guaranteed Notes issued by Nestlé Holdings, Inc.” and any related expression is a reference to Notes issued by Nestlé Holdings, Inc. which are guaranteed by Nestlé S.A.

The Final Terms applicable to this Note are attached hereto or endorsed hereon and supplement these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References herein to the “applicable Final Terms” are to the Final Terms attached hereto or endorsed hereon.

As used herein, “Series” means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date, the amount and the date of the first payment of interest thereon and/or the Issue Price (as indicated in the applicable Final Terms)) are identical (including Maturity Date, Interest Basis, Redemption/Payment Basis and Interest Payment Dates (if any) and whether or not the Notes are admitted to trading). As used herein, “Tranche” means all Notes of the same Series with the same Issue Date and Interest Commencement Date (if applicable).

Copies of the Agency Agreement are available at the specified offices of the Agent and each of the other Paying Agents. Copies of the Note Agency Agreement (if the Notes are Registered Notes) are available for inspection by holders of Registered Notes at the specified offices of the Registrar and the Transfer Agent. Copies of the Final Terms are available for viewing on the Nestlé Group investor relations website at www.nestle.com/investors. Copies are also expected to be published on the Regulatory News Service of the London Stock Exchange. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Final Terms, which are binding on them. The holders of Registered Notes are deemed to have notice of the Note Agency Agreement, which is binding on them.

Words and expressions defined in the Agency Agreement or (if the Note is a Registered Note) in the Note Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

A global Note may be exchanged in whole or, in certain circumstances, in part for definitive Notes upon request by any holder of an interest therein in accordance with these Terms and Conditions, the provisions of the relevant global Note and as specified in the applicable Final Terms.

1. Form, Denomination, Title and Transfer

The Notes may be issued in bearer form (“Bearer Notes”) or, in respect of Notes issued by Nestlé Holdings, Inc., in bearer or registered form, as set out in the applicable Final Terms and, in the case of definitive Bearer Notes, serially numbered, in the Specified Currency and the Specified Denomination(s) specified in the applicable Final Terms; provided that, Bearer Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued by Nestlé Holdings, Inc., unless the relevant global Bearer Note has been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes.

Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

The global Swiss Note representing Swiss Notes (the “Swiss Global Note”) will be deposited with SIS or any such other intermediary recognised by the SIX (the “Intermediary”) as part of an arrangement that results in the issuance of a debt obligation that is treated as issued in registered form for United States federal tax purposes. Once the Swiss Global Note has been deposited with the Intermediary and the relevant interests in the Swiss Notes entered into the accounts of one or more participants of such Intermediary, the Swiss Notes represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (“Intermediated Securities”).

Each holder of Swiss Notes shall be the beneficial owner of a quotal co-ownership interest (*Miteigentumsanteil*) in the Swiss Global Note to the extent of his claims against the Issuer, provided that for so long as the Swiss Global Note remains deposited with the Intermediary, the co-ownership interest shall be suspended. In accordance with the regulations of the SIX, owners of quotal co-ownership interests in the Swiss Global Note do not have the right to request the printing and delivery of Swiss Notes in definitive form (“Swiss Definitive Notes” (*Wertpapiere*)).

Each Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Each Note may be an Index Linked Redemption Note, a Dual Currency Note, a Partly Paid Note or an Instalment Note or a combination of any of the foregoing or any other type of Note, depending upon the Redemption/Payment Basis shown in the applicable Final Terms.

Bearer Notes in definitive form are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery. The holder of each Coupon or Receipt, whether or not such Coupon or Receipt is attached to the Note, in his capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. Subject as set out below, the Issuer, the Guarantor (if applicable) and any Paying Agent may deem and treat the bearer of any Bearer Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice to the contrary, including any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Bearer Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor (if applicable), any Paying Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose the bearer of the relevant global Bearer Note or registered holder of the global Registered Note shall be treated by the Issuer, the Guarantor (if applicable) and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

In the case of Swiss Notes represented by a Swiss Global Note, the records of the Intermediary will determine the nominal amount of Swiss Notes represented by that Swiss Global Note and held by or through each participant in the Intermediary. The holders of such Swiss Notes will be the persons for the time being shown in the records of any custodian (*Verwahrungsstelle*) as holding the relevant nominal amount of such Swiss Notes in a securities account (*Effektenkonto*) with such custodian (*Verwahrungsstelle*) which is in their name (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

No physical delivery of the Swiss Notes represented by a Swiss Global Note shall be made unless and until Swiss Definitive Notes shall have been printed. The Swiss Global Note will be exchangeable for Swiss Notes in the form of Swiss Definitive Notes in whole but not in part, only if the Swiss Agent should, after consultation with the Issuer, deem the printing of Swiss Definitive Notes to be necessary or useful or if the presentation of Swiss Definitive Notes is required by Swiss or other applicable laws and regulations in connection with the enforcement rights of holders of Swiss Notes. Should the Swiss Agent so determine, it shall provide for the printing of Swiss Definitive Notes without cost to the holders of the Swiss Notes. Holders of Swiss Notes will not have the right to request delivery of Swiss Definitive Notes. If printed, Swiss Definitive Notes will be issued and delivered exclusively in registered form for United States federal tax purposes whereby, *inter alia*, title will pass exclusively upon due endorsement in a register (the “Swiss Register”) to be established and maintained by a

registrar (the “Swiss Registrar”) appointed by the Issuer and acting on its behalf after consultation with the Swiss Agent. The appointment of the Swiss Registrar will be made pursuant to a supplemental Swiss Definitive Note agency agreement, which shall be entered into by the Issuer, the Guarantor (if the Swiss Notes are guaranteed), the Swiss Agent and the Swiss Registrar (the “Supplemental Swiss Definitive Note Agency Agreement”) on any issue and delivery of Swiss Definitive Notes. Any issue and delivery of Swiss Definitive Notes will be duly notified to the holders of the Swiss Notes in accordance with Condition 14. In no circumstances will Swiss Definitive Notes be issued and delivered in bearer form. If issued and delivered, Swiss Definitive Notes will be issued to each holder of the relevant Swiss Notes in respect of its registered holding of such Swiss Notes. If Swiss Definitive Notes are issued and delivered, the Swiss Global Note will immediately be cancelled by the Swiss Agent and the relevant holders registered in the Swiss Register against cancellation of the relevant Swiss Notes in such holders securities account. Swiss Definitive Notes shall not be deposited with the Intermediary and, therefore shall not constitute Intermediated Securities. Any transfer of Swiss Definitive Notes will only occur upon presentation of the relevant Swiss Definitive Note at the specified office of the Swiss Registrar or the Swiss Agent with the form of transfer on the back duly completed and signed. No transfer of a Swiss Definitive Note will be valid unless and until entered into the Swiss Register. The Swiss Definitive Notes must be (i) presented by the holder registered in the Swiss Register at the offices of the Swiss Agent in order to receive any payment of interest in respect of the Swiss Notes and (ii) presented and surrendered by the holder registered in the Swiss Register at the offices of the Swiss Agent in order to receive any payment of principal in respect of the Swiss Notes.

Notes which are represented by a global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg or of SIS, as the case may be. In the case of Swiss Notes represented by a Swiss Global Note, for so long as the Swiss Global Note remains deposited with the Intermediary such Swiss Notes may only be transferred by the entry of the transferred Swiss Note in a securities account of the transferee.

Title to Registered Notes passes on due endorsement in the relevant register which Nestlé Holdings, Inc. shall procure to be kept by the Registrar.

Subject as set out above, except as ordered by a court of competent jurisdiction or as required by law, the registered holder of any Registered Note or Swiss Definitive Note shall be deemed to be and may be treated as the absolute owner of such Registered Note or such Swiss Definitive Note (as the case may be) for all purposes, whether or not such Registered Note or such Swiss Definitive Note (as the case may be) shall be overdue and notwithstanding any notice of ownership, theft or loss thereof or any writing thereon made by anyone and no person shall be liable for so treating such registered holder (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Provisions relating to the transfer of Registered Notes issued by Nestlé Holdings, Inc. are set out in the relevant Registered Note and the Note Agency Agreement. Provisions relating to the transfer of Swiss Definitive Notes shall be set out in the Supplemental Swiss Definitive Note Agency Agreement.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, except in relation to Bearer Notes in new global note (“NGN”) form or Registered Notes intended to be held in a manner which would allow Eurosystem eligibility (being the new safekeeping structure (“NSS”) and hereinafter referred to as “held under the NSS”), be deemed to include a reference to any additional or alternative clearing system approved by the Issuer, the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent and, in the case of Notes admitted to the Official List and admitted to trading on the London Stock Exchange’s Regulated Market, the UK Listing Authority.

2. Status of the Notes and Guarantee

- (a) The Notes and any relative Receipts and Coupons are direct, unconditional, unsecured (subject to the provisions of Condition 3) and unsubordinated obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and equally with all other unsecured and unsubordinated obligations of the Issuer from time to time outstanding (other than obligations mandatorily preferred by law).

- (b) If the Issuer is Nestlé Finance International Ltd., the payment of the principal and interest in respect of each Note has been unconditionally and irrevocably guaranteed by the Guarantor pursuant to the Guarantee dated the Issue Date (the “Guarantee”) which has been deposited for the benefit of the Noteholders, Receiptholders and Couponholders with the Agent. If the Issuer is Nestlé Holdings, Inc., the payment of principal and interest in respect of each Note will, if so stated in the applicable Final Terms but not otherwise, have been unconditionally and irrevocably guaranteed by the Guarantor pursuant to the Guarantee dated the Issue Date (also the “Guarantee”) which has been deposited for the benefit of the Noteholders, Receiptholders and Couponholders with the Agent. Each Guarantee will be in the form (subject to completion) scheduled to the Agency Agreement.

3. Negative Pledge

So long as any of the Notes remain outstanding:

- (a) the Issuer will procure that, provided that security upon its assets is neither mandatory pursuant to applicable laws nor required as a prerequisite for governmental approvals, no Relevant Indebtedness (as defined below) now or hereafter existing of the Issuer and no guarantee or indemnity by the Issuer of any Relevant Indebtedness of any Subsidiary (as defined below) of the Issuer will be secured by any mortgage, charge, lien, pledge or other security interest upon, or with respect to, the whole or any part of the present or future revenues or assets of the Issuer unless in any such case the Issuer shall, simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable under the Notes are secured by such security interest equally and rateably or such other security interest is provided for such amounts as is not materially less beneficial to the interests of the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders; and
- (b) where the issue of the Notes by the Issuer is guaranteed by the Guarantor, the Guarantor will procure that, provided that security upon its assets is neither mandatory pursuant to applicable laws nor required as a prerequisite for governmental approvals, no Relevant Indebtedness now or hereafter existing of the Guarantor and no guarantee or indemnity by the Guarantor of any Relevant Indebtedness of the Issuer or any Subsidiary of the Issuer will be secured by any mortgage, charge, lien, pledge or other security interest upon, or with respect to, the whole or any part of the present or future revenues or assets of the Guarantor unless in any such case the Guarantor shall, simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable under the Guarantee are secured by such security interest equally and rateably or such other security interest is provided for such amounts as is not materially less beneficial to the interests of the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders, provided that in the event of a merger, amalgamation or consolidation of the Guarantor with another company the provisions of this Condition 3(b) shall not apply with regard to any security in respect of any Relevant Indebtedness over the assets of that other company which security exists at the time of such merger, amalgamation or consolidation (other than any such security created in contemplation thereof) and any such security thereafter created by the resulting or surviving entity in substitution for the aforesaid security over assets the value of which does not materially exceed the current value of the assets subject to such security immediately prior to such merger, amalgamation or consolidation.

For the purposes of this Condition 3, “Relevant Indebtedness” means any indebtedness now or hereafter existing which is in the form of or represented or evidenced by any bonds, notes or other securities which, in any such case, are or are capable of being listed on any recognised stock exchange and “Subsidiary” means any company of which the Issuer shall own more than 50 per cent. of the outstanding voting stock of such company.

4. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms (or the Issue Date, if no Interest Commencement Date is

separately specified) to (but excluding) the Maturity Date specified in the applicable Final Terms at the rate(s) per annum equal to the Rate(s) of Interest so specified. Interest will be payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date so specified if that does not fall on an Interest Payment Date. If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount as specified in the applicable Final Terms. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date or the Issue Date, as the case may be) to (but excluding) the next (or first) Interest Payment Date or Maturity Date.

Unless specified otherwise in the applicable Final Terms, the “Following Business Day Convention” will apply to the payment of all Fixed Rate Notes, meaning that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due. If the “Modified Following Business Day Convention” is specified in the applicable Final Terms for any Fixed Rate Note, it shall mean that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due unless it would thereby fall into the next calendar month in which event the full amount of payment shall be made on the immediately preceding Business Day as if made on the day such payment was due. Unless specified otherwise in the applicable Final Terms, the amount of interest due shall not be changed if payment is made on a day other than an Interest Payment Date or the Maturity Date as a result of the application of a Business Day Convention specified above or other Business Day Convention specified in the applicable Final Terms.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Fixed Day Count Fraction (as specified in the applicable Final Terms) and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Terms and Conditions, “Fixed Day Count Fraction” means (unless specified otherwise in the applicable Final Terms):

- (i) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period (as defined below) during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the

applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; or

- (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
- (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next scheduled Interest Payment Date or the Maturity Date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360 and, in the case of an incomplete month, the number of days elapsed; and

“Determination Period” means each period from (and including) a Determination Date (as specified in the applicable Final Terms) to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Index Linked Interest Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms (or the Issue Date, if no Interest Commencement Date is separately specified) and, unless specified otherwise in the applicable Final Terms, at the rate equal to the Rate of Interest payable in arrear on the Maturity Date and on either:

- (A) the Specified Interest Payment Date(s) (each, together with the Maturity Date, an “Interest Payment Date”) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with the Maturity Date, an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date or Issue Date, as applicable.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month on which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day (as defined below), then, if the Business Day Convention specified is:

- (1) in any case where a Specified Period is specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below in this sub-paragraph (1) shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls within the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, “Business Day” means (unless otherwise stated in the applicable Final Terms) a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each place as is specified in the applicable Final Terms (each an “Additional Business Centre”); and
 - (B) (1) in relation to any sum payable in a Specified Currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System or any successor thereto (the “TARGET2 System”) is open; or (3) in relation to any sum payable in Renminbi, a day (other than a Saturday, Sunday or public holiday) on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments in Hong Kong. Unless otherwise provided in the applicable Final Terms, the principal financial centre of any country for the purpose of these Terms and Conditions shall be as provided in the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc.) as supplemented, amended and updated as of the first Issue Date of the Notes of the relevant Series (the “ISDA Definitions”) (except if the Specified Currency is Australian dollars or New Zealand dollars the principal financial centre shall be Sydney and Auckland, respectively).
- (ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(iii) ISDA Determination

Unless specified otherwise in the applicable Final Terms, where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any) as determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms). For the purposes of this sub-paragraph (iii) unless specified otherwise in the applicable Final Terms, “ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any)” for an Interest Period means a rate equal to the Floating Rate that would be determined under an interest rate swap transaction under the terms of an agreement (regardless of any event of default or termination event thereunder) incorporating the ISDA Definitions with the holder of the relevant Note under which:

- (A) the manner in which the Rate of Interest is to be determined is the “Floating Rate Option” as specified in the applicable Final Terms;
- (B) the Issuer is the “Floating Rate Payer”;
- (C) the Agent or other person specified in the applicable Final Terms is the “Calculation Agent”;
- (D) the Interest Commencement Date is the “Effective Date”;
- (E) the Aggregate Nominal Amount of Notes is the “Notional Amount”;
- (F) the relevant Interest Period is the “Designated Maturity” as specified in the applicable Final Terms;
- (G) the Interest Payment Dates are the “Floating Rate Payer Payment Dates”;
- (H) the Margin is the “Spread”;
- (I) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“LIBOR”) or on the Euro-zone inter-bank offered rate (“EURIBOR”) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms; and
- (J) all other terms are as specified in the applicable Final Terms.

When this sub-paragraph (iii) applies, unless specified otherwise in the applicable Final Terms with respect to each relevant Interest Payment Date:

- (A) the amount of interest determined for such Interest Payment Date shall be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though calculated under sub-paragraph (vi) below; and
- (B) (i) “Floating Rate”, “Floating Rate Option”, “Floating Rate Payer”, “Effective Date”, “Notional Amount”, “Floating Rate Payer Payment Dates”, “Spread”, “Calculation Agent”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions; and (ii) “Euro-zone” means the region comprised of the Member States of the European Union that adopt the single currency in accordance with the Treaty on the Functioning of the European Union, as amended).

(iv) Screen Rate Determination for Floating Rate Notes

Unless specified otherwise in the applicable Final Terms, where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the quotation (if there is only one quotation on the Relevant Screen Page); or

- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate (as specified in the applicable Final Terms) for deposits in the Specified Currency for that Interest Period which appears or appear, as the case may be, on the Relevant Screen Page (as specified in the applicable Final Terms) as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date (as defined below) in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms). Unless specified otherwise in the applicable Final Terms, if five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent (or such other Calculation Agent specified in the applicable Final Terms) for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes or Indexed Linked Interest Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

- (v) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

- (vi) Determination of Rate of Interest and Calculation of Interest Amounts

The Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes represented by such global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction (as specified in the applicable Final Terms) and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention or as specified in the applicable Final Terms. Without prejudice to subparagraph (viii) below, the determination of the Rate of Interest and calculation of each Interest Amount by the Agent (or the Calculation Agent specified in the applicable Final Terms if the Agent is not the Calculation Agent) shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on all parties. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in

respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“Day Count Fraction” means, unless specified otherwise in the applicable Final Terms, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (D) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30; and

- (G) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366.

(vii) Notification of Rate of Interest and Interest Amount

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor (if applicable), the other Paying Agents, the Registrar and the Transfer Agent (in the case of Registered Notes) and any stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being admitted to trading and listed and will cause notice thereof to be published or given in accordance with Condition 14 as soon as possible after their determination but in no event later than the earlier of the fourth London Business Day thereafter or the first Business Day of each Interest Period. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without publication as aforesaid or prior notice in the event of an extension or shortening of the Interest Period in accordance

with the provisions hereof. Any such amendment or alternative arrangements will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being admitted to trading or listing. For the purposes of this paragraph, the expression “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(viii) **Certificates to be Final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or other Calculation Agent, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the case of Registered Notes) the Registrar and the Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Guarantor (if applicable), the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) ***Index Linked Interest Notes, Index Linked Redemption Notes and Dual Currency Notes***

In the case of Index Linked Interest Notes, Index Linked Redemption Notes or Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an index and/or a formula or, as the case may be, an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(d) ***Partly Paid Notes***

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) ***Accrual of Interest***

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note to be redeemed) will cease to bear interest (if any) from the date scheduled for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the rate of interest then applicable or at such other rate as may be specified in the applicable Final Terms until the earlier of (i) the day on which, upon due presentation or surrender of such Note (if required), the relevant payment is made; and (ii) the seventh day after the date on which the Agent or (in the case of Registered Notes) the Registrar or the Transfer Agent having received the funds required to make such payment, notice is given to the Noteholders in accordance with Condition 14 of that circumstance (except to the extent that there is failure in the subsequent payment thereof to the relevant Noteholders).

5. Payments

(a) ***Method of Payment***

Subject as provided below:

- (i) payments in a Specified Currency other than euro, U.S. dollars or Renminbi, will be made by transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) unless specified otherwise in the applicable Final Terms; provided that, if the Specified Currency is Australian dollars, payments will be made outside the Commonwealth of Australia by Australian dollar cheque drawn on, or by transfer to an Australian dollar account maintained by the payee with, a bank outside Australia;

- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (iii) payment in U.S. dollars, except as provided by Condition 5(d), shall be made to a U.S. dollar account outside the United States specified by the payee; and
- (iv) payment in Renminbi shall be made to a Renminbi account maintained by or on behalf of the payee with a bank in Hong Kong in accordance with applicable laws, rules, regulations and guidelines issued from time to time (including all applicable laws and regulations with respect to settlement in Renminbi in Hong Kong).

Without prejudice to the provisions of Condition 7, payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction and (ii) any withholding required pursuant to sections 1471 through to 1474 of the U.S. Internal Revenue Code of 1986, as amended (including any regulations or official interpretations issued with respect thereto or any agreement entered into by any person with the IRS pursuant to such provisions) (the “Code”), unless otherwise specified in the applicable Final Terms.

(b) Presentation of Notes, Receipts and Coupons – Bearer Notes

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the Specified Currency in the manner provided in Condition 5(a) above only against surrender of such Definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against surrender of Coupons, in each case at the specified office of any Paying Agent outside the United States. Payments under Condition 5(a) above made, at the option of the bearer of such Note or Coupon, by cheque shall be mailed or delivered to an address outside the United States furnished by such bearer. Subject to any applicable laws and regulations, such payments made by transfer will be made in immediately available funds to an account maintained by the payee with a bank located outside the United States. No payment in respect of any Definitive Note or Coupon will be made upon presentation of such definitive Note or Coupon at any office or agency of the Issuer, the Guarantor (if applicable) or any Paying Agent in the United States, nor will any such payment be made by transfer to an account, or by mail to an address, in the United States.

Payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made against presentation and surrender of the relevant Receipt. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes and Index Linked Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Unless otherwise specified in the applicable Final Terms, each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note or Index Linked Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date or Issue Date (as applicable) shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant global Note, where applicable against presentation or surrender, as the case may be, of such global Note, if the global Note is not issued in NGN form or held under the NSS, at the specified office of any Paying Agent located outside the United States except as provided below. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(c) *Presentation and Surrender of Notes – Registered Notes*

Provisions in relation to payments of principal and interest in respect of Registered Notes will be set out in the relevant global Registered Note or definitive Registered Note and as otherwise set out in these Terms and Conditions. Interest (which for the purpose of this Condition 5(c) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register on the Record Date, and “Record Date” means, in the case of global Registered Notes, at the close of business on the relevant clearing system business day before the due date for payment thereof or, in the case of Registered Notes in definitive form, at close of business on the fifteenth day before the due date for payment thereof.

(d) *Global Notes (other than Swiss Global Notes)*

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer or, as the case may be, the Guarantor (if applicable) will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor (if applicable) to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer or, as the case may be, the Guarantor (if applicable) in respect of any payments due on that global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and/or interest in respect of the Notes denominated in U.S. dollars will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer and (if applicable) the Guarantor have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and (if applicable) the Guarantor, adverse tax consequences to the Issuer or the Guarantor (if applicable).

(e) Swiss Notes

Payments in respect of Swiss Notes will be made irrespective of any present or future transfer restrictions and without regard to any bilateral or multilateral payment or clearing agreement which may be applicable at the time of such payments. The receipt by the Swiss Agent of the due and punctual payment of funds in Swiss Francs shall release the Issuer from its obligations under such Swiss Notes (and any Receipts and Coupons appertaining to them) for the payment of principal and interest to the extent of such payment, except to the extent that there is a default in the subsequent payment thereof to the holders of the Notes (and any Coupons and Receipts appertaining to them). Except to the extent required by law, payment of principal and/or interest under such Swiss Notes (and any Receipts and Coupons appertaining to them) shall be payable in Swiss Francs without collection costs in Switzerland at the specified offices located in Switzerland of the Swiss Paying Agents upon their surrender without any restrictions and whatever the circumstances may be, irrespective of nationality, domicile or residence of the holders of such Swiss Notes (and any Coupons and Receipts appertaining to them) and without requiring any certification, affidavit or the fulfilment of any other formality.

(f) Payment Day

Unless specified otherwise in the applicable Final Terms, if the due date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, unless otherwise specified in the applicable Final Terms, "Payment Day" means any day which (subject to Condition 8) is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation (if presentation is required); and
 - (B) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) (1) in relation to any sum payable in a Specified Currency other than euro or Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open; or (3) in relation to any sum payable in Renminbi, a day on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong.

Notwithstanding anything herein to the contrary, in the case of Notes issued by Nestlé Holdings, Inc., if for any reason any Note with a stated Maturity Date of six months or less from the Issue Date would mature on a day that is not a Payment Day and would thereby be repayable on a date which is six months or more from the Issue Date, it shall be repaid on the last Payment Day that is not later than six months after the Issue Date.

(g) Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;

- (v) in relation to Notes redeemable in instalments, the Instalment Amounts; and
- (vi) any premium and any other amounts which may be payable by the Issuer or (where applicable) the Guarantor under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable under Condition 7.

(h) Payment of U.S. Dollar Equivalent

Notwithstanding any other provisions in these Terms and Conditions, if by reason of Inconvertibility (as defined below), Non-transferability (as defined below) or Illiquidity (as defined below), the Issuer (or the Guarantor, as the case may be) determines in good faith that it is not able, or it would be impracticable for it, to satisfy payments due under the Notes, Receipts or Coupons (or the Guarantee, as the case may be) in Renminbi in Hong Kong, the Issuer or the Guarantor (as applicable) shall settle any such payment in U.S. dollars on the due date for payment at the U.S. Dollar Equivalent of any such Renminbi denominated amount and give notice thereof (including details thereof) as soon as practicable to the Noteholders in accordance with Condition 14.

In such event, payments of the U.S. Dollar Equivalent of the relevant amounts due under the Notes, Receipts or Coupons (or the Guarantee, as the case may be) shall be made in accordance with Condition 5(a)(iii).

In this Condition 5(h):

“Governmental Authority” means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong;

“Illiquidity” means the general Renminbi exchange market in Hong Kong becomes illiquid as a result of which the Issuer (or the Guarantor, as the case may be) cannot obtain sufficient Renminbi in order to satisfy its obligation to make a payment under the Notes, Receipts or Coupons (or the Guarantee);

“Inconvertibility” means the occurrence of any event that makes it impossible for the Issuer (or the Guarantor, as the case may be) to convert into Renminbi any amount due in respect of the Notes, Receipts or Coupons (or the Guarantee) into Renminbi on any payment date in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer (or the Guarantor, as the case may be) to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer (or the Guarantor, as the case may be) due to an event beyond its control, to comply with such law, rule or regulation);

“Non-transferability” means the occurrence of any event that makes it impossible for the Issuer (or the Guarantor, as the case may be) to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong (including where the Renminbi clearing and settlement system for participating banks in Hong Kong is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer (or the Guarantor, as the case may be) to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer (or the Guarantor, as the case may be) due to an event beyond its control, to comply with such law, rule or regulation);

“Rate Determination Business Day” means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, London and New York City;

“Rate Determination Date” means the day which is two Rate Determination Business Days before the due date of the relevant amount under the Notes;

“Spot Rate” means, unless specified otherwise in the applicable Final Terms, the spot CNY/U.S.\$ exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong for settlement in two Rate Determination Business Days, as determined by the Calculation Agent at or around 11.00 a.m. (Hong Kong time) on the Rate Determination Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF. If neither rate is available, the Calculation Agent shall determine the rate taking into consideration all available information which the Calculation Agent deems relevant, including pricing information obtained from the Renminbi non-deliverable exchange market in Hong Kong or elsewhere and the CNY/U.S.\$ exchange rate in the PRC domestic foreign exchange market; and

“U.S. Dollar Equivalent” means the Renminbi amount converted into U.S. dollars using the Spot Rate for the relevant Rate Determination Date.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(h), whether by the Agent or other Calculation Agent, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the case of Registered Notes) the Registrar and the Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Guarantor (if applicable), the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

6. Redemption and Purchase

(a) At Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) Redemption for Tax Reasons

(i) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes or Index Linked Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes or Index Linked Interest Notes), on giving not less than 30 nor more than 60 days’ notice to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

(A) on the occasion of the next payment due under the Notes or (if applicable) the Guarantee, the Issuer or (if applicable) the Guarantor, as the case may be, will be or is expected to become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of the jurisdiction in which the Issuer is incorporated or, in the case of payment by the Guarantor (if applicable), Switzerland or, in either case, any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment is expected to become effective on or after the Issue Date of the first Tranche of the Notes; and

(B) such obligation cannot be avoided by the Issuer or (where applicable) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or (where applicable) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this Condition 6(b), the Issuer shall deliver

to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, a certificate signed by an officer of the Issuer stating that the obligation referred to in (A) above cannot be avoided by the Issuer or (if applicable) the Guarantor taking reasonable measures available to it and the Agent shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in (B) above in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

- (ii) If the Issuer or the Guarantor (if applicable) would, on the next payment in respect of the Notes, be prevented by the law of the jurisdiction in which the Issuer is incorporated or, in the case of payment by the Guarantor (if applicable), Switzerland, from making payment of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7, then the Issuer shall forthwith give notice of such fact to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, and the Issuer shall redeem all, but not some only, of the Notes then outstanding upon giving prior notice to the holders of Notes in accordance with Condition 14, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer or the Guarantor (if applicable), as the case may be, could make payment without withholding or, if that date is past, as soon as practicable thereafter.

Each Note redeemed pursuant to this Condition 6(b) will be redeemed at its Early Redemption Amount referred to in Condition 6(h) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) Final Terms

The Final Terms applicable to the Notes indicates either:

- (i) that the Notes cannot be redeemed prior to their Maturity Date (except as otherwise provided in Condition 6(b) above and in Condition 9); or
- (ii) that such Notes will be redeemable at the option of the Issuer and/or the holders of the Notes prior to such Maturity Date in accordance with the provisions of Condition 6(d) and/or Condition 6(e) below on the date or dates and at the amount or amounts indicated in the applicable Final Terms.

(d) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having (unless otherwise specified in the applicable Final Terms) given not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not greater than the Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a global Note, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published or notified in accordance with Condition 14 not less than 30 days prior to the date fixed for redemption, or such other period as is specified in the applicable Final Terms. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 10 days prior to the Selection Date.

(e) *Redemption at the Option of the Noteholders (Investor Put)*

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 30 nor more than 60 days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of the Note the holder of the Note must, if the Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (other than the Transfer Agent), in the case of Bearer Notes, or the Registrar or Transfer Agent, in the case of Registered Notes, at any time during normal business hours of such Paying Agent or the Registrar or Transfer Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent, or the Registrar or the Transfer Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by the Note or evidence satisfactory to the Paying Agent concerned that such Note will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is represented by a global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the holder of the Note must, within the notice period, give notice to the Agent in the case of Bearer Notes, or the Registrar or the Transfer Agent, in the case of Registered Notes, of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository or, as the case may be, the common safekeeper for them to the Agent, or the Registrar or the Transfer Agent (in the case of Registered Notes) by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

(f) *Redemption on change of ownership of the Issuer*

If Nestle S.A. shall cease to own, directly or indirectly, at least 51 per cent. of the outstanding voting stock or share capital, as the case may be, issued by the Issuer, the Issuer shall give notice to such effect by publication in accordance with Condition 14 within 10 days of the occurrence of such circumstance. Such notice shall state that any Noteholder may cause his Note to be redeemed in whole by duly completing the Redemption Notice on such Note and delivering such Note (together with all unmatured Coupons appertaining thereto or indemnity satisfactory to the Issuer therefor) to the principal office of the Agent or the Paying Agent (other than the Transfer Agent), in the case of Bearer Notes, or the Registrar or the Transfer Agent, in the case of Registered Notes, during the next 30 days commencing from the date of such publication. Each such Note will be redeemed on the fifth Business Day after the end of such 30-day period at its Early Redemption Amount, together (if applicable) with accrued interest to the date fixed for redemption.

The delivery of a Note with a duly completed Redemption Notice thereon shall constitute an irrevocable election on the part of the holder thereof to cause such Note to be redeemed on the date fixed for redemption.

(g) *Early Redemption Amounts*

For the purpose of Conditions 6(b) and (f) above and Condition 9, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Calculation Amount, at the Final Redemption Amount thereof; or

- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Calculation Amount or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the “Amortised Face Amount”) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

“RP” means the Reference Price; and

“AY” means the Accrual Yield expressed as a decimal; and

“y” is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

(h) Instalments

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 6(g) above.

(i) Partly Paid Notes

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise in accordance with the provisions of this Condition 6 and the applicable Final Terms.

(j) Purchases

The Issuer or any of its subsidiaries (other than subsidiaries organised in or under the laws of the United States) may at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts and Coupons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(k) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6(j) above (together with all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold. If any Note is purchased and cancelled without all unmatured Coupons appertaining thereto, the Issuer shall make payment in respect of any such missing Coupon in accordance with Condition 5 as if the relevant Note had remained outstanding for the period to which such Coupon relates.

(l) Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Conditions 6 (a), (b), (d), (e) or (f) above or upon its becoming due and

repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6(g)(iii) above as though the references therein to the date fixed for the redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given in accordance with Condition 14.

- (ii) any holder who is a fiduciary or partnership or other than the sole beneficial owner of the Note or Coupon, but only to the extent that a beneficiary or settlor with respect to such fiduciary or member of such partnership or a beneficial owner of the Note, Receipt or Coupon would not have been entitled to the payment of an additional amount had such beneficiary, settlor, member or beneficial owner been the holder of such Note, Receipt or Coupon;
- (iii) any tax, assessment or governmental charge that would not have been imposed or withheld but for the failure of the holder, if required, to comply with certification, identification or information reporting or any other requirements under United States income tax laws and regulations, without regard to any tax treaty, with respect to the payment, concerning the nationality, residence, identity or connection with the United States of the holder or a beneficial owner of such Note, Receipt or Coupon, if such compliance is required by United States income tax laws and regulations, without regard to any tax treaty, as a precondition to relief or

exemption from such tax, assessment or governmental charge, including in the case of Notes that have a maturity of more than 183 days, failure of the Noteholder, Receiptholder or Couponholder or of the beneficial owner of such Note, Receipt or Coupon, to provide a valid U.S. Internal Revenue Service (“IRS”) Form W-8BEN (or successor or substitute therefor) or other documentation as permitted by official IRS guidance;

- (iv) any tax, assessment or governmental charge that would not have been so imposed or withheld but for the presentation by the holder of such Note, Receipt or Coupon for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

In the event that the Issuer, the Guarantor or any agent of the Issuer or the Guarantor is required by law to make such withholding or deduction, the Issuer or the Guarantor will pay to the extent permitted by law

such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) where the withholding or deduction in question is required by virtue of the Noteholder, Receiptholder or Couponholder having some connection with Luxembourg other than the mere holding of such Note, Receipt or Coupon; or
- (ii) where presentation of the Note, Receipt or Coupon is required, presented for payment more than 30 days after the Relevant Date (as defined in Condition 7(c)) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day (assuming that day to have been a Payment Day (as defined in Condition 5)); or
- (iii) where presentation of the Note, Receipt or Coupon is required, presented for payment at the specified office of a Paying Agent in Luxembourg or in Switzerland; or
- (iv) where the Noteholder, Receiptholder or Couponholder of which would not be liable for such taxes or duties in respect of such Note, Receipt or Coupon by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
- (v) where such withholding or deduction is imposed on a payment to or for an individual or a residual entity within the meaning of the European Council Directive 2003/48/EC and is required to be made pursuant to the European Council Directive 2003/48/EC, including the Swiss Savings Tax Agreement providing for measures equivalent to those set out in the European Council Directive 2003/48/EC, or any law implementing or complying with, or introduced in order to conform to, the Directive or the Swiss Savings Tax Agreement; or
- (vi) any tax required to be withheld or deducted from a payment pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down (I) in the European Council Directive 2003/48/EC or (II) in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the Issuer or Guarantor withhold or deduct tax; and/or

All payments in respect of the Notes by the Guarantor shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“Taxes”) imposed or levied by or on behalf of Switzerland, or any political subdivision of, or any authority in, or of, Switzerland having power to tax, unless the withholding or deduction of the Taxes is required by law. In the event that the Guarantor or any agent of the Guarantor is required by law to make such withholding or deduction, the Guarantor will pay to the extent permitted by law such additional amounts as may be necessary in order that the net amounts received by the Noteholders, Receiptholders and Couponholders after the withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Notes, Receipts or, as the case may be, Coupons in the absence of the withholding or deduction; except that no additional amount shall be payable in relation to any payment in respect of any Note, Receipt or Coupon:

- (i) where the withholding or deduction in question is required by virtue of the Noteholder, Receiptholder or Couponholder having some connection with Switzerland other than the mere holding or ownership of such Note, Receipt or Coupon;

- (ii) where presentation of the Note, Receipt or Coupon is required, presented for payment more than 30 days after the Relevant Date (as defined in Condition 7(c)) except to the extent that a holder would have been entitled to additional amounts on presenting the same for payment on such thirtieth day (assuming that day to have been a Payment Day (as defined in Condition 5));
- (iii) where the Noteholder, Receiptholder or Couponholder of which would be able to avoid such withholding or deduction by making a declaration of non-residence or similar claim for exemption but fails to do so;
- (iv) where such withholding or deduction is imposed on a payment to or for an individual or a residual entity within the meaning of the European Council Directive 2003/48/EC which is required to be made pursuant to the European Council Directive 2003/48/EC, including the Swiss Savings Tax Agreement providing for measures equivalent to those set out in the European Council Directive 2003/48/EC, or any law implementing or complying with, or introduced in order to conform to, the Directive or the Swiss Savings Tax Agreement;

As used herein, the “Relevant Date” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

8. Prescription

Unless provided otherwise in the applicable Final Terms, Notes, Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7(c)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

- (vi) so long as any Swiss Notes remain outstanding, there will at all times be a Paying Agent having a specified office in Switzerland and the Issuer and the Guarantor (if applicable) will at no time maintain a Paying Agent having a specified office outside Switzerland in relation to such Notes.

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In addition, in relation to Registered Notes issued or to be issued by it, Nestlé Holdings, Inc. is entitled to vary or terminate the appointment of any registrar, transfer agent or paying agent and/or appoint additional transfer agents, paying agents and/or approve any change in the specified office through which any such registrar, transfer agent or paying agent acts, provided that there will at all times be a registrar and a paying agent capable of making payments in the Specified Currency and (in the case of global Registered Notes) to the clearing system specified in the applicable Final Terms.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

13. Substitution

The Issuer may be replaced and the Guarantor or any subsidiary of the Guarantor may be substituted for the Issuer as principal debtor in respect of the Notes, Receipts and Coupons, without the consent of the Noteholders, Receiptholders or Couponholders. If the Issuer shall determine that the Guarantor or any such subsidiary shall become the principal debtor (in such capacity, the "Substituted Debtor"), the Issuer shall give not less than 30 nor more than 45 days' notice, in accordance with Condition 14, to the Noteholders of such event and, immediately on the expiry of such notice, the Substituted Debtor shall become the principal debtor in respect of the Notes, Receipts and the Coupons in place of the Issuer and the Noteholders, Receiptholders and the Couponholders shall thereupon cease to have any rights or claims whatsoever against the Issuer. However, no such substitution shall take effect (i) if the Substituted Debtor is not the Guarantor, until the Guarantor shall have entered into an unconditional and irrevocable guarantee substantially in the form of the Guarantee in respect of the obligations of such Substituted Debtor, (ii) in any case, until the Substituted Debtor shall have provided to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, such documents as may be necessary to make the Notes and the Agency Agreement and (in the case of Registered Notes) the Note Agency Agreement) its legal, valid and binding obligations, (iii) until such Substituted Debtor shall have agreed to indemnify each Noteholder, Receiptholder and Couponholder against (a) any tax,

duty, fee or governmental charge which is imposed on such holder by the jurisdiction of the country of its residence for tax purposes and, if different, of its incorporation or any political subdivision or taxing authority thereof or therein with respect to such Note, Receipt or Coupon and which would not have been so imposed had such substitution not been made, (b) any tax, duty, fee or governmental charge imposed on or relating to the act of substitution and (c) any costs or expenses of the act of substitution and (iv) until such Substituted Debtor shall have been approved by the relevant authorities as able to issue the relevant Notes. Upon any such substitution, the Notes, Receipts and Coupons will be modified in all appropriate respects.

14. Notices

All notices regarding the Notes shall be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any Definitive Notes are issued, there may, so long as any global Note is or are held in its or their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspapers the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the third day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg, or on such other day as is specified in the applicable Final Terms.

Notices to holders of Registered Notes in definitive form will be deemed to be validly given if sent by mail to them (or, in the case of joint holders of Registered Notes, to the first-named holder in the register kept by the Registrar) at their respective addresses as recorded in the such register, and will be deemed to have been validly given on the fourth business day after the date of such mailing.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, in the case of Bearer Notes, with the Agent or in the case of Registered Notes, with the Registrar. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to, in the case of Bearer Notes, the Agent or, in the case of Registered Notes, to the Registrar, via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

The holders of Coupons, Receipts or Talons shall be deemed to have received any notice duly given to Noteholders.

Notices in respect of Swiss Notes shall be validly given through the Swiss Agent by means of electronic publication on the internet website of the SIX Swiss Exchange (http://www.six-exchange-regulation.com/index_en.html) under category “Publications”/“Communiqués”).

15. Meetings of Noteholders, Modification and Waiver

The Agency Agreement and, in the case of Registered Notes, the Note Agency Agreement contain provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of certain modifications of the Notes, the Receipts, the Coupons or certain provisions of the Agency Agreement and the Note Agency Agreement (certain provisions of such agreements may not, under existing law, be materially altered). Such a meeting may be convened by the Issuer or Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a

majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, Receipts or Coupons (including modifying the date of maturity of the Notes or any date for payment of interest on the Notes, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, Receipts or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one third, in nominal amount of the Notes for the time being outstanding. The majority required for passing an Extraordinary Resolution is 75 per cent. of the persons voting thereat upon a show of hands or if a poll be duly demanded then by a majority consisting of not less than 75 per cent. of the votes given on such poll. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

No resolution passed at any meeting of Noteholders shall be binding on the Issuer or the Guarantor (if applicable) without the written consent of the Issuer or, as the case may be, the Guarantor.

The Agent and (in the case of Registered Notes) the Registrar, the Issuer and the Guarantor (where applicable) may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Agency Agreement and (in the case of Registered Notes) the Note Agency Agreement, which is not materially prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Terms and Conditions or any provision of the Notes, the Receipts, the Coupons or the Agency Agreement or (in the case of Registered Notes) the Note Agency Agreement, which is to correct a manifest error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes ranking *pari passu* in all respects (or in all respects save for the Issue Date, the amount and the date of the first payment of interest thereon and/or the Issue Price) and so that the same shall be assimilated and be consolidated and form a single series with the outstanding Notes and references in these Terms and Conditions to “Notes” shall be construed accordingly, provided that an issue of such further notes that is not issued in a “qualified reopening” for United States federal income tax purposes will be assigned a new unique security code.

17. Third Party Rights

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

18. Governing Law and Submission to Jurisdiction

The Agency Agreement, the Note Agency Agreement, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law. Articles 86 through 94-8 (inclusive) of the Luxembourg Law of 10 August 1915 concerning Commercial Companies, as amended, shall be expressly excluded.

The Issuer submits for the exclusive benefit of the Noteholders, the Receiptholders and the Couponholders, to the jurisdiction of the English courts for all purposes in connection with the Agency Agreement, the Note Agency Agreement, the Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes, the Receipts and the Coupons and in relation thereto the Issuer has appointed Nestlé UK Ltd at its principal office of St. George's House, Park Lane, Croydon CR9 1NR, England as its agent for receipt of process on its behalf and has agreed that in the event of Nestlé UK Ltd ceasing so to act or ceasing to be registered in England it will appoint another person as its agent for service of process. Without prejudice to the foregoing, the Issuer further irrevocably agrees that any suit, action or proceedings arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes, the Receipts, and the Coupons (including any suit, action or proceedings relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes, the Receipts and the Coupons) may be brought in any other court of competent jurisdiction.

The Guarantee is governed by, and shall be construed in accordance with, Swiss law. The place of jurisdiction for any suit, action or proceeding arising out of or in connection with the Guarantee shall be Vevey, Switzerland.

PRC CURRENCY CONTROLS

The following is a general description of certain currency controls in the PRC and is based on the law and relevant interpretations thereof in effect as at the date of this Prospectus, all of which are subject to change, and does not constitute legal advice. It does not purport to be a complete analysis of all applicable currency controls in the PRC relating to the Notes. Prospective holders of Notes who are in any doubt as to PRC currency controls are advised to consult their own professional advisers.

Remittance of Renminbi into and outside the PRC

The Renminbi is not a freely convertible currency. The remittance of Renminbi into and outside the PRC is subject to controls imposed under PRC law.

Current Account Items

Under PRC foreign exchange control regulations, current account item payments include payments for imports and exports of goods and services, payments of income and current transfers into and outside the PRC.

Prior to July 2009, all current account items were required to be settled in foreign currencies. Since July 2009, the PRC has commenced a scheme pursuant to which Renminbi may be used for settlement of imports and exports of goods between approved pilot enterprises in five designated pilot cities in the PRC being Shanghai, Guangzhou, Dongguan, Shenzhen and Zhuhai and enterprises in designated offshore jurisdictions including Hong Kong and Macau. On 17 June 2010, the PRC government promulgated the Circular on Issues concerning the Expansion of the Scope of the Pilot Program of Renminbi Settlement of Cross-Border Trades (Yin Fa (2010) No. 186) (the “Circular”), pursuant to which (i) Renminbi settlement of imports and exports of goods and of services and other current account items became permissible; (ii) the list of designated pilot districts was expanded over 20 provinces including Beijing, Shanghai, Tianjin, Chongqing, Guangdong, Jiangsu, Zhejiang, Liaoning, Shandong and Sichuan; and (iii) the restriction on designated offshore jurisdictions was lifted. Accordingly, any enterprises in the designated pilot districts and offshore enterprises are entitled to use Renminbi to settle any current account items between them (except in the case of payments for exports of goods from the PRC, such Renminbi remittance may only have been effected by approved pilot enterprises in designated pilot districts in the PRC). In particular, any foreign invested enterprises located in the designated pilot districts may remit all lawful dividends and distribution payments in Renminbi to its foreign investors outside the PRC. The pilot scheme was further extended in August 2011 to cover all provinces in the PRC and to make RMB trade and other current account settlement available in all countries worldwide.

As a new regulation, the Circular will be subject to interpretation and application by the relevant PRC authorities. Local authorities may adopt different practices in applying the Circular and impose conditions for the settlement of current account items.

Capital Account Items

Under PRC foreign exchange control regulations, capital account items include cross-border transfers of capital, direct investments, securities investments, derivative products and loans.

Prior to October 2011, capital account items of foreign invested entities were generally required to be made in foreign currencies. For instance, foreign investors (including any Hong Kong investors) were generally required to make any capital contribution to foreign invested companies in a foreign currency in accordance with the terms set out in the relevant joint venture contracts and/or articles of association as approved by the relevant authorities. Foreign invested enterprises or any other relevant PRC parties were also generally required to make capital account item payments including proceeds from liquidation, transfer of shares and reduction of capital in a foreign currency. That said, the relevant PRC authorities could approve a foreign entity to make a capital contribution or shareholder’s loan to a foreign invested enterprise to service interest and principal repayment to its foreign investor outside the PRC in Renminbi on a trial basis. The foreign invested enterprise could also

be required to complete registration and verification process with the relevant PRC authorities before such RMB remittances.

According to the Circular on Issues concerning Foreign Investment Management promulgated by the Ministry of Commerce of the PRC (“MOFCOM”) (the “MOFCOM Circular”) on 25 February 2011, if a foreign investor intends to make investments by way of (i) establishing a new enterprise, (ii) increasing the registered capital of an existing enterprise, (iii) acquiring an onshore enterprise or (iv) providing a loan in the PRC, in each case, with Renminbi that is generated from cross-border trade settlement that is lawfully obtained outside the PRC, such investments need to be approved by MOFCOM. On 7 April 2011, the State Administration of Foreign Exchange (“SAFE”) promulgated the Circular on Issues Concerning the Capital Account Items in connection with Cross-Border Renminbi (the “SAFE Circular”), which provides that borrowing by an onshore entity of Renminbi loans from an offshore entity shall in principle follow the current regulations on borrowing foreign debts.

On 3 June 2011, PBoC issued the Notice on Relevant Issues Clarifying the Cross-Border Renminbi Business (the “PBoC Notice”), which provided that the pilot programme of foreign direct investment in RMB would be launched on a case by case basis, and approval by the PBoC is required for foreign direct investment in RMB. For industries under restrictions or strictly regulated by the PRC government, foreign direct investment in RMB is prohibited.

On 12 October 2011, MOFCOM promulgated the Circular on Issues in relation to Cross-border RMB Foreign Direct Investment (the “MOFCOM RMB FDI Circular”). In accordance with the MOFCOM RMB FDI Circular, MOFCOM’s prior written consent which was previously required under the MOFCOM Circular, is no longer required for RMB foreign direct investment (“RMB FDI”), and MOFCOM and its local counterparts are authorised to approve RMB FDI in accordance with existing PRC laws and regulations regarding foreign investment, with the following exceptions which require the preliminary approval by the provincial counterpart of MOFCOM and the consent of MOFCOM: (i) RMB FDI with the capital contribution in Renminbi of RMB300 million or more; (ii) RMB FDI in financing guarantee, financing lease, micro financing or auction industries; (iii) RMB FDI in foreign invested investment companies, venture capital or equity investment enterprises; or (iv) RMB FDI in cement, iron & steel, electrolytic aluminium, shipbuilding or other policy sensitive sectors. In addition, RMB FDI in real estate sector is allowed following the existing rules and regulations of foreign investment in real estate, although RMB foreign debt remains unavailable to foreign invested real estate enterprises. The proceeds of RMB FDI may not be used towards investment in securities, financial derivatives or entrustment loans in the PRC, except for investments in PRC domestic listed companies through private placements or share transfers by agreement.

On 13 October 2011, PBoC issued the Measures on Administration of the RMB Settlement in relation to Foreign Direct Investment (“PBoC RMB FDI Measures”), pursuant to which, PBoC special approval for RMB FDI and shareholder loans which is required by the PBoC Notice is no longer necessary. The PBoC RMB FDI Measures provide that, among other things, foreign invested enterprises are required to conduct registrations with the local branch of PBoC within ten working days after obtaining business licenses for the purpose of RMB settlement, a foreign investor is allowed to open a RMB expense account to reimburse some expenses before the establishment of a foreign invested enterprise and the balance in such an account can be transferred to the RMB capital account of such foreign invested enterprise and when it is established, commercial banks can remit a foreign investor’s RMB proceeds from distribution (dividends or otherwise) by its PRC subsidiaries, the foreign investor may open a RMB re-investment account to pool the RMB proceeds, and the PRC parties selling stake in domestic enterprises to foreign investors can open RMB accounts and receive the purchase price in RMB paid by foreign investors. The PBoC RMB FDI Measures also state that the foreign debt quota of a foreign invested enterprise constitutes its RMB debt and foreign currency debt from its offshore shareholders, offshore affiliates and offshore financial institutions, and a foreign invested enterprise may open a RMB account to receive its RMB proceeds borrowed offshore by submitting the RMB loan contract to the commercial bank and make repayments of principal interest on such debt in RMB by submitting certain documents as required to the commercial bank.

As the MOFCOM Circular, the SAFE Circular, the PBoC Notice, the MOFCOM RMB FDI Circular and the PBoC RMB FDI Measures are relatively new circulars, they will be subject to interpretation and application by the relevant PRC authorities.

Further, if any new PRC regulations are promulgated in the future which have the effect of permitting or restricting (as the case may be) the remittance of Renminbi for payment of transactions categorised as capital account items, then such remittances will need to be made subject to the specific requirements or restrictions set out in such rules.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied by the relevant Issuer for its general corporate purposes, and in the case of Notes issued by NFI or guaranteed Notes issued by NHI outside Switzerland unless use in Switzerland is permitted under the Swiss taxation laws in force from time to time without payments in respect of the Notes becoming subject to withholding or deduction for Swiss withholding tax as a consequence of such use of proceeds in Switzerland. If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

^(a) Until 31 December 2010, certain allowances and discounts granted to trade chains, customers, retailers and consumers for trade and consumer promotions, selling, distribution, advertising and other services rendered to the NHI group (consistent with the Nestlé group) were treated as expenses as well as distribution expenses on the grounds that they were incurred to generate revenue. From 1 January 2011, the NHI group (consistent with the Nestlé group) treats these allowances and discounts as a deduction of revenue in conformity with the practice generally adopted by consumer goods companies. The 2010 sales figure has been restated to reflect this change in presentation.

^(b) 2010 figures restated following changes in the Income Statement. Previously, the NHI group (consistent with the Nestlé group) Income Statement included EBIT (Earnings before Interest, Taxes, Restructuring and Impairments) and Profit before interest and taxes. As from 1 January 2011, the “Trading operating profit” included in the Income Statement is after restructuring costs, impairment of all assets except goodwill, litigation and onerous contracts, result on disposal of property, plant and equipment and specific other income and expenses that fall within the control of operating segments. The line “Profit before interest and taxes” is renamed “Operating profit” and is after impairment of goodwill, results on disposals of businesses, acquisition-related costs and other income and expenses that fall beyond the control of operating segments and relate to events such as natural disasters and expropriation of assets.

^(a) Until 31 December 2010, certain allowances and discounts granted to trade chains, customers, retailers and consumers for trade and consumer promotions, selling, distribution, advertising and other services rendered to the Nestlé Group were treated as expenses as well as distribution expenses on the grounds that they were incurred to generate revenue. From 1 January 2011, the Nestlé Group treats these allowances and discounts as a deduction of revenue in conformity with the practice generally adopted by consumer goods companies. The 2010 sales figure has been restated to reflect this change in presentation.

^(b) 2010 figures restated following changes in the Income Statement. Previously, the Nestlé Group Income Statement included EBIT (Earnings before Interest, Taxes, Restructuring and Impairments) and Profit before interest and taxes. As from 1 January 2011, the “Trading operating profit” included in the Income Statement is after restructuring costs, impairment of all assets except goodwill, litigation and onerous contracts, result on disposal of property, plant and equipment and specific other income and expenses that fall within the control of operating segments. The line “Profit before interest and taxes” is renamed “Operating profit” and is after impairment of goodwill, results on disposals of businesses, acquisition-related costs and other income and expenses that fall beyond the control of operating segments and relate to events such as natural disasters and expropriation of assets.

Principal Investments/Principal Future Investments

The Nestlé Group continues to make significant capital investments on a global basis, satisfying the need for capacity, delivering value added innovations, improving quality and safety within its operations, enhancing capabilities and advancing shared value strategies.

2011 was another year of growth for the Nestlé Group, as it has continued to invest in and support winning innovations and business models, to increase its presence in high value-added categories, which are also drivers of future returns.

The Nestlé Group used capital strategically, to accelerate the development of Nestlé Health Science, through three investments in 2011 (the first, the acquisition of Prometheus Laboratories Inc., represented a new investment by Nestlé Health Science in diagnostics and the therapeutic gastrointestinal and oncology business, and the other two investments were made in products targeting specific disorders and diseases), and its business in China with two partnerships, where Nestlé acquired 60 per cent. of both Hsu Fu Chi International Limited (“Hsu Fu Chi”) and Yinlu Foods Group (“Yinlu”). Both businesses have established brands in China. Hsu Fu Chi makes sugar confectionery, packaged snacks and sachima, a traditional Chinese snack. Yinlu’s products are also traditional and include ready-to-drink peanut milk and ready-to-eat canned rice porridge.

On 23 April 2012, the Nestlé Group announced its agreement to acquire Pfizer Nutrition for USD 11.85 billion, a strategic move to enhance its position in global infant nutrition. The acquisition, which is subject to regulatory approval, will complement the Nestlé Group’s existing infant nutrition business to combine established brands like S-26 Gold, SMA and Promil with the Nestlé Group brands such as Nan, Gerber, Lactogen, Nestogen and Cerelac infant cereal.

Whilst the Nestlé Group continues to make ongoing investments, since the date of its last published financial statements, the Group has made no other material investments or firm commitments with respect to material investments in the future.

Newly appointed Board members receive an appropriate introduction into the business and affairs of the Company and the Group. If required, the Nomination Committee arranges for further training. TAXATION

General

The discussion of taxation under the headings “United States”, “United Kingdom”, “Luxembourg” and “Switzerland” in this section is only an indication of certain tax implications under the laws of those jurisdictions as they may affect investors. It applies only to persons who are beneficial owners of Notes and may not apply to certain classes of person (such as dealers). The Issuers and the Guarantor (if applicable) make no representations as to the completeness of the information nor undertake any liability of whatsoever nature for the tax implications for investors. **Potential investors are strongly advised to consult their own professional advisers on the tax implications of investing in Notes.**

United States

The following is a summary based on present law of certain United States federal income tax considerations for a prospective purchaser of Notes issued by NHI. This summary addresses only the tax considerations for an initial Holder of the Notes that acquires Notes on their original issue at their original offering price and that is not a U.S. Person (a “Non-U.S. Holder”). For this purpose, a “U.S. Person” is (i) a citizen or individual resident of the United States, (ii) a corporation, partnership or other entity created or organised in or under the laws of the United States or its political subdivisions, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust subject to the control of a U.S. person and the primary supervision of a U.S. court. This summary also assumes that the Notes will be characterised as debt, rather than as equity, for United States federal tax purposes and that the Notes will be offered, sold and delivered in compliance with and payments on the Notes will be made in accordance with certain required procedures set forth in the Terms and Conditions of the Notes and other relevant documents. Finally, it does not describe any tax consequences arising out of the tax laws of any state, local or foreign jurisdiction. Except for Notes having a maturity of not more than 183 days at issuance, NHI will only be permitted to issue Notes that are treated as issued in registered form for United States federal tax purposes. Notwithstanding the foregoing, NHI may issue Notes represented by a Note in global bearer form that has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes.

Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to and held by a clearing organisation (or by a custodian or depository acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Note except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation), and (iii) holders may obtain definitive Notes in bearer form only upon the occurrence of an Exchange Event.

This summary does not address all tax considerations for a beneficial owner of the Notes and does not address the tax consequences to a Non-U.S. Holder in special circumstances. For example, this summary does not address a Non-U.S. Holder subject to United States federal income tax on a net income basis. It addresses only purchasers that buy in the original offering at the original offering price and hold Notes as capital assets. It does not include a discussion of Index Linked Notes or Floating Rate Notes other than Floating Rate Notes whose rate is based on a conventional interest rate or composite of interest rates. The discussion is a general summary. It is not a substitute for tax advice.

THE STATEMENTS ABOUT UNITED STATES FEDERAL TAX ISSUES ARE MADE TO SUPPORT MARKETING OF THE NOTES. NO TAXPAYER CAN RELY ON THEM TO AVOID TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISOR ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF INVESTING IN THE NOTES UNDER THE LAWS OF THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS AND ANY OTHER JURISDICTION WHERE THE PURCHASER MAY BE SUBJECT TO TAXATION.

U.S. Taxation of Notes

Subject to the discussion below under the heading “—U.S. Information Reporting and Backup Withholding”, interest paid to a Non-U.S. Holder will not be subject to U.S. withholding tax, provided that:

- (i) the Non-U.S. Holder does not actually or constructively own 10 percent or more of the combined voting power of all classes of NHI’s stock entitled to vote;
- (ii) the Non-U.S. Holder is not a controlled foreign corporation as defined in section 957 of the United States Internal Revenue Code of 1986, as amended (the “Code”) that is related to NHI through stock ownership;
- (iii) the Non-U.S. Holder is not a bank described in section 881(c)(3)(A) of the Code; and
- (iv) in the case of Notes with a maturity of more than 183 days, on or before the first payment of interest or principal, the Non-U.S. Holder has provided the Paying Agents with a valid and properly executed U.S. Internal Revenue Service Form W-8 (or successor or substitute therefor) or other appropriate form of certification of non-U.S. status sufficient to establish a basis for exemption under sections 871(h)(2)(B) and 881(c)(2)(B) of the Code or equivalent certification of non-U.S. beneficial ownership has been provided by a qualified intermediary through which such non-U.S. beneficial owner holds the Notes or, if the Notes are issued in compliance with United States Treasury Regulations Section 1.163-5(c)(2)(i)(D) (“TEFRA D rules”) so as to be treated as “foreign targeted registered obligations” (within the meaning of U.S. Treasury Regulation section 1.871-14(e) and IRS Notice 2012-20), each registered owner is a financial institution described in section 871(h)(5) of the Code and has provided such certification of non-U.S. beneficial ownership as may be required from time to time under applicable rules.

If the Non-U.S. Holder is a partnership or trust for United States federal income tax purposes, interest paid to it may be subject to U.S. withholding tax unless all of its partners or beneficiaries can satisfy the conditions for exemption above.

Interest paid to a Non-U.S. Holder will not be subject to U.S. net income tax unless the interest is effectively connected with the Non-U.S. Holder’s conduct of a U.S. trade or business.

Except as described in (v) above and in the following paragraph, a Non-U.S. Holder will not be required to disclose its nationality, residence, or identity to the Issuer, a paying agent, or any U.S. governmental authority in order to receive payment on the Notes from the Issuer or a paying agent outside the United States.

A gain realised by a Non-U.S. Holder on the disposition of a Note will not be subject to U.S. tax unless (i) the gain is effectively connected with such Non-U.S. Holder’s conduct of a U.S. trade or business or (ii) the Holder is an individual present in the United States for at least 183 days during the taxable year of disposition and certain other conditions are met. Notwithstanding the foregoing, in the case of Notes issued after 31 December 2012, payments of interest (including any original issue discount) and premium, if any, made after 31 December 2013 and payments of principal on, as well as the proceeds from the sale, exchange or disposition of, such Notes made after 31 December 2014, generally will be subject to U.S. withholding tax under FATCA unless (i) the Non-U.S. Holder provides the Issuer, any paying agent, U.S. intermediary or any other non-U.S. financial institution intermediary through which it holds the Notes or receives payments on or with respect to such Notes with information necessary to determine whether the investor is a U.S. person or a non-financial, non-U.S. entity with material direct or indirect U.S. ownership and (ii) each non-U.S. financial institution through which such Non-U.S. Holder holds such Notes or receives payments on or with respect to such Notes has entered into an agreement with the U.S. Internal Revenue Service (“IRS”) pursuant to which it agrees, among other responsibilities, to collect and provide to the IRS information about its direct and indirect U.S. accountholders and investors.

U.S. Information Reporting and Backup Withholding

Payments of principal and interest on the Notes generally will not be subject to United States information reporting or backup withholding.

Proceeds from the sale, exchange or other disposition of a Note generally will not be subject to United States information reporting unless the sale is effected through the United States office of a broker or the foreign office of a broker that is a U.S. person, is controlled by U.S. persons or receives most of its income from (or in the case of a partnership, conducts) a business in the United States. Such proceeds will not be subject to United States backup withholding unless the sale is effected through a United States office of a broker. Any amount withheld may be credited against a Holder's United States federal income tax liability or refunded to the extent it exceeds the Holder's liability.

United States withholding tax will be withheld from payments of proceeds from the sale, exchange or other disposition of a Note and interest paid to non-United States persons that receive such payments (i) through non-United States financial institutions that do not report required information relating to United States accounts to United States tax authorities or (ii) directly but themselves fail to comply with new United States reporting requirements.

THE DISCUSSION ABOVE IS A GENERAL SUMMARY. IT DOES NOT COVER ALL TAX MATTERS THAT MAY BE IMPORTANT TO A PARTICULAR INVESTOR. EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS OWN TAX ADVISOR ABOUT THE TAX CONSEQUENCES OF AN INVESTMENT IN THE NOTES UNDER THE INVESTOR'S OWN CIRCUMSTANCES.

United Kingdom

The following is a general description of the UK withholding tax treatment of interest paid on the Notes, based on current law and practice in the UK. It does not deal with any other tax considerations relating to the Notes. It relates to the position of persons who are the absolute beneficial owners of Notes and some aspects may not apply to certain classes of taxpayer. Prospective Noteholders should seek their own professional advice on their tax position having regard to their own particular facts and circumstances.

Payments of interest on the Notes may be made without withholding on account of UK income tax.

Any Paying Agent or other person through whom interest (or, in certain circumstances, amounts payable on the redemption of Notes) is paid or credited to, or by whom interest (or, in certain circumstances, amounts payable on the redemption of Notes) is received on behalf of, an individual (whether resident in the UK or elsewhere) may be required to provide information in relation to the payment and the Noteholder concerned to HM Revenue and Customs ("HMRC"). HMRC may communicate information to the tax authorities of the jurisdiction in which the Noteholder is resident for tax purposes. HMRC published practice indicates that HMRC will not exercise the power to require information to be provided in respect of amounts payable on the redemption of Notes without prior announcement that it intends to exercise this power.

Luxembourg

General

The following information is of a general nature only and is based on the laws in force in Luxembourg as of the date of this Programme. It does not purport to be a comprehensive description of all tax implications that might be relevant to an investment decision. It is included herein solely for preliminary information purposes. It is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should consult their professional advisers with respect to particular circumstances, the effects of state, local or foreign laws to which they may be subject and as to their tax position.

The residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. Also, a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*), as well as personal income tax (*impôt sur le revenu*) generally. Corporate investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

Withholding tax

Resident investors

Under the Luxembourg law of 23 December 2005 (the “Law”), payments of interest or similar income made since 1 January 2006 (but accrued since 1 July 2005) by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management or his/her private wealth.

Further, Luxembourg resident individuals acting in the course of the management of their private wealth who are the beneficial owners of interest payments made by a paying agent established outside Luxembourg in a Member State of the European Union or of the European Economic Area or in a jurisdiction having concluded an agreement with Luxembourg in connection with the European Council Directive 2003/48/EC on taxation of savings income (the “Directive”), may also opt for a final 10 per cent. levy. In such case, the 10 per cent. levy is calculated on the same amounts as for the payments made by Luxembourg resident paying agents. The option for the 10 per cent. levy must cover all interest payments made by the paying agent to the Luxembourg resident beneficial owner during the entire calendar year.

Non-resident investors

Under Luxembourg tax law currently in effect and subject to the application of the Luxembourg laws dated 21 June 2005 (the “Laws”) implementing the Directive and several agreements concluded between Luxembourg and certain dependant territories of the European Union, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident holders of Notes. There is also no Luxembourg withholding tax, upon repayment of the principal or, subject to the application of the Laws, upon redemption or exchange of the Notes.

Under the Laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual or a residual entity in the sense of article 4.2. of the Directive (i.e. an entity without legal personality except for (1) a Finnish *avoin yhtiö* and *kommandiittiyhtiö* / *öppet bolag* and *kommanditbolag* and (2) a Swedish *handelsbolag* and *kommanditbolag*, and whose profits are not taxed under the general arrangements for the business taxation and that is not, or has not opted to be considered as, a UCITS recognised in accordance with Council Directive 85/611/EEC, as replaced by Directive 2009/65/EC (“Residual Entities”), resident or established in another Member State of the European Union unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals or Residual Entities resident in any of the following territories: Aruba, British Virgin Islands, Guernsey, Isle of Man, Jersey, Montserrat and the former Netherlands Antilles (Bonaire, Curaçao, St. Maarten, St. Eustatius and Saba).

The withholding tax rate is currently 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

In each case described here above, responsibility for the withholding of such tax will be assumed by the Luxembourg paying agent.

Income tax

Resident investors - General

Any investor who is a resident of Luxembourg for tax purposes or who has a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, is subject to Luxembourg income tax in respect of the interest paid or accrued on the Notes. Specific exemptions may be available for certain taxpayers benefiting from a particular tax status.

Resident individual investors

A Luxembourg resident individual acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax in respect of interest received, redemption premiums or issue discounts under the Notes, except if a withholding tax has been levied by the Luxembourg paying agent on such payments or, in case of a non-resident paying agent, if such Luxembourg resident individual investor has opted for the levy of a withholding tax, in accordance with the Law.

Under Luxembourg domestic tax law, gains realised upon the sale, disposal or redemption of Notes, which do not constitute Zero Coupon Notes, by a Luxembourg resident individual who acts in the course of the management of his/her private wealth, are not subject to Luxembourg income tax, provided this sale or disposal took place at least six months after the acquisition of the Notes. A Luxembourg resident individual, who acts in the course of the management of his/her private wealth, has further to include the portion of the gain corresponding to accrued but unpaid income in respect of the Notes in his/her taxable income, insofar as the accrued but unpaid interest is indicated separately in an agreement.

A gain realised upon a sale or disposal of Zero Coupon Notes before their maturity by Luxembourg resident individuals acting in the course of the management of their private wealth must be included in their taxable income for Luxembourg income tax assessment purposes.

Interest derived from as well as gains realised upon a sale or disposal, in any form whatsoever, of the Notes by a Luxembourg resident individual holder acting in the course of the management of a professional or business undertaking are subject to Luxembourg income taxes.

Resident corporate investors

Interest derived from as well as gains realised by a Luxembourg resident corporate entity, which is a resident of Luxembourg for tax purposes, on the sale or disposal, in any form whatsoever, of Notes are subject to Luxembourg income taxes.

Luxembourg residents who benefit from a special tax regime, such as, for example, (i) undertakings for collective investment subject to the law of 17 December 2010, (ii) specialised investment funds governed by the amended law of 13 February 2007 or (iii) family wealth management companies governed by the amended law of 11 May 2007 are exempt from income taxes in Luxembourg and thus income derived from the Notes, as well as gains realised thereon, are not subject to Luxembourg income taxes.

Non-resident investors

Non-resident investors, who have neither a permanent establishment nor a permanent representative in Luxembourg to which the Notes are attributable, are not subject to Luxembourg income tax on interest received or accrued on the Notes. A gain realised by such non-resident investor, on the sale or disposal, in any form whatsoever, of Notes is further not subject to Luxembourg income tax.

Non-resident corporate investors or non-resident individual investors acting in the course of the management of a professional or business undertaking, and who have a permanent establishment or a

permanent representative in Luxembourg to which the Notes are attributable, are subject to Luxembourg income tax on interest accrued or received on the Notes and on any gains realised upon the sale or disposal, in any form whatsoever, on the Notes.

Net wealth tax

Luxembourg resident investors or non-resident investors who have a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, are subject to Luxembourg net wealth tax on such Notes, except if the investor is (i) a resident or non-resident individual taxpayer, (ii) an undertaking for collective investment subject to the law of 17 December 2010, (iii) a securitisation company governed by the amended law of 22 March 2004 on securitisation, (iv) a company governed by the amended law of 15 June 2004 on venture capital vehicles, (v) a specialised investment fund subject to the law of 13 February 2007 or (vi) or a family wealth management company governed by the amended law of 11 May 2007.

Other Taxes

The issuance, sale and disposal of the Notes will not be subject to a Luxembourg registration or stamp duty other than a fixed €12 registration duty in case of a voluntary registration.

Under present Luxembourg tax law, where an individual holder of Notes is a resident for inheritance tax purposes of Luxembourg at the time of his/her death, the Notes are included in his or her taxable estate for inheritance tax purposes. Gift tax may be due on a gift or donation of the Notes, if the gift is recorded in a Luxembourg deed.

Switzerland

General

The following information is of a general nature only and is based on the laws in force in Switzerland as of the date of this Prospectus. It does not purport to be a comprehensive description of all tax implications that might be relevant to an investment decision. It is included herein solely for preliminary information purposes. It is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should consult their professional advisers with respect to particular circumstances, the effects of state, local or foreign laws to which they may be subject and as to their tax position.

Withholding Tax

Payments of interest on, and repayment of principal of, the Notes, by the Issuer, or the Guarantor, as the case may be, will not be subject to Swiss withholding tax, even though the Notes are guaranteed by the Guarantor, provided that the Issuer uses the proceeds from the offering and sale of the Notes at all times they are outstanding outside of Switzerland unless their use in Switzerland is permitted under the Swiss taxation laws in force from time to time without payments in respect of the Notes becoming subject to withholding or deduction for Swiss withholding tax as a consequence of such use of proceeds in Switzerland.

Proposed Amendment of Swiss Federal Withholding Tax Act

On 24 August 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent. on any payment of interest in respect of a Note to an individual resident in Switzerland or to a person outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the respective Issuer, nor the Guarantor nor a paying agent nor any other person would pursuant to the Terms and Conditions of the Notes be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax. In respect of Notes that are not Swiss Notes, the relevant Issuer is required to maintain a paying agent (which may be the Agent) in a jurisdiction within Europe other than Switzerland that will not be required to withhold or deduct tax pursuant to laws enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down (i) in the

European Union Council Directive 2003/48/EC or (ii) in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the respective Issuer or the Guarantor withhold or deduct tax.

Swiss federal stamp duty

The issue and the redemption of the Notes by the Issuer will not be subject to Swiss federal stamp duty on the issue of securities, or Swiss federal stamp duty on dealing securities, as the case may be (primary market).

Secondary market dealings in Notes with a maturity in excess of 12 months where a Swiss domestic bank or a Swiss domestic securities dealer (as defined in the Swiss Federal Stamp Duty Act) acts as a party or as an intermediary to the transaction may be subject to Swiss federal stamp duty on dealing in securities at a rate of up to 0.3 per cent. of the purchase price of Notes.

Income Taxation on Principal or Interest

Non-Swiss resident Holders

Under current Swiss law, payments of interest and repayment of principal by the Issuer or, as the case may be, the Guarantor, to a holder of a Note who is a non-resident of Switzerland and who, during the current taxation year, has not engaged in trade or business through a permanent establishment or fixed place within Switzerland to which the Note is attributable and who is not subject to income taxation in Switzerland for any other reason will not be subject to any Swiss federal, cantonal or communal income tax.

Notes held as Private Assets by a Swiss resident Holder

Notes without a "predominant one-time interest payment": Holders of Notes without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time interest payment) who are individuals resident in Switzerland and who receive payments of interest on Notes are required to include such payments in their personal income tax return and will be taxable on any net taxable income (including the payments of interest on the Notes) for the relevant tax period.

Notes with a "predominant one-time interest payment": If the yield-to-maturity of a Note predominantly derives from a one time-interest payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and, in addition, on the sale or redemption of the Note the difference between the value of the embedded bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income in the hands of a Holder of Notes who is an individual resident in Switzerland. A value decrease on the Notes realised on the sale or redemption of the Notes may be offset against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment.

Swiss-resident individual taxpayers who hold Notes as part of Swiss business assets and Swiss-resident corporate taxpayers and corporate taxpayers resident abroad holding Notes as part of a Swiss permanent establishment or a fixed place of business within Switzerland, are required to recognise the payments of interest on Notes in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period.

Income Taxation on Gains on Sales or Redemption

A holder of a Note who is not resident in Switzerland and who, during the taxation year, is not engaged in trade or business through a permanent establishment or fixed place of business within Switzerland to which the Note is attributable and who is not subject to income taxation in Switzerland for any other reason will not be subject to any Swiss federal, cantonal or communal income tax on gains realised during that year on the sale or redemption of a Note.

Holders of Notes residing in Switzerland and who hold the Notes as private assets and who sell or otherwise dispose of the Notes during the taxation year realise, in general, either a tax-free capital gain or a tax-neutral capital loss. See "Income Taxation on Principal and Interest" above for a summary of the tax treatment of a gain or a loss realised on Notes with a "predominant one-time interest payment".

Swiss-resident individual taxpayers holding Notes as part of Swiss business assets and Swiss-resident corporate taxpayers and corporate taxpayers resident abroad holding Notes as part of a Swiss permanent establishment or a fixed place of business within Switzerland are required to recognise capital gains or losses realised on the sale of a Note in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period. The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as "professional securities dealers" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities.

EU Savings Directive

Under European Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest or similar income (similar income for this purpose includes, but is not limited to, payments on redemption of the Notes representing any discount on the issue of the Notes or any premium payable on redemption) paid by a person within its jurisdiction to an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries), deducting tax at a rate of 35 per cent.

A number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State (a withholding system in the case of Switzerland at a rate of 35 per cent. with the option of the individual to have the paying agent in Switzerland provide to the tax authorities of the Member State the details of the interest payments in lieu of the withholding). In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system, or through any non-EU country which has adopted similar measures and has opted for a withholding system, or through certain dependent or associated territories which have adopted similar measures and which have opted for a withholding system, and an amount of, or in respect of, tax were to be withheld from that payment, neither the relevant Issuer nor the Guarantor nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Notes as a result of the imposition of such withholding tax. Each Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated programme agreement dated 10 May 2012 and as amended and/or supplemented and/or restated from time to time (the “Programme Agreement”), agreed with the Issuers and the Guarantor a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes” above.

Set forth below are certain selling restrictions applicable to Notes issued under the Programme. Each Dealer has represented and agreed that it will comply with these restrictions. Each further Dealer appointed under the Programme Agreement will be required to represent and agree to all applicable restrictions.

The following selling restrictions may be modified by the relevant Issuer and the relevant Dealers following a change in the relevant laws or regulations. Any such modification will be set out in the applicable Final Terms issued in respect of the issue to which it is related or in a supplement to the Prospectus.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.
