Notes issued by Nestlé Finance International Ltd. will be unconditionally and irrevocably guaranteed by Nestlé S.A. (the “Guarantor”) as described in “Form of the Guarantee”. This Prospectus supersedes any previous Prospectus issued by the Issuers and the Guarantor.

This Prospectus together with all documents which are deemed to be incorporated herein by reference (see “Documents Incorporated by Reference” on page 41) constitutes a base prospectus (a “Base Prospectus”) for the purposes of Article 5.4 of the Prospectus Directive 2003/71/EC.

The Base Prospectus in respect of Nestlé Holdings, Inc. includes all information contained within this Prospectus together with all documents which are deemed to be incorporated herein by reference, except for any information relating to Nestlé Finance International Ltd., Nestlé Finance International Ltd.’s Annual Financial Reports for the years ended 31 December 2013 and 2012 referred to in paragraph (iii) of “Documents Incorporated by Reference”, the Description of Nestlé Finance International Ltd. and the Selected Financial Information with respect to Nestlé Finance International Ltd. on pages 97 to 100 and the summary thereof contained in the “Summary of the Programme”.

The Base Prospectus in respect of Nestlé Finance International Ltd. includes all information contained within this Prospectus together with all documents which are deemed to be incorporated herein by reference, except for any information relating to Nestlé Holdings, Inc. or Nestlé Holdings, Inc. and its Subsidiaries, the Annual Financial Report of Nestlé Holdings, Inc. and its Subsidiaries for the years ended 31 December 2013 and 2012 referred to in paragraph (iii) of “Documents Incorporated by Reference”, the Description of Nestlé Holdings, Inc. and its Subsidiaries and the Selected Financial Information with respect to Nestlé Holdings, Inc. and its Subsidiaries on pages 92 to 96 and the summary thereof contained in the “Summary of the Programme”.

Each Issuer accepts responsibility for the information contained in its Base Prospectus as described above and the Final Terms for each tranche of Notes issued by it under the Programme. Nestlé S.A. accepts responsibility only for the information contained in this Prospectus together with all documents which are deemed to be incorporated herein by reference, and any Final Terms, insofar as such information relates to itself and the Guarantee described in “Form of the Guarantee”. To the best of the knowledge and belief of Nestlé S.A. Certain issues of Notes under the Programme may benefit from a guarantee given by the Guarantor. The Guarantor’s (and each Issuer’s) senior long term debt obligations have been rated AA (stable) by Standard & Poor’s Credit Market Services France SAS (“Standard & Poor’s”) and Aa2 (stable) by Moody’s France SAS (“Moody’s”). Each of Standard & Poor’s and Moody’s is established in the European Community and is registered under the CRA Regulation.

Notes to be issued under this Programme may be rated or unrated. Where an issue of Notes is rated, such rating will be specified in the applicable Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency. Whether or not each credit rating applied for in relation to a relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009, as amended (the “CRA Regulation”) will be disclosed in the applicable Final Terms.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration has not been refused. Certain information with respect to the credit rating agencies and ratings referred to in this Prospectus and/or the Final Terms will be disclosed in the applicable Final Terms.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes and the issue price of Notes will be set out in a final terms document (the "Final Terms") which, with respect to Notes to be listed on the Official List and to be admitted to trading on the London Stock Exchange's Regulated Market, will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of the Notes of such Tranche.

As used herein, "Series" means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date, the amount, the date of the first payment of interest thereon, and the date from which interest starts to accrue and/or the Issue Price (as indicated in the applicable Final Terms)) are identical (including Maturity Date, Interest Basis, Redemption/Payment Basis and Interest Payment Dates (if any) and whether or not the Notes are admitted to trading). As used herein, "Tranche" means all Notes of the same Series with the same Issue Date and Interest Commencement Date (if applicable).

Nestlé Holdings, Inc., subject to applicable laws and regulations, may agree to issue Notes in registered form ("Registered Notes"), substantially in the form scheduled to the Note Agency Agreement (as defined under "Terms and Conditions of the Notes"). With respect to each Tranche of Registered Notes, Nestlé Holdings, Inc. has appointed a transfer agent and registrar and a paying agent and may appoint other or additional transfer agents and paying agents either generally or in respect of a particular Series of Registered Notes.

Copies of Final Terms will be available for viewing on the Nestlé Group investor relations website at www.nestle.com/investors. Copies are also expected to be published on the website of the London Stock Exchange through a regulatory information service.

IMPORTANT INFORMATION RELATING TO PUBLIC OFFERS OF NOTES

Restrictions on Public Offers of Notes in Relevant Member States

Certain Tranches of Notes with a denomination of less than €100,000 (or its equivalent in any other currency) may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus. Any such offer is referred to as a “Public Offer”. This Prospectus has been prepared on a basis that permits Public Offers of Notes. However, any person making or intending to make a Public Offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”) may only do so if this Prospectus has been approved by the competent authority in that Relevant Member State (or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State) and published in accordance with the Prospectus Directive, provided that the relevant Issuer has consented to the use of its Base Prospectus in connection with such offer as provided under “Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)” and the conditions attached to that consent are complied with by the person making the Public Offer of such Notes.

Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)

In the context of a Public Offer of Notes, each Issuer and the Guarantor (where applicable) accepts responsibility, in each Relevant Member State for which the consent to use its Base Prospectus extends, for the content of its Base Prospectus under section 90 of the Financial Services and Markets Act 2000 (“FSMA”) in relation to any person (an “Investor”) who purchases any Notes in a Public Offer made by any person (an “offeror”) to whom the relevant Issuer has given consent to use its Base Prospectus in that connection, provided that the conditions attached to that consent are complied with by the relevant offeror (an “Authorised Offeror”). The consent and conditions attached to it are set out below.

None of the relevant Issuer, the Guarantor (where applicable) or any Dealer makes any representation as to the compliance by an Authorised Offeror with any applicable conduct of business rules or other applicable regulatory or securities law requirements in relation to any Public Offer and none of the relevant Issuer, the Guarantor (where applicable) or any Dealer has any responsibility or liability for the actions of that Authorised Offeror.

Except in the circumstances set out in the following paragraphs, none of the relevant Issuer, the Guarantor (where applicable) or any Dealer has authorised the making of any Public Offer by any person and the relevant Issuer has not consented to the use of its Base Prospectus by any other person in connection with any Public Offer of Notes. Any Public Offer made without the consent of the relevant Issuer is unauthorised and none of the relevant Issuer, the Guarantor (where applicable) or any Dealer accepts any responsibility or liability for the actions of the persons making any such unauthorised offer. If, in the context of a Public Offer, an Investor is offered Notes by a person who is not an Authorised Offeror, the Investor should check with that person whether anyone is responsible for the relevant Issuer’s Base Prospectus for the purposes of section 90 of the FSMA in the context of the Public Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the relevant Issuer’s Base Prospectus and/or who is responsible for its contents it should take legal advice.

In connection with each Tranche of Notes, and provided that the applicable Final Terms specifies an Offer Period, each Issuer consents to the use of its Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Public Offer of such Notes subject to the following conditions:

- (i) the consent is only valid during the Offer Period so specified;
- (ii) the only offerors authorised to use the relevant Issuer’s Base Prospectus to make the Public Offer of the relevant Tranche of Notes are the relevant Dealer and:
 - (a) if the applicable Final Terms names financial intermediaries authorised to make such Public Offers, the financial intermediaries so named; and/or

- (b) if specified in the applicable Final Terms, any financial intermediary which is authorised to make such offers under the Markets in Financial Instruments Directive and which has been duly appointed directly or indirectly by the relevant Issuer to make such offers, provided that such financial intermediary states on its website (I) that it has been duly appointed as a financial intermediary to offer the relevant Tranche of Notes during the Offer Period; (II) it is relying on the relevant Issuer's Base Prospectus for such Public Offer with the consent of the relevant Issuer; and (III) the conditions attached to that consent;
- (iii) the consent only extends to the use of the relevant Issuer's Base Prospectus to make Public Offers of the relevant Tranche of Notes in each Relevant Member State specified in paragraph 9 of Part B of the applicable Final Terms; and
- (iv) the consent is subject to any other conditions set out in paragraph 9 of Part B of the applicable Final Terms.

Any offeror falling within sub-paragraph (ii)(b) above who meets all of the other conditions stated above and who wishes to use the relevant Issuer's Base Prospectus in connection with a Public Offer is required, for the duration of the relevant Offer Period, to publish on its website (i) that it has been duly appointed as a financial intermediary to offer the relevant Tranche of Notes during the Offer Period, (ii) it is relying on the relevant Issuer's Base Prospectus for such Public Offer with the consent of the relevant Issuer and (iii) the conditions attached to that consent.

The consent referred to above relates to Offer Periods occurring within twelve months from the date of this Prospectus.

The Issuers may request the UK Listing Authority to provide a certificate of approval in accordance with Article 18 of the Prospectus Directive (a "passport") in relation to the passporting of this Prospectus to the competent authorities of Austria, Belgium, Germany, Italy, Luxembourg and the Netherlands (the "Host Member States" and, together with the United Kingdom, the "Public Offer Jurisdictions"). Even if the Issuers passport this Prospectus into the Host Member States, it does not mean that the relevant Issuer will choose to consent to any Public Offer in any Public Offer Jurisdiction. Investors should refer to the Final Terms for any issue of Notes for the Public Offer Jurisdictions the relevant Issuer may have selected as such Notes may only be offered to Investors as part of a Public Offer in the Public Offer Jurisdictions specified in the applicable Final Terms.

AN INVESTOR INTENDING TO ACQUIRE OR ACQUIRING ANY NOTES IN A PUBLIC OFFER FROM AN AUTHORISED OFFEROR WILL DO SO, AND OFFERS AND SALES OF SUCH NOTES TO AN INVESTOR BY SUCH AUTHORISED OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH AUTHORISED OFFEROR AND SUCH INVESTOR INCLUDING AS TO PRICE, ALLOCATIONS, EXPENSES AND SETTLEMENT ARRANGEMENTS. THE RELEVANT ISSUER WILL NOT BE A PARTY TO ANY SUCH TERMS AND ARRANGEMENTS WITH SUCH INVESTORS IN CONNECTION WITH THE PUBLIC OFFER OR SALE OF THE NOTES CONCERNED AND, ACCORDINGLY, THE RELEVANT ISSUER'S BASE PROSPECTUS AND ANY FINAL TERMS WILL NOT CONTAIN SUCH INFORMATION. THE INVESTOR MUST LOOK TO THE RELEVANT AUTHORISED OFFEROR AT THE TIME OF SUCH OFFER FOR THE PROVISION OF SUCH INFORMATION AND THE AUTHORISED OFFEROR WILL BE RESPONSIBLE FOR SUCH INFORMATION. NONE OF THE RELEVANT ISSUER, THE GUARANTOR (WHERE APPLICABLE) OR ANY DEALER (EXCEPT WHERE SUCH DEALER IS THE RELEVANT AUTHORISED OFFEROR) HAS ANY RESPONSIBILITY OR LIABILITY TO AN INVESTOR IN RESPECT OF SUCH INFORMATION.

Save as provided above, no Issuer nor any Dealer has authorised, nor do they authorise, the making of any Public Offer of Notes in circumstances in which an obligation arises for the relevant Issuer or any Dealer to publish or supplement a prospectus for such offer.

IMPORTANT INFORMATION RELATING TO THE USE OF THIS PROSPECTUS AND OFFERS OF NOTES GENERALLY

Notes which are the subject of a Public Offer and/or admitted to trading on a regulated market within the European Economic Area shall be issued with a minimum denomination of €1,000 (or its equivalent in any other currency).

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, Australia, New Zealand, the People's Republic of China ("PRC" (which for the purposes of this Prospectus, excludes the Hong Kong Special Administrative Region of the People's Republic of China, the Macao Special Administrative Region of the People's Republic of China and Taiwan)), Hong Kong, Japan, Singapore and the European Economic Area (including the United Kingdom) (see "Subscription and Sale").

None of the Issuers, the Guarantor (where applicable) or the Dealers represent that this Prospectus or any of the offering material relating to the Programme or any Notes issued thereunder may be lawfully distributed, or that any of the Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material relating to the Programme or any Notes issued thereunder may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see "Subscription and Sale"). Notes in bearer form (other than where the relevant Note in global bearer form has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Note to be treated as issued in registered form for United States federal tax purposes) are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons (as defined in the U.S. Internal Revenue code of 1986, as amended (the "Code") and the U.S. Treasury regulations thereunder). Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued in bearer form by Nestlé Holdings, Inc., except to the extent that the relevant Note in global bearer form has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Note to be treated as issued in registered form for United States federal tax purposes. Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to and held by a clearing organisation (or by a custodian or depository acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Notes except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation), and (iii) holders may obtain definitive Notes in bearer form only upon (x) termination of the clearing organisation's business without a successor, (y) default by Nestlé Holdings, Inc. or (z) at Nestlé Holdings, Inc.'s request upon a change in tax law that would be adverse to Nestlé Holdings, Inc. where such consequences would not be suffered if physical Notes in bearer form were issued.

STATEMENTS IN THIS PROSPECTUS ABOUT U.S. FEDERAL TAX ISSUES ARE MADE TO SUPPORT MARKETING OF THE NOTES. NO TAXPAYER CAN RELY ON THEM TO AVOID U.S. TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISER ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF INVESTING IN THE NOTES UNDER THE LAWS OF THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS

AND ANY OTHER JURISDICTION WHERE THE PURCHASER MAY BE SUBJECT TO TAXATION.

The Consolidated Financial Statements of Nestlé Holdings, Inc. do not comply with U.S. accounting standards and are not meant for distribution in the U.S. or to be used for investment purposes by U.S. investors.

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understands thoroughly the terms of the Notes and is familiar with the behaviour of any relevant indices and financial markets; and
- (v) is able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

SUMMARY OF THE PROGRAMME

Summaries are made up of disclosure requirements known as “Elements”. These Elements are numbered in Sections A-E (A.1-E.7). This summary contains all the Elements required to be included in a summary for the Notes, the Issuers and the Guarantor. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in the summary because of the type of securities, issuers and guarantor, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element is included in the summary with the mention of “not applicable”.

Section A – Introduction and warnings

Element	Title	
A.1	Warning	<p>This summary must be read as an introduction to the Prospectus and the applicable Final Terms. Any decision to invest in any Notes should be based on a consideration of the Prospectus as a whole, including the documents incorporated by reference, and the applicable Final Terms. Where a claim relating to information contained in the Prospectus and the applicable Final Terms is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Prospectus and the applicable Final Terms before the legal proceedings are initiated. No civil liability will attach to an Issuer or the Guarantor in any such Member State solely on the basis of this Summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of the relevant Issuer’s Base Prospectus and the applicable Final Terms or, following the implementation of the relevant provisions of Directive 2010/73/EU in each relevant Member State, it does not provide, when read together with the other parts of the relevant Issuer’s Base Prospectus and the applicable Final Terms, key information (as defined in Article 2.1(s) of the Prospectus Directive 2003/71/EC, as amended) in order to aid investors when considering whether to invest in the Notes.</p>

Section D – Risks

Element	Title	
D.2	<p>Key risks that are specific to the Issuer and the Guarantor</p>	<p>The key risks relating to the relevant Issuer and the Guarantor are set out below:</p> <p>(a) the Group’s sales or margins may be materially adversely affected by competition or an inability to respond to rapid changes in consumer preferences;</p> <p>(b) the Group is vulnerable to brand damage which could result in the loss of revenue associated with the affected brands and higher costs to address these circumstances, including those associated with product recall events;</p> <p>(c) accidental or malicious contamination of raw materials or products in the supply chain may result in loss of products, delay in supply, loss of market shares, financial costs and adverse health effects on consumers or loss of reputation;</p> <p>(d) sourcing raw materials globally exposes the Group to price fluctuations and supply uncertainties which are subject to factors such as commodity market price volatility, currency fluctuations, changes in governmental agricultural programs, harvest and weather conditions, crop disease, crop yields, alternative crops and by-product values. Underlying base material price changes may result in unexpected increases in costs of raw material and packaging, and the Group may be unable to fully reflect these increases by raising prices without suffering reduced volume, revenue and operating income;</p> <p>(e) the Group’s success depends in part on anticipating the tastes and dietary habits of consumers and to offer products that appeal to their preferences;</p> <p>(f) the food industry including the Group is faced with the global challenge of rapidly rising obesity levels; and</p> <p>(g) the Group issues term debt to raise finance and depends on broad access to capital markets and investors. Changes in demand for term debt instruments on capital markets could limit the ability of the Nestlé Group to fund operations. The Guarantor also depends on the willingness of banks to provide the type of credit lines or loans which are used by the Group.</p>
D.3	<p>Key risks that are specific to the Notes</p>	<p>There are also risks associated with the Notes including a range of risks relating to the structure of the Notes, market risks and risks relating to Notes generally including that:</p> <p>(i) changes in prevailing market interest rates could affect the value of the Notes which bear interest at a fixed rate;</p> <p>(ii) Notes may be subject to early redemption, which may limit the market value of the Notes and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return;</p> <p>(iii) Bearer Notes in new global note form and Registered Notes in global form held under the new safekeeping structure may not satisfy Eurosystem eligibility criteria;</p> <p>(iv) Notes denominated in Renminbi are subject to additional risks; Renminbi is not freely convertible or transferable and there are significant restrictions on remittance of Renminbi into and outside the People’s Republic of China (“PRC” (which excludes the Hong Kong Special Administrative Region of the People’s Republic of China, the Macao Special Administrative Region of the People’s Republic of China and Taiwan)) which may adversely affect the liquidity of Notes denominated in Renminbi; there is only limited availability of Renminbi outside the PRC, which may affect the liquidity of such Notes and the Issuer’s ability to source Renminbi outside the PRC to service such Notes; if the Issuer is unable to source Renminbi, it may pay holders of such Notes in U.S. dollars;</p>

Element	Title	
		<p>(vi) the holder of the Notes may not receive payment of the full amounts due in respect of the Notes as a result of amounts being withheld by the Issuer in order to comply with applicable law;</p> <p>(vii) investors are exposed to the risk of changes in law or regulation affecting the value of their Notes;</p> <p>(viii) the value of an investor's investment may be adversely affected by exchange rate movements where the Notes are not denominated in the investor's own currency;</p> <p>(ix) there may be no or only a limited secondary market in the Notes; and</p> <p>(x) any credit rating assigned to Notes may not adequately reflect all the risks associated with an investment in the Notes.</p>

RISK FACTORS

Any investment in the Notes is subject to a number of risks. Prior to investing in the Notes, prospective investors should consider carefully the factors and risks associated with any investment in the Notes, the business of the Nestlé group of companies (the “Nestlé Group” or the “Group”) and the industry in which the Nestlé Group operates, together with all other information contained in this Prospectus including, in particular, the risk factors described below. Prospective investors should note that the risks relating to the Nestlé Group, its industry and the Notes summarised in the section of this document headed “Summary of the Programme” are the risks that each of the Issuers and the Guarantor believes to be the most essential to an assessment by a prospective investor of whether to consider an investment in the Notes. However, as the risks which the Nestlé Group faces relate to events and depend on circumstances that may or may not occur in the future, prospective investors should consider not only the information on the key risks summarised in the section of this document headed “Summary of the Programme” but also, among other things, the risks and uncertainties described below.

Each of the Issuers and the Guarantor believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme which may in turn result in investors losing the value of their investment. Most of these factors are contingencies which may or may not occur and neither the Issuers nor the Guarantor are in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of the Issuers and the Guarantor believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuers or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuers and the Guarantor do not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Additional risks and uncertainties relating to the Nestlé Group that are not currently known to the Nestlé Group, or that it currently deems immaterial, may individually or cumulatively also have a material adverse effect on the Nestlé Group’s business, prospects, results of operations and financial position and, if any such risk should occur, the price of the Notes may decline and investors could lose all or part of their investment.

Factors that may affect the Issuers’ ability to fulfil their respective obligations under Notes issued under the Programme and the Guarantor’s ability to fulfil its obligations under each Guarantee

Competition and Demand

The business environment in which the Nestlé Group operates is competitive. In its major markets, the Group competes with other multinational corporations that have significant financial resources to respond to and develop the markets in which both they and the Group operate. These resources may be applied to change areas of focus or to increase investments in marketing or new products. This could cause the Group’s sales or margins to decrease in these markets. Furthermore, consumer tastes are susceptible to change. If the Group is unable to respond to rapid changes in consumer preferences, the Group’s sales or margins in individual markets could be materially adversely affected.

Brand Image/Reputation

Profitability depends in part upon a number of product brands. Reliance on these brands makes the Group vulnerable to brand damage in a variety of ways. For example, if the Nestlé Group is the victim of product tampering or contamination, brand dilution by people who use any of the Nestlé brands without the Nestlé Group’s permission or other factors, negative publicity will affect sales results. Damage to brands could result in the loss of revenue associated with the affected brands and higher costs to address these circumstances, including those associated with any product recall events that may occur.

Food Safety/Food Contamination

The Group has a comprehensive food safety assurance programme and implements an array of preventive measures to ensure the safety of its products. Nevertheless, the risk that raw materials are accidentally or maliciously contaminated, or products are contaminated throughout the supply chain due to human error or equipment failure, cannot be fully excluded. Such incidents can have different consequences including loss of products, delay in supply, loss of market shares, financial costs, adverse health effects on consumers or loss of reputation.

Raw Materials

The Group relies to a varying degree on the sourcing of raw materials from around the world. This exposes the Group to price fluctuations and supply uncertainties which are subject to factors such as commodity market price volatility, currency fluctuations, changes in governmental agricultural programs, harvest and weather conditions, crop disease, crop yields, alternative crops and by-product values. Underlying base material price changes may result in unexpected increases in raw material and packaging costs, and the Group may be unable to fully reflect these increases by raising prices without suffering reduced volume, revenue and operating income.

The ability to maintain the profitability of products containing tradeable commodities is largely dependent on cost management capacity of both direct and indirect materials, including energy, as well as market competitiveness. A significant or sustained decrease in the sale price of products based on coffee, cocoa or milk products and ice cream could have a material adverse effect on the business, financial condition and results of operations of the Nestlé Group.

Should the price of commodities decline over a period of time, producers of raw materials may diversify their product range, which may restrict the availability of raw materials.

Various governments throughout the world are considering regulatory proposals relating to genetically modified organisms or ingredients, food safety and market and environmental regulation which, if adopted, would increase costs. If any of these or other proposals are enacted, the Group may experience difficulties in supply and the Group may be unable to pass on the cost increases to its customers without incurring volume loss as a result of higher prices.

Quality/Consumer Preference

The success of the Nestlé Group depends in part on its ability to anticipate the tastes and dietary habits of consumers and to offer products that appeal to their preferences. Consumer preferences change, any major change in demographics and/or any failure to anticipate, identify or react to these changes could result in reduced demand for Nestlé products, which would in turn cause the volume, revenue and operating companies' income to suffer. Moreover, there is a risk that the Nestlé Group's business may be adversely affected by a reduction in consumer spending.

Health Concerns

The food industry as a whole is faced with the global challenge of rapidly rising obesity levels. The Group makes all its products available in a range of sizes and varieties designed to meet all needs and all occasions. There is a possibility, however, of governments taking action against the food industry, for example by levying additional taxes on confectionery products or by restricting the advertising of products of this type.

Seasonal Weather Conditions

The Group's business is subject to some seasonality, and adverse weather conditions may impact on the Group's sales. The ice cream and water business experience seasonal business swings, which correspond to the North American seasons. Unusually prolonged periods of cold, rain, blizzards, hurricanes or other severe weather patterns could impact consumers' decisions to purchase goods associated with the spring and summer.

Manufacturing

The Group's manufacturing facilities could be disrupted for reasons beyond the Group's control. These disruptions may include extremes of natural hazards, fire, supplies of materials or

services, system failures, workforce actions or environmental issues. The Group takes measures to limit these risks, and, in particular, the decentralised nature of the Group's manufacturing assets helps to limit the impact that any local disruption may have on the Group's manufacturing capabilities. However, any significant manufacturing disruptions could adversely affect the Group's ability to make and sell products, which could cause the Group's revenues to decline.

Environmental Risk

The Group is subject to environmental regimes applying in all countries where it operates, and has to comply with legislation concerning the protection of the environment, including the use of natural resources (e.g. water), release of air emissions and waste water, and the generation, storage, handling, transportation, treatment and disposal of waste materials. In the ordinary course of business, the Group's operations are subject to internal environmental policy and management procedures, environmental inspections and monitoring by governmental enforcement authorities. Costs may be incurred, including fines, damages and criminal or civil sanctions, or interruptions may be experienced in operations for actual or alleged violations arising under any environmental laws. In addition, the Group's production facilities require operating permits that are subject to renewal, modification and, in certain circumstances, revocation. Violations of permit requirements can also result in restrictions or prohibitions on plant operations, substantial fines and civil or criminal sanctions. Environmental legislation is also increasingly imposing requirements on products and their packaging (e.g. eco-taxes or deposits), which affect their costs.

Occupational Health and Safety Risk

The Group is subject to health and safety regimes in all countries where it operates, and has to comply with legislation concerning the protection of the health and welfare of employees and contractors. Despite the Group's internal policy decisions on safety, the training provided to employees, accident prevention and awareness, the risk of accidents/long-term health impacts cannot be excluded. Costs may be incurred, including fines, damages, and criminal or civil sanctions, or interruptions may result from, actual or alleged violations arising under any health and safety laws. The breach of health and safety laws may adversely affect the Group's reputation.

Governmental Actions and Non-Governmental Actions

Given the multinational nature of its business, the Group is subject to substantial government regulation or non-governmental actions which may change dramatically as a result of political, economic or social events. Such changes may be wide-ranging and cover cross-border trading, taxation, employment practices, environmental, health, safety and social issues. The effects of such changes are uncertain. If the Group is unprepared to handle or could not adequately prepare for any such changes, the Group's businesses could suffer.

Retirement Benefits

The Group has various retirement benefit schemes which are funded via investments in equities, bonds and other external assets and the liabilities for which reflect the latest salary levels. The values of such assets are dependent on, among other things, the performance of the equity and debt markets, which are volatile. Any shortfall in the Group's funding obligations may require significant additional funding from the employing entities.

Information Technology

The Group depends on accurate, timely information and numerical data from key software applications to enable day-to-day decision making. Any disruption caused by a failure of key software application, of underlying equipment or of communication networks, for whatever reason, could delay day-to-day decision making, manufacturing processes, product delivery and/or cause the Group material financial losses.

The Group uses computer systems to monitor financial positions and daily cash flows and to process payments to internal and external counterparties. Computer break-downs or partial breakdowns of systems can, therefore, lead to delays in payment processes. Further risks can arise in connection with

the settlement of financial transactions. The management of daily cash flows at Nestlé Group companies depends on the timely receipt of funds from external institutions who act as counterparties to financial transactions, such as bonds, swaps or other derivative financial instruments.

Notwithstanding anything stated in this risk factor, this risk factor should not be taken as implying that the relevant Issuer will be unable to comply with its obligations as a company with securities admitted to the Official List.

Litigation

Nestlé Group companies are parties to a variety of legal proceedings arising out of the normal course of business. The relevant companies believe that there are valid defences for the claims, and such companies intend to defend any such litigation pending. However, the results of litigation cannot be predicted with certainty.

Banking Credit

In its financing activities, the Group deals with many banks and financial institutions and thus is exposed to a risk of loss in the event of non-performance by the counterparties to financial instruments. While the Group seeks to limit such risk by dealing with counterparties which have high credit ratings, the Group cannot give assurances that counterparties will fulfil their obligations, failure of which could materially affect the Group's financial position.

Credit Risk

Credit risk results from the risk of default of internal or external counterparties. The amount recognised in the balance sheet of the Nestlé Group for financial assets is, ignoring any collateral received, the maximum credit risk in the case that counterparties are unable to fulfil their contractual obligations. In the case of derivative financial instruments, the Group is also exposed to credit risk, which results from the non-performance of contractual agreements on the part of the counterparty. This credit risk is mitigated by entering into such contracts with parties of high credit standing.

Certain issues of Notes under the Programme may benefit from a guarantee given by the Guarantor. Senior long term debt obligations of the Issuers, which have the benefit of a guarantee from the Guarantor, have been rated AA (stable) by Standard & Poor's and Aa2 (stable) by Moody's. The Guarantor (and each Issuer) may be subject to ratings downgrades by Standard & Poor's or Moody's or any other credit rating agency which rates the credit of the Guarantor and its affiliates, including each of the Issuers and any such rating agencies may qualify or alter the ratings they assign at any time. Downgrades or placement on review for possible downgrades could harm its ability to obtain financing or increase its financing costs and could have a material adverse effect on the price of Notes issued under the Programme.

Currency Fluctuations

The Group operates in many different countries and thus is subject to currency fluctuations, both in terms of its trading activities and the translation of its financial statements; while the Group uses short-term hedging for trading activities, the Guarantor does not believe that it is appropriate or practicable to hedge long-term translation exposure. The Group does, however, seek some mitigation of such translation exposure by relating the currencies of trading cash flows to those of its debt by using broadly similar interest cover ratios. If the Group experiences significant currency fluctuations or is unable effectively to use similar interest cover ratios, then the Group's financial condition could be adversely affected.

Interest Rate Risk

Interest rate risk refers to potential changes of value in financial assets, liabilities or derivatives in response to fluctuations in interest rates. The Nestlé Group holds a substantial volume of interest rate sensitive financial assets, liabilities and derivatives for operational, financing and investment activities. Changes in interest rates can have adverse effects on the financial position and operating result of the Group. In order to mitigate the impact of interest rate risk, the Guarantor continually assesses the

exposure of the Group to this risk. Interest rate risk is managed and hedged through the use of derivative financial instruments, such as interest rate swaps and forward rate agreements. When deemed appropriate, there might be unhedged positions.

Liquidity Risk

The Nestlé Group raises finance by the issuance of term debt, principally in the capital markets. Therefore, the Group depends on broad access to these capital markets and investors. Changes in demand for term debt instruments on capital markets could limit the ability of the Nestlé Group to fund operations.

The Nestlé Group also uses committed and uncommitted credit lines with banks and bank loans to cover liquidity needs. In this context the Guarantor depends on the willingness of banks to provide credit lines or loans. Due to structural changes in the banking business, the willingness of banks to provide credit lines and loans has declined over the past years. In order to reduce and minimise the dependence on banks, the Guarantor has taken measures to maintain access to the capital markets.

Risk of an Increase in Cost of Capital

Increases in the cost of borrowing could negatively affect the operating results of the Nestlé Group. Increases in borrowing costs could arise from changes in demand for term debt instruments in the capital markets, the removal of the unconditional and irrevocable guarantee of the Guarantor from the Programme and a decreasing willingness of banks to provide credit lines and loans.

Treasury Operations

In the course of its business, the Group has substantial assets under management. Although the Group has implemented risk management methods, including approved guidelines and financial policies to mitigate and control such risks, as a result of holding such assets, it is exposed to default risk, interest rate risk, foreign exchange risk and credit spreads. Returns on such assets may also be affected by limited exposure to yield enhancing absolute return funds. In addition, adverse changes in the credit quality of counterparties or a general deterioration in economic conditions or arising from systemic risks in the financial systems could affect the value of those assets.

Terrorist Attacks and Other Acts of Violence and War

Terrorist attacks or other acts of violence or war may negatively affect the Nestlé Group's operations. These attacks may directly impact the Group's, suppliers' or customers' physical facilities. Furthermore, these attacks may make travel and the transportation of supplies and products more difficult and more expensive and ultimately affect the Group's operating results. Political and economic instability in some regions of the world may also result and could negatively impact the Group's business. Any of these events could cause consumer confidence and spending to decrease or result in increased volatility in the worldwide financial markets and economy.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risks related to the structure of a particular issue of Notes

A range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common of such features:

General

If an investor chooses to sell its Notes issued under the Programme in the open market at any time prior to the maturity of the Notes, the price the investor will receive from a purchaser may be less than its original investment, and may be less than the amount due to be repaid at the maturity of the Notes if an investor were to hold onto the Notes until that time. Factors that will influence the price received by investors who choose to sell their Notes in the open market may include, but are not limited

to, market appetite, inflation, the period of time remaining to maturity of the Notes, prevailing interest rates and the financial position of the Issuer and the Guarantor.

Fixed Rate Notes bear interest at a fixed rate, which may affect the secondary market value and/or the real value of the Notes over time due to fluctuations in market interest rates and the effects of inflation

Fixed Rate Notes bear interest at a fixed rate. Investors should note that (i) if market interest rates start to rise then the income to be paid on the Notes might become less attractive and the price the investors get if they sell such Notes could fall (however, the market price of the Notes has no effect on the interest amounts due on the Notes or what investors will be due to be repaid on the Maturity Date if the Notes are held by the investors until they expire); and (ii) inflation will reduce the real value of the Notes over time which may affect what investors can buy with their investments in the future and which may make the fixed interest rate on the Notes less attractive in the future.

If the relevant Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This may also be true prior to any redemption period.

Each Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

If the relevant Issuer has the right to convert the interest rate on any Notes from a fixed rate to a floating rate, or vice versa, this will affect the secondary market and the market value of the Notes concerned

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The interest rate conversion on Fixed/Floating Rate Notes may occur automatically or the rate conversion may occur at the election of the relevant Issuer. Where an Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since that Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. Upon any conversion from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the prevailing rates on Fixed Rate Notes or the rates on other Notes. Upon any conversion from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing interest rates.

Notes which are issued at a substantial discount or premium may experience price volatility in response to changes in interest rates

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of such securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Bearer Notes in NGN form and global registered Notes held under the NSS may not satisfy Eurosystem eligibility criteria

Bearer Notes in new global note (“NGN”) form and global registered Notes held under the new safekeeping structure (“NSS”) allow for the possibility of Notes being issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the central banking

system for the euro (the “Eurosysteem”) and intra-day credit operations by the Eurosysteem either upon issue or at any or all times during their life. However, in any particular case, such recognition will depend upon satisfaction of the Eurosysteem eligibility criteria at the relevant time. Investors should make their own assessment as to whether the Notes meet such Eurosysteem eligibility criteria.

Notes denominated in Renminbi are subject to additional risks

Notes denominated in Renminbi (“RMB Notes”) may be issued under the Programme. RMB Notes are subject to particular risks:

Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC which may adversely affect the liquidity of RMB Notes

Renminbi is not freely convertible at present. The government of the PRC (the “PRC Government”) continues to regulate conversion between Renminbi and foreign currencies, including the U.S dollar and the Hong Kong dollar, despite the significant reduction in control by the PRC Government in recent years over transactions under current account activities. Participating banks in Singapore, Hong Kong and Taiwan have been permitted to engage in the settlement of current account trade transactions in Renminbi under certain pilot schemes. The settlement of Renminbi trade transactions under a pilot scheme was first introduced in July 2009 and originally applied to approved pilot enterprises in five cities in the PRC. This represents a current account activity. The pilot scheme was extended in August 2011 to cover all provinces and cities in the PRC and to make Renminbi trade and other current account item settlement available in all countries worldwide.

PRC regulation on the remittance of Renminbi into the PRC for settlement of capital account items is developing gradually.

On 7 April 2011, the SAFE promulgated the “Circular on Issues Concerning the Capital Account Items in connection with Cross-border Renminbi” (the “SAFE Circular”), which became effective on 1 May 2011. According to the SAFE Circular, in the event that foreign investors intend to use cross-border Renminbi (including Renminbi inside and outside the PRC held in the capital accounts of non-PRC residents) to make a contribution to an onshore enterprise or make a payment for the transfer of an equity interest of an onshore enterprise by a PRC resident, such onshore enterprise shall be required to submit the relevant prior written consent from MOFCOM to the relevant local branches of SAFE of such onshore enterprise and to register or change the registration of the status of the foreign invested enterprise. Further, the SAFE Circular clarifies that the borrowing by an onshore entity (including a financial institution) of Renminbi loans from an offshore creditor shall in principle follow the current regulations on borrowing foreign debts and the provision by an onshore entity (including a financial institution) of external guarantees in Renminbi shall in principle follow the current regulations on the provision of external guarantees in foreign currencies. Due to the promulgation of subsequent rules, the implementation of the SAFE Circular is subject to the interpretation and application of the relevant PRC authorities.

On 13 October 2011, the People's Bank of China (“PBoC”) promulgated the Administrative Measures on RMB Settlement of Foreign Direct Investment (“PBoC RMB FDI Measures”) as part of the implementation of the PBoC’s detailed RMB foreign direct investment (“FDI”) accounts administration system. The system covers almost all aspects in relation to RMB FDI, including capital injections, payments for the acquisition of PRC domestic enterprises, repatriation of dividends and other distributions, as well as Renminbi denominated cross-border loans. Under the PBoC RMB FDI Measures, special approval for RMB FDI and shareholder loans from the PBoC, which was previously required, is no longer necessary. In some cases however, post-event filing with the PBoC is still necessary.

On 14 June 2012, the PBoC further promulgated the Notice on Clarifying the Detailed Operating Rules for RMB Settlement of Foreign Direct Investment (“PBoC RMB FDI Notice”) to provide further guidelines for implementing the previous PBoC RMB FDI Measures. This PBoC RMB FDI Notice details the rules for opening and operating the relevant accounts and reiterates the restrictions upon the use of the funds within different RMB accounts.

On 5 July 2013, the PBoC issued the Notice on Simplifying the Cross-border Renminbi Business Procedures and Improvement of Relevant Policies (together with the PBoC RMB FDI Measures and PBoC RMB FDI Notice, the "PBoC Rules") which, among other things, provide more flexibility for fund transfers between the Renminbi accounts held by offshore participating banks at PRC onshore banks and offshore clearing banks respectively.

On 3 December 2013, MOFCOM promulgated the Circular on Issues in relation to Cross-border Renminbi Foreign Direct Investment (the "MOFCOM Circular"), which became effective on 1 January 2014, to further facilitate FDI by simplifying and streamlining the applicable regulatory framework. The MOFCOM Circular replaced the Notice on Issues in relation to Cross-border Renminbi Foreign Direct Investment promulgated by MOFCOM on 12 October 2011 (the "2011 MOFCOM Notice"). Pursuant to the MOFCOM Circular, written approval from the appropriate office of MOFCOM and/or its local counterparts is required for each FDI, specifying "Renminbi Foreign Direct Investment" and the amount of capital contribution. Compared with the 2011 MOFCOM Notice, the MOFCOM Circular no longer contains the requirements for central level MOFCOM approvals for investments of RMB 300 million or above, or in certain industries, such as financial guarantee, financial leasing, micro-credit, auction, foreign invested investment companies, venture capital and equity investment vehicles, cement, iron and steel, electrolyse aluminium, ship building and other industries under the state macro-regulation. Unlike the 2011 MOFCOM Notice, the MOFCOM Circular has also removed the approval requirement for foreign investors who intend to change the currency of their existing capital contribution from a foreign currency to Renminbi. Consistent with the 2011 MOFCOM Notice, the MOFCOM Circular still expressly prohibits the FDI Renminbi funds from being used for any investment in securities and financial derivatives (except for investment in PRC listed companies by strategic investors) or for entrustment loans in the PRC.

As the PBoC Rules and the MOFCOM Circular are relatively new circulars, they will be subject to further interpretation and application by the relevant PRC authorities.

There is no assurance that the PRC Government will continue to gradually liberalise control over cross-border Renminbi remittances in the future, that the pilot scheme introduced in July 2009 (as extended) will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. Further, if any new PRC regulations are promulgated in the future which have the effect of permitting or restricting (as the case may be) the remittance of Renminbi for payment of transactions categorised as capital accounts items, then such remittances will need to be made subject to the specific requirements or restrictions set out in such rules. In the event that funds cannot be repatriated outside the PRC in Renminbi, this may affect the overall availability of Renminbi outside the PRC and the ability of the relevant Issuer to source Renminbi to finance its obligations under RMB Notes.

Noteholders may be required to provide certifications and other information (including Renminbi account information) in order to be allowed to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of RMB Notes and the relevant Issuer's and the Guarantor's ability to source Renminbi to service such RMB Notes

As a result of the restrictions imposed by the PRC Government on cross-border Renminbi fund flows, the availability of Renminbi outside the PRC is limited. Since February 2004, in accordance with arrangements between the PRC central government and the Hong Kong government, licensed banks in Hong Kong may offer limited Renminbi-denominated banking services to Hong Kong residents and specified business customers. The PBoC has also established a Renminbi clearing and settlement system for participating banks in Hong Kong. On 19 July 2010, further amendments were made to the Settlement Agreement on the Clearing of Renminbi Business (the "Settlement Agreement") between the PBoC and Bank of China (Hong Kong) Limited as the Renminbi clearing bank (the "HK RMB Clearing Bank") to further expand the scope of Renminbi business for participating banks in Hong Kong. Pursuant to the revised arrangements, all corporations are allowed to open Renminbi accounts in Hong Kong, there is no longer any limit on the ability of corporations to convert Renminbi and there is no longer any restriction on the transfer of Renminbi funds between different accounts in Hong Kong.

On 25 January 2013, PBoC and Bank of China (“BOC”) Taipei Branch entered into a Settlement Agreement on the Clearing of Renminbi Business, whereby BOC Taipei Branch is authorised to act as a clearing bank (the “Taiwan RMB Clearing Bank”) providing clearing and settlement service to other Renminbi business participating banks in Taiwan.

On 8 February 2013, the PBoC announced that Industrial and Commercial Bank of China Singapore Branch has been authorised as the clearing bank of Renminbi business in Singapore (“Singapore RMB Clearing Bank”, together with the HK RMB Clearing Bank and Taiwan RMB Clearing Bank, the “RMB Clearing Banks” and each a “RMB Clearing Bank”).

While the PBoC has established Renminbi clearing and settlement mechanisms for participating banks in Hong Kong, Singapore and Taiwan through settlement agreements on the clearing of Renminbi business with RMB Clearing Banks, the current size of Renminbi denominated financial assets outside the PRC is limited.

There are restrictions imposed by the PBoC on Renminbi business participating banks in respect of cross-border Renminbi settlement, such as those relating to direct transactions with PRC enterprises. Renminbi business participating banks do not have direct Renminbi liquidity support from the PBoC. These banks are only allowed to square their open positions with the RMB Clearing Bank after consolidating the Renminbi trade position of banks outside Singapore, Hong Kong and Taiwan that are in the same bank group of the participating banks concerned with their own trade position, and the RMB Clearing Bank only has access to onshore liquidity support from the PBoC to square open positions of participating banks for limited types of transactions, including open positions resulting from conversion services for corporations relating to cross-border trade settlement and for Hong Kong and Taiwan residents of up to RMB 20,000 per person per day and for the designated business customers relating to the Renminbi received in providing their services.

The RMB Clearing Bank is not obliged to square for participating banks holding open positions as a result of other foreign exchange transactions or conversion services and the participating banks will therefore need to source Renminbi from outside the PRC to square such open positions.

On 14 June 2012, the HKMA introduced a facility for providing Renminbi liquidity to authorised institutions participating in Renminbi business (“Participating AIs”) in Hong Kong. The facility will make use of the currency swap arrangement between the PBoC and the HKMA. With effect from 15 June 2012, the HKMA will, in response to requests from individual Participating AIs, provide Renminbi term funds to the Participating AIs against eligible collateral acceptable to the HKMA. The facility is intended to address short-term Renminbi liquidity tightness which may arise from time to time, for example, due to capital market activities or the sudden need for Renminbi liquidity by the Participating AIs’ overseas bank customers.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the Settlement Agreement will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of RMB Notes. There is no assurance that the relevant Issuer and/or the Guarantor will be able to source Renminbi outside the PRC to service such RMB Notes on satisfactory terms, if at all. If certain events occur (such as illiquidity, inconvertibility or non-transferability in respect of Renminbi) which result in the relevant Issuer being unable to make payments in Renminbi, the relevant Issuer’s obligation to make such payments in Renminbi under the terms of the RMB Notes is replaced by an obligation to make such payments in U.S. dollars pursuant to Condition 5(g) under “Terms and Conditions of the Notes”.

An investment in RMB Notes is subject to exchange rate risks

The value of Renminbi against the U.S. dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. Except in the limited circumstances stipulated in Condition 5(g), all payments of interest and principal with respect to RMB Notes will be made in Renminbi. As a result, the value of these Renminbi payments in U.S. dollar terms may vary with the prevailing exchange rates in the

marketplace. If the value of Renminbi depreciates against the U.S. dollar or other foreign currencies, the value of an investment in RMB Notes in U.S. dollar or other applicable foreign currency terms will decline.

An investment in fixed rate Renminbi Notes is subject to interest rate risks

The PRC Government has gradually liberalised its regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. If a RMB Note carries a fixed interest rate, then the trading price of such RMB Notes will vary with the fluctuations in Renminbi interest rates. If an investor in RMB Notes tries to sell such RMB Notes, then it may receive an offer that is less than the amount invested.

Payments in respect of RMB Notes will only be made to investors in the manner specified for such RMB Notes in the “Terms and Conditions of the Notes”

Investors may be required to provide certificates and other information (including Renminbi account information) in order to be allowed to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong. Except in the limited circumstances stipulated in Condition 5(g) under “Terms and Conditions of the Notes”, all payments to investors in respect of RMB Notes will be made solely (i) for as long as such RMB Notes are represented by a global Note, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and procedures of Euroclear Bank SA/NV, Clearstream Banking, *société anonyme* or any alternative clearing system as applicable, or (ii) for so long as such RMB Notes are in definitive form, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and regulations. Other than as provided in Condition 5(g), neither the relevant Issuer nor the Guarantor can be required to make payment by any other means (including, but not limited to, in any other currency or in bank notes, by cheque or draft or by transfer to a bank account in the PRC).

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

The Terms and Conditions of the Notes contain provisions which may permit their modification without the consent of all investors

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Notes may be subject to withholding taxes in circumstances where the relevant Issuer is not obliged to make gross up payments and this would result in holders receiving less interest than expected and could adversely affect their return on the Notes

Withholding under the EU Savings Directive

Under Council Directive 2003/48/EC on the taxation of savings income (the “EU Savings Directive”), Member States are required to provide to the tax authorities of other Member States details of certain payments of interest or similar income (similar income for this purpose includes, but is not limited to, payments on redemption of the Notes representing any discount on the issue of the Notes or any premium payable on redemption) paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted a Council Directive amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The EU Savings Directive will also apply a “look through approach” to payments made via certain

persons, entities or legal arrangements (including trusts and partnerships), where certain conditions are satisfied, where an individual resident in a Member State is regarded as the beneficial owner of the payment for the purposes of the EU Savings Directive. This approach may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria and Luxembourg are instead required (unless during such period they elect otherwise) to operate a withholding tax in relation to such payments. The Luxembourg Government announced that it will no longer apply the withholding tax system as from 1 January 2015 and will then commence automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories, including Switzerland, have adopted equivalent measures (a withholding system in the case of Switzerland at a rate of 35 per cent. with the option of the individual to have the paying agent in Switzerland provide to the tax authorities of the Member State the details of the interest payments in lieu of the withholding).

Switzerland and the European Commission have commenced negotiations on certain amendments to the agreement between the European Community and the Confederation of Switzerland dated as of 26 October 2004 providing for measures equivalent to those set out in the EU Savings Directive, which, may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system, or through any non-EU country which has adopted similar measures and has opted for a withholding system, or through certain dependent or associated territories which have adopted similar measures and which have opted for a withholding system, and an amount of, or in respect of, tax were to be withheld from that payment, neither the relevant Issuer nor the Guarantor nor any Paying Agent (as defined in the Conditions of the Notes) nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. Each Issuer is required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the EU Savings Directive.

Investors who are in any doubt as to their position should consult their professional advisors.

The attention of Noteholders is drawn to Condition 7 of the Terms and Conditions of the Notes.

Proposed Amendment of Swiss Federal Withholding Tax Act

On 24 August 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent. on any payment of interest in respect of a Note to an individual resident in Switzerland or to a person outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the respective Issuer, nor the Guarantor nor a paying agent nor any other person would pursuant to the Terms and Conditions of the Notes be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax. The relevant Issuer is required to maintain a paying agent (which may be the Agent) in a jurisdiction within Europe other than Switzerland that will not be required to withhold or deduct tax pursuant to laws enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the respective Issuer or the Guarantor withhold or deduct tax.

Final Foreign Withholding Taxes in Switzerland

On 1 January 2013, treaties on final withholding taxes between Switzerland and the United Kingdom and Switzerland and Austria entered into force (each a “Contracting State”). The treaties require a Swiss paying agent, as defined in the treaties, to levy a flat-rate final withholding tax (*internationale Quellensteuer*) at rates specified in the treaties on certain capital gains and income items (interest,

dividends, other income items, all as defined in the treaties) deriving from assets, including the Notes, as applicable, held in accounts or deposits with a Swiss paying agent by (i) an individual resident in a Contracting State or, (ii) if certain requirements are met, by a domiciliary company (*Sitzgesellschaft*), an insurance company in connection with a so-called insurance wrapper (*Lebensversicherungsmantel*) or other individuals if the beneficial owner is an individual resident in a Contracting State. The flat-rate tax withheld substitutes the ordinary income tax on the respective capital gains and income items, in the Contracting State where the individual is tax resident. In order to avoid the withholding of the flat-rate tax by the Swiss paying agent, such individuals may opt for a disclosure of the respective capital gains and income items to the tax authorities of the Contracting State where they are tax residents. If an amount of, or in respect of, such final withholding tax were to be deducted or withheld from a payment of interest or capital gain relating to the Notes, neither the relevant Issuer, nor the Guarantor nor a paying agent nor any other person would be obliged to pay additional amounts with respect to any Notes, as a result of the deduction or imposition of such final withholding tax.

Withholding under the U.S. Foreign Account Tax Compliance Act (“FATCA”)

Under provisions of the Foreign Account Tax Compliance Act codified as sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (commonly known as “FATCA”), proceeds from the sale, retirement or other disposition of, and payments of premium (if any) and interest (including original issue discount, if any) on Notes issued by NHI after 30 June 2014 generally will be subject to a 30 per cent. gross basis withholding tax if any such payments are made to a “foreign financial institution” or a “foreign non-financial entity” within the meaning of the FATCA rules, unless certain procedural requirements are satisfied and certain information is provided to the U.S. Internal Revenue Service. Payments with respect to Notes issued by NHI after 30 June 2014 will be subject to withholding pursuant to FATCA after 30 June 2014, in the case of interest, and after 31 December 2016 in the case of all other amounts payable on, or gross proceeds from the sale or other disposition of such Notes.

Under the intergovernmental agreement entered into between the United States and Luxembourg facilitating the implementation of FATCA, NFI expects that it will not be treated as a financial institution. Accordingly, payments with respect to Notes issued by NFI generally should not be subject to FATCA withholding. Nevertheless, if NFI were to be treated as a financial institution, it is possible that payments made after 31 December 2016 on Notes issued more than six months after final regulations are published that define “foreign passthru payments” for purposes of FATCA would be subject to FATCA withholding in respect of the portion of any such payments as are considered to be “foreign passthru payments” under FATCA.

No additional amounts will be paid by the relevant Issuer in respect of any U.S. tax withheld or deducted under or in respect of FATCA. Under certain circumstances, a Non-U.S. Holder (as defined below in “Taxation—United States”) of the Notes might be eligible for refunds or credits of such taxes. Prospective investors are encouraged to consult with their own tax advisers regarding the possible implications of this legislation on their investment in the Notes.

The value of the Notes could be adversely affected by a change of law or administrative practice

The Terms and Conditions of the Notes are based on English law in effect as at the date of this Prospectus and the provisions of the Guarantee are based on Swiss law, each as in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice, or Swiss law or administrative practice, after the date of this Prospectus and any such change could materially adversely impact the value of any Notes affected by it.

Investors who purchase Notes in denominations that are not an integral multiple of the Specified Denomination may be adversely affected if definitive Notes are subsequently required to be issued

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be

printed) and would need to purchase a nominal amount of Notes such that its holding amounts to the Specified Denomination.

If such Notes are issued in definitive form, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

If an investor holds Notes which are not denominated in the investor's home currency, he will be exposed to movements in exchange rates adversely affecting the value of his holding and, in addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes

Each Issuer will pay principal and interest on the Notes and the Guarantor will make any payments under the Guarantee in the Specified Currency. For investors whose financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency in which the related Notes are denominated, or where principal or interest in respect of Notes is payable by reference to the value of a Specified Currency other than by reference solely to the Investor's Currency, an investment in such Notes entails significant risks that are not associated with a similar investment in a debt security denominated and payable in such Investor's Currency. Such risks include, without limitation, the possibility of significant changes in the rate of exchange between the applicable Specified Currency and the Investor's Currency and the possibility of the imposition or modification of exchange controls by authorities with jurisdiction over such Specified Currency or the Investor's Currency. Such risks generally depend on a number of factors, including financial, economic and political events over which none of the Issuers has control. The secondary market for the Notes will be affected by a number of factors independent of the creditworthiness of the relevant Issuer and the Guarantor and the value of the applicable Specified Currency, including the volatility of such Specified Currency, the method of calculating the nominal amount or any interest to be paid in respect of such Notes, the time remaining to maturity of such Notes, the outstanding amount of such Notes, the amount of other securities linked to such Specified Currency and the level, direction and volatility of relevant market interest rates generally. Such factors also will affect the market value of the Notes. In recent years, rates of exchange have been highly volatile and such volatility may be expected to continue in the future. Fluctuations in any particular exchange rate that have occurred in the past are not necessarily indicative, however, of fluctuations that may occur in the future. An appreciation in the value of the Investor's Currency relative to the value of the applicable Specified Currency would result in a decrease in the Investor's Currency equivalent yield on a Note denominated or the principal or interest of which is payable in such Specified Currency, in the Investor's Currency equivalent value of the principal of such Note payable at maturity and generally in the Investor's Currency equivalent market value of such Note. Depreciation in the value of the Investor's Currency relative to the value of the applicable Specified Currency would have the opposite effect. In addition, depending on the specific terms of a Note denominated in, or the payment of which is determined by reference to the value of, a Specified Currency (other than solely the Investor's Currency), changes in exchange rates relating to any of the currencies or currency units involved may result in a decrease in the effective yield on such Note and, in certain circumstances, could result in a loss of all or a substantial portion of the principal of such Note to the investor.

Government or monetary authorities have imposed from time to time, and may in the future impose, exchange controls that could affect exchange rates as well as the availability of the Specified Currency in which a Note is payable at the time of payment of the principal or interest in respect of such Note. In addition, if the relevant Issuer is due to make a payment in Renminbi in Hong Kong in respect of any Note or Coupon and such currency is not available on the foreign exchange markets due to the imposition of exchange controls, the original currency's replacement or disuse or other circumstances beyond the relevant Issuer's control, the relevant Issuer will be entitled to satisfy its obligations in respect of such payment by making payment in U.S. Dollar as described under Condition 5(g) under "Terms and Conditions of the Notes". If the currency in which payment is to be made is not a holder's Investor's Currency, the holder will be subject to the risks described in the prior paragraph. In addition, the exchange rate applied in such circumstances could result in a reduced payment to the holder.

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes

The Notes may not have an established trading market when issued. There can be no assurance of a secondary market for the Notes or the continued liquidity of such market if one develops. The secondary market for the Notes will be affected by a number of factors independent of the creditworthiness of the relevant Issuer and the Guarantor which may include the method of calculating the principal or any interest to be paid in respect of such Notes, the time remaining to the maturity of such Notes, the outstanding amount of such Notes, any redemption features of such Notes and the level, direction and volatility of market interest rates generally. Such factors also will affect the market value of the Notes. In addition, certain Notes may be designed for specific investment objectives or strategies and therefore may have a more limited secondary market and experience more price volatility than conventional debt securities. Investors may not be able to sell Notes readily or at prices that will enable investors to realise their anticipated yield. No investor should purchase Notes unless such investor understands and is able to bear the risk that certain Notes may not be readily saleable, that the value of Notes will fluctuate over time and that such fluctuations may be significant. The prices at which Zero Coupon Notes, as well as other instruments issued at a substantial discount from their nominal amount payable at maturity, trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than do such prices for conventional interest bearing securities of comparable maturities.

Credit ratings assigned to the relevant Issuer, the Guarantor or any of the Notes may not reflect all the risks associated with an investment in the Notes

One or more independent credit rating agencies may assign credit ratings to the relevant Issuer, the Guarantor or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

FORM OF THE NOTES

General

Words and expressions defined in “Terms and Conditions of the Notes” below shall have the same meanings in this “Form of the Notes”. Notes in bearer form (other than (i) Notes issued by NHI that have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and, as specified in the applicable Final Terms, are issued in compliance with the requirements of United States Treasury Regulations Section 1.6049-5(b)(10) or (ii) Notes issued by NFI that have a maturity of one year or less) constituting a separate identifiable tranche (within the meaning of Regulation S under the Securities Act) will initially be represented by a Temporary Global Note which will:

- (a) if the global Notes are intended to be issued in new global note (“NGN”) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the “Common Safekeeper”) for Euroclear Bank SA/NV (“Euroclear”) and Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”); and
- (b) if the global Notes are not intended to be issued in NGN form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common depository (the “Common Depository”) for Euroclear and Clearstream, Luxembourg and/or a nominee for any other relevant clearing system (as applicable).

Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued in bearer form by NHI, except to the extent that the relevant Note in global bearer form has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes. Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to, and held by, a clearing organisation (or by a custodian or depository acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Notes except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation) and (iii) holders may obtain definitive Notes in bearer form only upon the occurrence of an Exchange Event (as defined below).

Notes (including Registered Notes, as defined and described below) may be issued in a form that permits them to be held in a manner which will allow Eurosystem eligibility. Euroclear and/or Clearstream, Luxembourg will be notified whether or not Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication in the Final Terms that the Notes are to be so held means that the Notes are to be deposited with the Common Safekeeper (and in the case of Registered Notes, registered in the name of a nominee of the Common Safekeeper) and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. Any indication in the Final Terms that the Notes are not to be so held means that should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting such criteria, the Notes may then be deposited with the Common Safekeeper (and in the case of Registered Notes, registered in the name of a nominee of the Common Safekeeper) and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria.

If the global Note is a NGN, the nominal amount of the Notes represented by such global Notes will be the aggregate from time to time entered in the records of both Euroclear and Clearstream, Luxembourg. The records of Euroclear and Clearstream, Luxembourg (which expression in such global Note means the records that each of Euroclear and Clearstream, Luxembourg holds for its customers which reflect the amount of each such customer’s interest in the Notes) will be conclusive evidence of the nominal amount of Notes represented by such global Note and, for such purposes, a statement issued

by Euroclear and/or Clearstream, Luxembourg, stating that the nominal amount of Notes represented by such global Note at any time will be conclusive evidence of the records of Euroclear and/or Clearstream, Luxembourg at that time, as the case may be.

Interests in the Temporary Global Note will be exchangeable as described therein either for:

- (i) interests in a Permanent Global Note (without interest coupons or talons); or
- (ii) security printed definitive Notes,

(as indicated in the applicable Final Terms) in each case upon receipt by the Issuer or the Agent from Euroclear or Clearstream, Luxembourg or any other relevant clearing system of the requisite certifications as described under “Certifications” below on or after the date (the “Exchange Date”) which is a date no earlier than the first day which is 40 days after:

- (a) completion of the distribution of the relevant Tranche of Notes; and
- (b) the settlement date with respect to such Tranche of Notes,

provided, however, that the Issuer may, in its sole discretion, extend the Exchange Date for such reasonable period of time as the Issuer may deem necessary in order to ensure that the issuance of such identifiable Tranche of Notes is exempt from registration under the Securities Act by virtue of Regulation S thereunder.

Each Permanent Global Note will, if specified in the applicable Final Terms, be exchangeable in whole, but not in part, for definitive Notes with, where applicable, interest coupons and talons attached: (i) at the request of the relevant Issuer; (ii) upon the Noteholders instructing Euroclear or Clearstream, Luxembourg or any other agreed clearing system in which such Permanent Global Note is being held to give at least 60 days’ written notice to the Agent, subject to the payment of costs in connection with the printing and distribution of the definitive Notes, if specified in the applicable Final Terms; and/or (iii) (free of charge) upon the occurrence of an Exchange Event (as defined below).

For these purposes “Exchange Event” means that (i) an Event of Default (as defined in Condition 9 under the “Terms and Conditions of the Notes”) has occurred and is continuing; (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg, or any other agreed clearing system in which such Permanent Global Note is being held, have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, as a result, Euroclear and Clearstream, Luxembourg or such other agreed clearing system in which such Permanent Global Note is being held are no longer willing or able to discharge properly their responsibilities with respect to such Notes and the Agent and the relevant Issuer are unable to locate a qualified successor; or (iii) as a result of a change in law after the relevant Issue Date, the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form.

The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 14 under the “Terms and Conditions of the Notes” if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg and/or any other agreed clearing system in which such Permanent Global Note is being held (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice to the Agent.

Interest, Principal and Other Payments Prior to Exchange Date

In the case of a Temporary Global Note that provides for payment of any interest, principal or other amounts prior to the Exchange Date, a member organisation appearing in the records of Euroclear or Clearstream, Luxembourg as entitled to a portion of the principal amount of such Temporary Global Note (a “Member Organisation”) must provide an Owner Tax Certification (as defined below) to

Euroclear or Clearstream, Luxembourg, and Euroclear or Clearstream, Luxembourg must provide to the Issuer and the Agent a certification substantially in the form attached as Annex A to the Temporary Global Note (a “Depository Tax Certification”), in each case, prior to the payment of interest or, if applicable, principal. A Depository Tax Certification may be provided in electronic form only if it satisfies the requirements in the Treasury Regulations Section 1.163-5(c)(2)(i)(D)(3)(ii), as it may be amended or any successor regulation regarding certification requirements for foreign targeted bearer notes. Until an Owner Tax Certification is provided by the Member Organisation to Euroclear or Clearstream, Luxembourg, and the Issuer or the Agent receives from Euroclear or Clearstream, Luxembourg a Depository Tax Certification, such Member Organisation will not be entitled to receive any interest or, if applicable, principal with respect to its interest in the Temporary Global Note or to exchange its interest therein for a portion of the Permanent Global Note or for definitive Notes. Prior to the exchange of the Member Organisation’s interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes, a Member Organisation must also provide the Owner Securities Certification (as defined below), and Euroclear or Clearstream, Luxembourg must provide to the Issuer or the Agent a certification in the form set out in such Temporary Global Note (a “Depository Securities Certification”).

Exchange Date Prior to Interest, Principal and Other Payments

In the case of a Temporary Global Note that does not provide for payment of any interest, principal or other amounts prior to the Exchange Date, the Member Organisation must provide to Euroclear or Clearstream, Luxembourg an Owner Tax Certification and an Owner Securities Certification (which may be combined in one certification form), and Euroclear or Clearstream, Luxembourg must provide to the Issuer or the Agent a Depository Tax Certification and a Depository Securities Certification (which may be combined in one certification form). Until the requisite certifications are provided by the Member Organisation to Euroclear or Clearstream, Luxembourg, and the Issuer or the Agent receives from Euroclear or Clearstream, Luxembourg the requisite certifications to the Issuer, such Member Organisation shall not be entitled to receive any interest or, if applicable, principal with respect to its interest in the Temporary Global Note or to exchange its interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes.

Certifications – Bearer Notes

As described above, no interest or, if applicable, principal will be paid on any Temporary Global Note and no exchange of a Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes may occur until the beneficial owner, as the person entitled to receive such interest or, if applicable, principal or a portion of the Permanent Global Note or definitive Notes, furnishes written certification (the “Owner Tax Certification”), substantially in the form attached as Annex B to the Temporary Global Note to the effect that such person (i) is not a United States person (as defined under the United States Internal Revenue Code of 1986, as amended (the “Code”) and the Treasury Regulations thereunder), (ii) is a foreign branch of a United States financial institution purchasing for its own account or for resale, or is a United States person who acquired the Note through such financial institution and who holds the Note through such financial institution on the date of the certificate, provided in either case that such financial institution provides a certificate to the Issuer or the distributor selling the Note to it stating that it agrees to comply with the requirements of Section 165(j)(3)(A), (B) or (C) of the Code and the United States Treasury Regulations thereunder, or (iii) is a financial institution holding for purposes of resale during the restricted period (as defined in United States Treasury Regulations Section 1.163-5(c)(2)(i)(D)(7), as it may be amended or any successor regulation regarding certification requirements for foreign targeted bearer notes). A financial institution described in clause (iii) of the preceding sentence (whether or not also described in clause (i) or (ii)) must certify that it has not acquired the Note for purposes of resale directly or indirectly to a United States person or to a person within the United States or its possessions. An Owner Tax Certification may be provided in electronic form only if it satisfies the requirements in the Treasury Regulations Section 1.163-5(c)(2)(i)(D)(3)(ii), as it may be amended or any successor regulation regarding certification requirements for foreign targeted bearer notes.

Notwithstanding the foregoing, an Owner Tax Certification or a Depository Tax Certification is not required with respect to (i) Notes issued by NFI that have a maturity of one year or less, (ii) Registered Notes as defined and described below, or (iii) Notes issued by NHI that have been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes or (iv)

Notes issued by NHI that have an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and, as specified in the applicable Final Terms, are issued in compliance with the requirements of United States Treasury Regulations Section 1.6049-5(b)(10).

As described above, prior to the exchange of the Member Organisation's interest in the Temporary Global Note for a portion of the Permanent Global Note or for definitive Notes, the Member Organisation must provide a written certification that the beneficial owner is not a U.S. person or that the beneficial owner acquired its interest in a transaction that did not require registration under the Securities Act (an "Owner Securities Certification"). For purposes of the Owner Securities Certification, "U.S. person" shall have the meaning set forth in Section 902(k) of Regulation S.

Payments of principal and interest (if any) on a Permanent Global Note will be made to or to the order of the holder thereof (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) outside the United States and its possessions without any requirement for certification. A Permanent Global Note will be exchangeable in whole or (provided Euroclear and Clearstream, Luxembourg will regard all the Notes of the relevant Series as fungible) in part for definitive Notes with, where applicable, interest coupons and talons attached upon not less than 60 days' written notice (or, in the case of Notes with a maturity of less than 60 days, within a reasonable period of time) to the Agent from Euroclear and/or Clearstream, Luxembourg (which shall be provided at the request of any beneficial owner of an interest in the Permanent Global Note) or, in the case of a Permanent Global Note held otherwise than on behalf of Euroclear and/or Clearstream, Luxembourg, from the holder thereof (upon the request of any beneficial owner if such person is different from the holder). Permanent Global Notes and definitive Notes will be issued pursuant to the Agency Agreement. At present, neither Euroclear nor Clearstream, Luxembourg regard Notes in global form as fungible with Notes in definitive form. As long as this is the case, it is understood that any holder of a beneficial interest in the Permanent Global Note can cause the exchange of all interests in the Permanent Global Note for definitive Notes.

In the event that a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg (or any part thereof) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and payment in full of the amount due has not been made to the bearer in accordance with the terms thereof and the Conditions, then the global Note will become void. At the same time accountholders with Euroclear and/or Clearstream, Luxembourg having such Notes (other than definitive Notes) credited to their accounts will become entitled to proceed directly against the Issuer, on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg, under the terms of Clause 28 of the Agency Agreement (as defined under "Terms and Conditions of the Notes" below).

Security Codes

Pursuant to the Agency Agreement, the Agent (as so defined) shall, where Notes are held by or on behalf of Euroclear, Clearstream, Luxembourg and/or any other relevant clearing system, arrange that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned security code numbers by Euroclear, Clearstream, Luxembourg and/or such other relevant clearing system which are different from the security code numbers assigned to Notes of any other Tranche of the same Series until the Exchange Date with respect to the Notes of such Tranche as certified by the Agent to the relevant Dealer.

Legends

The following legend will appear on all Notes with a maturity of more than one year if issued by NFI, or more than 183 days if issued by NHI, other than (x) Registered Notes (as defined and described below) or (y) Notes issued by NHI that have been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes, and on all interest coupons and talons relating to such Notes attached thereto:

“Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in sections 165(j) and 1287(a) of the Internal Revenue Code.”

The sections of the U.S. Internal Revenue Code referred to above provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment in respect of any gain on any sale, disposition, redemption or payment of principal in respect of Notes or interest coupons.

For United States federal income tax purposes each Temporary Global Note, each Permanent Global Note and each definitive Note issued by NHI in bearer form which has an original maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or the equivalent value in any other currency, determined at the spot rate on the issue date) and, as specified in the applicable Final Terms, is intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10) (or, if the obligation is evidenced by a book entry, appears in the book or record in which the book entry is made) will carry the following legend:

“By accepting this obligation, the holder represents and warrants that it is not a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code and regulations thereunder) and that it is not acting for or on behalf of a United States person (other than an exempt recipient described in section 6049(b)(4) of the Internal Revenue Code and the regulations thereunder).”

The following legend will appear on each Temporary Global Note and each Permanent Global Note issued by NHI that has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes:

“This Global Note has been issued exclusively to be held in custody by or for the account of Clearstream, Luxembourg, Euroclear or a common depository or common safekeeper for Clearstream, Luxembourg or Euroclear and may only be transferred to a successor clearing organisation throughout the life of the Note.”

Registered Notes

Notes may be issued in registered form by NHI (“Registered Notes”), subject to applicable laws and regulations. Except as described in the following paragraph, each Tranche of Registered Notes will be represented on issue by a registered global Note (each a “Registered Global Note”) which will be (a) if the applicable Final Terms specify the Registered Notes are intended to be held in a manner which would allow Eurosystem eligibility (being the new safekeeping structure (“NSS”)), deposited on the relevant Issue Date with the Common Safekeeper; or (b) if the applicable Final Terms specify the Registered Notes are not intended to be held in a manner which would allow Eurosystem eligibility, deposited on the relevant Issue Date with a nominee or a depository or common depository for the agreed clearing system(s). Such Registered Global Note will not be exchangeable for Registered Notes in definitive form except on an Exchange Event (as that term is defined in the Registered Global Note). With respect to each Tranche of Registered Notes, NHI has appointed, under an amended and restated note agency agreement dated 21 May 2014 (the “Note Agency Agreement”), a registrar and a transfer agent and paying agent and may appoint other or additional transfer agents or paying agents, either generally or in respect of a particular Series of Registered Notes.

Final Terms

The applicable Final Terms will specify whether the Notes will be represented by:

- (i) a Temporary Global Note in bearer form without interest coupons or talons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Temporary Global Note is exchangeable for a Permanent Global Note in bearer form on and after the Exchange Date and (except for Notes (i) with an initial maturity of 183 days or less (taking into consideration unilateral

rights to roll or extend), a minimum denomination of \$500,000 (or its equivalent value in any other currency, determined at the spot rate on the Issue Date) and specified in the applicable Final Terms as intended to comply with United States Treasury Regulations Section 1.6049-5(b)(10) and (ii) as specified in the applicable Final Terms, that have been issued in reliance on TEFRA C Rules) upon certification of non-U.S. beneficial ownership; or

- (ii) a Temporary Global Note in bearer form without interest coupons or talons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Temporary Global Note is exchangeable for security printed definitive Notes on and after the Exchange Date and (except for Notes (i) with an initial maturity of 183 days or less (taking into consideration unilateral rights to roll or extend), a minimum denomination of \$500,000 (or its equivalent value in any other currency, determined at the spot rate on the Issue Date) and specified in the applicable Final Terms as intended to comply with United States Treasury Regulations section 1.6049-5(b)(10) and (ii) as specified in the applicable Final Terms, that have been issued in reliance on TEFRA C Rules) upon certification of non-U.S. beneficial ownership;
- (iii) a Permanent Global Note in bearer form without interest coupons or talons which will be deposited with a common depository or, as the case may be, a common safekeeper for Euroclear and Clearstream, Luxembourg on or about the Issue Date or a date as specified in the applicable Final Terms; and that the Permanent Global Note is exchangeable (free of charge) in whole, but not in part, for security printed definitive Notes either (a) at the request of the Issuer (provided that, in the case of Notes issued by NHI that have an initial maturity of more than 183 days (taking into consideration unilateral rights to roll or extend), such definitive Notes are issued in registered form only); and/or (b) upon the occurrence of an Exchange Event (as defined in the Permanent Global Note); or
- (iv) in the case of NHI only, a Registered Global Note registered in the name of a nominee for a common depository for Euroclear and Clearstream, Luxembourg or a common safekeeper for Euroclear and Clearstream, Luxembourg exchangeable (free of charge) for security printed definitive Notes only upon an Exchange Event (as defined in the Registered Global Note).

Notes shall not be physically delivered in Belgium, except to a clearing system, a depository or other institution for the purpose of their immobilisation in accordance with Article 4 of the Belgian Law of 14 December 2005.

TERMS AND CONDITIONS OF THE NOTES

The following are the terms and conditions of the Notes to be issued by an Issuer which will be incorporated by reference into each global Note and which will be endorsed upon or attached to each definitive Note (if any). The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each global Note and definitive Note.

This Note is one of a Series (as defined below) of Notes issued subject to, and with the benefit of (except in the case of Registered Notes (as defined below)) an amended and restated Agency Agreement dated 21 May 2014, as further amended and/or supplemented and/or restated from time to time, (the “Agency Agreement”) made between, *inter alia*, the Issuer, Nestlé S.A. as guarantor (the “Guarantor”) in relation to Notes issued by Nestlé Finance International Ltd. and guaranteed Notes issued by Nestlé Holdings, Inc., Citibank, N.A., London Branch as issuing and principal paying agent and, if so specified in the applicable Final Terms, as calculation agent (the “Agent”, which expression shall include any successor agent or any other calculation agent specified in the applicable Final Terms) and the other paying agents named therein (together with the Agent and the “Paying Agents”, which expression shall include any additional or successor paying agents).

Notes in registered form issued by Nestlé Holdings, Inc. (“Registered Notes”) are issued subject to, and with the benefit of, an amended and restated Note Agency Agreement dated 21 May 2014 (the “Note Agency Agreement”) and made between Nestlé Holdings, Inc. as Issuer, Citigroup Global Markets Deutschland AG as registrar and transfer agent (the “Registrar”, which expression shall include any successor registrar) and Citibank, N.A., London Branch as transfer agent and paying agent (the “Transfer Agent”, which expression shall include any additional or successor transfer agent or paying agent appointed for Registered Notes).

References in these Terms and Conditions to the “Issuer” shall be references to the party specified as such in the applicable Final Terms (as defined below). References herein to the “Notes” shall be references to the Notes of this Series (as defined below) and shall mean (i) in relation to any Notes represented by a global Note, units of the lowest Specified Denomination (as defined below) in the Specified Currency (as defined below) of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a temporary global Note, a permanent global Note or a global Registered Note; and (iii) any global Note.

Interest bearing definitive Notes in bearer form (unless otherwise indicated in the applicable Final Terms) have interest coupons (“Coupons”) and, if indicated in the applicable Final Terms, talons for further Coupons (“Talons”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

Any reference herein to “Noteholders” shall mean the holders of the Notes, and shall, in relation to any Notes represented by a global Note held on behalf of Euroclear Bank SA/NV (“Euroclear”) and/or Clearstream Banking, *société anonyme* (“Clearstream, Luxembourg”), be construed as provided below. Any reference herein to “Couponholders” shall mean the holders of the Coupons, and shall, unless the context otherwise requires, include the holders of the Talons.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

Any reference herein to “guaranteed Notes issued by Nestlé Holdings, Inc.” and any related expression is a reference to Notes issued by Nestlé Holdings, Inc. which are guaranteed by Nestlé S.A.

The Final Terms applicable to this Note are attached hereto or endorsed hereon and supplement these Terms and Conditions. References herein to the “applicable Final Terms” are to the Final Terms attached hereto or endorsed hereon.

As used herein, “Series” means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date, the amount, the date of the first payment of interest thereon, and the date from which interest starts to

accrue and/or the Issue Price (as indicated in the applicable Final Terms)) are identical (including Maturity Date, Interest Basis, Redemption/Payment Basis and Interest Payment Dates (if any) and whether or not the Notes are admitted to trading). As used herein, “Tranche” means all Notes of the same Series with the same Issue Date and Interest Commencement Date (if applicable).

Copies of the Agency Agreement are available at the specified offices of the Agent and each of the other Paying Agents. Copies of the Note Agency Agreement (if the Notes are Registered Notes) are available for inspection by holders of Registered Notes at the specified offices of the Registrar and the Transfer Agent. If the Notes are offered to the public in a Member State of the European Economic Area or admitted to trading on the regulated market of the London Stock Exchange, the Final Terms applicable to the Notes are available for viewing on the Nestlé Group investor relations website at www.nestle.com/investors and are expected to be published on the website of the London Stock Exchange through a regulatory information service. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Final Terms, which are binding on them. The holders of Registered Notes are deemed to have notice of the Note Agency Agreement, which is binding on them.

Words and expressions defined in the Agency Agreement or (if the Note is a Registered Note) in the Note Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated. In the event of inconsistency between the Agency Agreement, (if the Note is a Registered Note) the Note Agency Agreement or the applicable Final Terms, the applicable Final Terms will prevail.

A global Note may be exchanged in whole or, in certain circumstances, in part for definitive Notes upon request by any holder of an interest therein in accordance with these Terms and Conditions, the provisions of the relevant global Note and as specified in the applicable Final Terms.

1. Form, Denomination, Title and Transfer

The Notes may be issued in bearer form (“Bearer Notes”) or registered form, as set out in the applicable Final Terms and, in the case of definitive Bearer Notes, serially numbered, in the currency (the “Specified Currency”) and in the denominations (the “Specified Denomination(s)”) as specified in the applicable Final Terms; provided that, Bearer Notes with a maturity of more than 183 days (taking into consideration unilateral rights to roll or extend) may not be issued by Nestlé Holdings, Inc., unless the relevant global Bearer Note has been immobilised with a clearing organisation or its depository in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes.

Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

Each Note may be a Note bearing interest on a fixed rate basis (“Fixed Rate Note”), a Note bearing interest on a floating rate basis (“Floating Rate Note”), a Note issued on a non-interest bearing basis (“Zero Coupon Note”) or any combination of the foregoing, depending upon the interest basis specified in the applicable Final Terms.

Bearer Notes in definitive form are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes and Coupons will pass by delivery. The holder of each Coupon, whether or not such Coupon is attached to the Note, in his capacity as such, shall be subject to and bound by all the provisions contained in the relevant Note. Subject as set out below, the Issuer, the Guarantor (if applicable) and any Paying Agent may deem and treat the bearer of any Bearer Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice to the contrary, including any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Bearer Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor (if applicable), any Paying Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose the bearer of the relevant global Bearer Note or registered holder of the global Registered Note shall be treated by the Issuer, the Guarantor (if applicable) and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Notes which are represented by a global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or of Clearstream, Luxembourg, as the case may be.

Title to Registered Notes passes on due endorsement in the relevant register which Nestlé Holdings, Inc. shall procure to be kept by the Registrar.

Subject as set out above, except as ordered by a court of competent jurisdiction or as required by law, the registered holder of any Registered Note shall be deemed to be and may be treated as the absolute owner of such Registered Note for all purposes, whether or not such Registered Note shall be overdue and notwithstanding any notice of ownership, theft or loss thereof or any writing thereon made by anyone and no person shall be liable for so treating such registered holder (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Provisions relating to the transfer of Registered Notes are set out in the Registered Note and the Note Agency Agreement.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, except in relation to Bearer Notes in new global note (“NGN”) form or Registered Notes intended to be held in a manner which would allow Eurosystem eligibility (being the new safekeeping structure (“NSS”) and hereinafter referred to as “held under the NSS”), be deemed to include a reference to any additional or alternative clearing system approved by the Issuer, the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent and, in the case of Notes admitted to the Official List of the UK Listing Authority and admitted to trading on the London Stock Exchange’s Regulated Market, the UK Listing Authority.

2. Status of the Notes and Guarantee

- (a) The Notes and any relative Coupons are direct, unconditional, unsecured (subject to the provisions of Condition 3) and unsubordinated obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and equally with all other unsecured and unsubordinated obligations of the Issuer from time to time outstanding (other than obligations mandatorily preferred by law).
- (b) If the Issuer is Nestlé Finance International Ltd., the payment of the principal and interest in respect of each Note has been unconditionally and irrevocably guaranteed by the Guarantor pursuant to the Guarantee dated the Issue Date (the “Guarantee”) which has been deposited for the benefit of the Noteholders and Couponholders with the Agent. If the Issuer is Nestlé Holdings, Inc., the payment of principal and interest in respect of each Note will, if so stated in the applicable Final Terms but not otherwise, have been unconditionally and irrevocably guaranteed by the Guarantor pursuant to the Guarantee dated the Issue Date (also the “Guarantee”) which has been deposited for the benefit of the Noteholders and Couponholders with the Agent. Each Guarantee will be in the form (subject to completion) scheduled to the Agency Agreement.

3. Negative Pledge

So long as any of the Notes remain outstanding:

- (a) the Issuer will procure that, provided that security upon its assets is neither mandatory pursuant to applicable laws nor required as a prerequisite for governmental approvals, no Relevant Indebtedness (as defined below) now or hereafter existing of the Issuer and no guarantee or indemnity by the Issuer of any Relevant Indebtedness of any Subsidiary (as defined below) of the Issuer will be secured by any mortgage, charge, lien, pledge or other security interest upon, or with respect to, the whole or any part of the present or future revenues or assets of the Issuer unless in any such case the Issuer shall, simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable under the Notes are secured by such security interest equally and rateably or such other security interest is provided for such amounts as is not materially less beneficial to the interests of the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders; and
- (b) where the issue of the Notes by the Issuer is guaranteed by the Guarantor, the Guarantor will procure that, provided that security upon its assets is neither mandatory pursuant to applicable laws nor required as a prerequisite for governmental approvals, no Relevant Indebtedness now or hereafter existing of the Guarantor and no guarantee or indemnity by the Guarantor of any Relevant Indebtedness of the Issuer or any Subsidiary of the Issuer will be secured by any mortgage, charge, lien, pledge or other security interest upon, or with respect to, the whole or any part of the present or future revenues or assets of the Guarantor unless in any such case the Guarantor shall, simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable under the Guarantee are secured by such security interest equally and rateably or such other security interest is provided for such amounts as is not materially less beneficial to the interests of the Noteholders or as shall be approved by an Extraordinary Resolution of the Noteholders, provided that in the event of a merger, amalgamation or consolidation of the Guarantor with another company the provisions of this Condition 3(b) shall not apply with regard to any security in respect of any Relevant Indebtedness over the assets of that other company which security exists at the time of such merger, amalgamation or consolidation (other than any such security created in contemplation thereof) and any such security thereafter created by the resulting or surviving entity in substitution for the aforesaid security over assets the value of which does not materially exceed the current value of the assets subject to such security immediately prior to such merger, amalgamation or consolidation.

For the purposes of this Condition 3, “Relevant Indebtedness” means any indebtedness now or hereafter existing which is in the form of or represented or evidenced by any bonds, notes or other securities which, in any such case, are or are capable of being listed on any recognised stock exchange and “Subsidiary” means any company of which the Issuer shall own more than 50 per cent. of the outstanding voting stock of such company.

4. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms (or the Issue Date, if no Interest Commencement Date is separately specified) to (but excluding) the Maturity Date specified in the applicable Final Terms at the rate(s) per annum equal to the Rate(s) of Interest so specified. Interest will be payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date so specified if that does not fall on an Interest Payment Date. If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount as specified in the applicable Final Terms. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date or the Issue Date, as the case may be) to (but excluding) the next (or first) Interest Payment Date or Maturity Date.

Unless specified otherwise in the applicable Final Terms, the “Following Business Day Convention” will apply to the payment of all Fixed Rate Notes, meaning that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due. If the “Modified Following Business Day Convention” is specified in the applicable Final Terms for any Fixed Rate Note, it shall mean that if the Interest Payment Date or Maturity Date would otherwise fall on a day which is not a Business Day (as defined in Condition 4(b)(i) below), the related payment of principal or interest will be made on the next succeeding Business Day as if made on the date such payment was due unless it would thereby fall into the next calendar month in which event the full amount of payment shall be made on the immediately preceding Business Day as if made on the day such payment was due. Unless specified otherwise in the applicable Final Terms, the amount of interest due shall not be changed if payment is made on a day other than an Interest Payment Date or the Maturity Date as a result of the application of a Business Day Convention specified above or other Business Day Convention specified in the applicable Final Terms.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such global Note; or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction (as specified in the applicable Final Terms) and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Terms and Conditions, “Day Count Fraction” means (unless specified otherwise in the applicable Final Terms):

- (i) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period (as defined below) during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would

occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and

- (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next scheduled Interest Payment Date or the Maturity Date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360 and, in the case of an incomplete month, the number of days elapsed; and

“Determination Period” means each period from (and including) a Determination Date (as specified in the applicable Final Terms) to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes

- (i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms (or the Issue Date, if no Interest Commencement Date is separately specified) and at the rate equal to the Rate of Interest payable in arrear on the Maturity Date and on either:

- (A) the Specified Interest Payment Date(s) (each, together with the Maturity Date, an “Interest Payment Date”) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with the Maturity Date, an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date or Issue Date, as applicable.

Such interest will be payable in respect of each Interest Period. In these Terms and Conditions, “Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date or Issue Date, as applicable) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day (as defined below), then, if the Business Day Convention specified is:

- (1) in any case where a Specified Period is specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below in this sub-paragraph (1) shall apply *mutatis mutandis* or (ii) in the case of (y) above,

shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls within the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, “Business Day” means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each place as is specified in the applicable Final Terms (each an “Additional Business Centre”); and
- (B) (1) in relation to any sum payable in a Specified Currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System or any successor thereto (the “TARGET2 System”) is open; or (3) in relation to any sum payable in Renminbi, a day on which commercial banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong. Unless otherwise provided in the applicable Final Terms, the principal financial centre of any country for the purpose of these Terms and Conditions shall be as provided in the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc.) as supplemented, amended and updated as of the first Issue Date of the Notes of the relevant Series (the “ISDA Definitions”) (except if the Specified Currency is Australian dollars or New Zealand dollars the principal financial centre shall be Sydney and Auckland, respectively).

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(iii) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any) as determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms). For the purposes of this sub-paragraph (iii) “ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any)” for an Interest Period means a rate equal to the Floating Rate that would be determined under an interest rate swap transaction under the terms of an agreement (regardless of any event of default or termination event thereunder) incorporating the ISDA Definitions with the holder of the relevant Note under which:

- (A) the manner in which the Rate of Interest is to be determined is the “Floating Rate Option” as specified in the applicable Final Terms;
- (B) the Issuer is the “Floating Rate Payer”;
- (C) the Agent or other person specified in the applicable Final Terms is the “Calculation Agent”;
- (D) the Interest Commencement Date is the “Effective Date”;
- (E) the Aggregate Nominal Amount of Notes is the “Notional Amount”;
- (F) the relevant Interest Period is the “Designated Maturity” as specified in the applicable Final Terms;
- (G) the Interest Payment Dates are the “Floating Rate Payer Payment Dates”;
- (H) the Margin is the “Spread”; and
- (I) the relevant Reset Date is the day specified in the applicable Final Terms.

When this sub-paragraph (iii) applies with respect to each relevant Interest Payment Date:

- (A) the amount of interest determined for such Interest Payment Date shall be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though calculated under sub-paragraph (vi) below; and
- (B) (i) “Floating Rate”, “Floating Rate Option”, “Floating Rate Payer”, “Effective Date”, “Notional Amount”, “Floating Rate Payer Payment Dates”, “Spread”, “Calculation Agent”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions; and (ii) “Euro-zone” means the region comprised of the Member States of the European Union that adopt the single currency in accordance with the Treaty on the Functioning of the European Union, as amended).

(iv) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the rate or offered quotation (if there is only one rate or offered quotation on the Relevant Screen Page); or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the rates or offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate (as specified in the applicable Final Terms) for deposits in the Specified Currency for that Interest Period which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) (as specified in the applicable Final Terms) as at 11.00 a.m. (in the Relevant Financial Centre specified in the applicable Final Terms) on the Interest Determination Date (as defined below) in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent (or such other Calculation Agent specified in the applicable Final Terms). If, in the case of (B) above, five or more such rates or offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest rate or offered quotation one only of such rates or offered quotations) and the lowest (or, if there is more than one such lowest rate or offered quotation, one only of such rates or offered quotations) shall be disregarded by the Agent (or such other Calculation Agent specified in the applicable Final Terms) for the purpose of determining the arithmetic mean (rounded as provided above) of such rates or offered quotations.

The expression “Reference Rate” means EURIBOR or LIBOR as specified in the applicable Final Terms and the expression “Relevant Screen Page” means such page, whatever its designation, on which the Reference Rate that is for the time being displayed on the Reuters Monitor Money Rates Service or Dow Jones Market Limited or such other service, as specified in the applicable Final Terms.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such rate or quotation appears or, in the case of (B) above, fewer than three of such rates or offered quotations appear, in each case as at the time specified in the preceding paragraph.

(v) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(vi) Determination of Rate of Interest and Calculation of Interest Amounts

The Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) will calculate the amount of interest (the “Interest Amount”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a global Note, the aggregate outstanding nominal amount of the Notes represented by such global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction (as specified in the applicable Final Terms) and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Without prejudice to sub-paragraph (viii) below, the determination of the Rate of Interest and calculation of each Interest Amount by the Agent (or the Calculation Agent specified in the applicable Final Terms if the Agent is not the Calculation Agent) shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on all parties. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“Day Count Fraction” means in respect of the calculation of an amount of interest for any Interest Period:

- (A) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;

- (D) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (E) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (F) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30; and

- (G) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366.

(vii) Linear Interpolation

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity (as defined below) were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period, provided however, that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent (or if the Agent is not the Calculation Agent, the Calculation Agent specified in the applicable Final Terms) shall determine such rate at such time and by reference to such sources as it determines appropriate. For the purposes of this paragraph, the expression “Designated Maturity” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(viii) Notification of Rate of Interest and Interest Amount

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor (if applicable), the other Paying Agents, the Registrar and the Transfer Agent (in the case of Registered Notes) and the relevant stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being admitted to trading or listing and will cause notice thereof to be published or given in accordance with Condition 14 as soon as possible after their determination but in no event later than the earlier of the fourth London Business Day thereafter or the first Business Day of each Interest Period. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate

alternative arrangements made by way of adjustment) without publication as aforesaid or prior notice in the event of an extension or shortening of the Interest Period in accordance with the provisions hereof. Any such amendment or alternative arrangements will promptly be notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being admitted to trading or listing. For the purposes of this paragraph, the expression "London Business Day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(ix) **Certificates to be Final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or other Calculation Agent, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders and Couponholders and (in the case of Registered Notes) the Registrar and the Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Guarantor (if applicable), the Noteholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(a) ***Accrual of Interest***

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note to be redeemed) will cease to bear interest (if any) from the date scheduled for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the rate of interest then applicable or at such other rate as may be specified in the applicable Final Terms until the earlier of (i) the day on which, upon due presentation or surrender of such Note (if required), the relevant payment is made; and (ii) the seventh day after the date on which the Agent or (in the case of Registered Notes) the Registrar or the Transfer Agent having received the funds required to make such payment, notice is given to the Noteholders in accordance with Condition 14 of that circumstance (except to the extent that there is failure in the subsequent payment thereof to the relevant Noteholders).

5. Payments

(a) ***Method of Payment***

Subject as provided below:

- (i) payments in a Specified Currency other than euro, U.S. dollars or Renminbi, will be made by transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) unless specified otherwise in the applicable Final Terms; provided that, if the Specified Currency is Australian dollars, payments will be made outside the Commonwealth of Australia by Australian dollar cheque drawn on, or by transfer to an Australian dollar account maintained by the payee with, a bank outside Australia;
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (iii) payment in U.S. dollars, except as provided by Condition 5(d), shall be made by credit or transfer to a U.S. dollar account outside the United States specified by the payee; and
- (iv) payment in Renminbi shall be made by credit or transfer to a Renminbi account maintained by or on behalf of the payee with a bank in Hong Kong or such other financial centre(s) as may be specified in the applicable Final Terms as RMB Settlement Centre(s) in accordance with applicable laws, rules, regulations and guidelines issued from time to time (including all

applicable laws and regulations with respect to settlement in Renminbi in Hong Kong or any relevant RMB Settlement Centre).

Without prejudice to the provisions of Condition 7, payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in any jurisdiction and (ii) any withholding required pursuant to sections 1471 through to 1474 of the U.S. Internal Revenue Code of 1986, as amended (including any regulations or official interpretations issued with respect thereto or any agreement entered into by any person with the IRS pursuant to such provisions) (the “Code”) or any treaty, law, regulation, intergovernmental agreement or official guidance of any other taxing jurisdiction relating to an intergovernmental agreement implementing an alternative to such sections of the Code (collectively, “FATCA”).

(b) Presentation of Notes and Coupons – Bearer Notes

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the Specified Currency in the manner provided in Condition 5(a) above only against surrender of such definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against surrender of Coupons, in each case at the specified office of any Paying Agent outside the United States. Payments under Condition 5(a) above made, at the option of the bearer of such Note or Coupon, by cheque shall be mailed or delivered to an address outside the United States furnished by such bearer. Subject to any applicable laws and regulations, such payments made by transfer will be made in immediately available funds to an account maintained by the payee with a bank located outside the United States. No payment in respect of any definitive Note or Coupon will be made upon presentation of such definitive Note or Coupon at any office or agency of the Issuer, the Guarantor (if applicable) or any Paying Agent in the United States, nor will any such payment be made by transfer to an account, or by mail to an address, in the United States.

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relevant missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date or Issue Date (as applicable) shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant global Note, where applicable against presentation or surrender, as the case may be, of such global Note, if the global Note is not issued in NGN form or held under the NSS, at the specified office of any Paying Agent located outside the United States except as provided below. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made on such global Note either by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

(c) Presentation and Surrender of Notes – Registered Notes

Provisions in relation to payments of principal and interest in respect of Registered Notes will be set out in the relevant global Registered Note or definitive Registered Note and as otherwise set out in these Terms and Conditions. Interest on Registered Notes shall be paid to the person shown on the Register on the Record Date, and “Record Date” means, in the case of global Registered Notes, at the close of business on the relevant clearing system business day before the due date for payment thereof or, in the case of Registered Notes in definitive form, at close of business on the fifteenth day before the due date for payment thereof.

(d) Global Notes

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer or, as the case may be, the Guarantor (if applicable) will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor (if applicable) to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer or, as the case may be, the Guarantor (if applicable) in respect of any payments due on that global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and/or interest in respect of the Notes denominated in U.S. dollars will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)) if:

- (i) the Issuer and (if applicable) the Guarantor have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and (if applicable) the Guarantor, adverse tax consequences to the Issuer or the Guarantor (if applicable).

(e) Payment Day

Unless specified otherwise in the applicable Final Terms, if the due date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, “Payment Day” means any day which (subject to Condition 8) is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation (if presentation is required); and
 - (B) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) (1) in relation to any sum payable in a Specified Currency other than euro or Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the

principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open; or (3) in relation to any sum payable in Renminbi, a day on which banks and foreign exchange markets are open for business and settlement of Renminbi payments in Hong Kong.

Notwithstanding anything herein to the contrary, in the case of Notes issued by Nestlé Holdings, Inc., if for any reason any Note with a stated Maturity Date of six months or less from the Issue Date would mature on a day that is not a Payment Day and would thereby be repayable on a date which is six months or more from the Issue Date, it shall be repaid on the last Payment Day that is not later than six months after the Issue Date.

(f) Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes; and
- (v) any premium and any other amounts (other than interest) which may be payable by the Issuer or (where applicable) the Guarantor under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable under Condition 7.

(g) Payment of U.S. Dollar Equivalent

Notwithstanding any other provisions in these Terms and Conditions, if by reason of Inconvertibility (as defined below), Non-transferability (as defined below) or Illiquidity (as defined below), the Issuer (or the Guarantor, as the case may be) determines in good faith that it is not able, or it would be impracticable for it, to satisfy payments due under the Notes or Coupons (or the Guarantee, as the case may be) in Renminbi in Hong Kong, the Issuer or the Guarantor (as applicable) shall settle any such payment in U.S. dollars on the due date for payment at the U.S. Dollar Equivalent of any such Renminbi denominated amount and give notice thereof (including details thereof) as soon as practicable to the Noteholders in accordance with Condition 14.

In such event, payments of the U.S. Dollar Equivalent of the relevant amounts due under the Notes or Coupons (or the Guarantee, as the case may be) shall be made in accordance with Condition 5(a).

In this Condition 5(g):

“Governmental Authority” means any *de facto* or *de jure* government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong;

“Illiquidity” means the general Renminbi exchange market in Hong Kong becomes illiquid as a result of which the Issuer (or the Guarantor, as the case may be) cannot obtain sufficient Renminbi in order to satisfy its obligation to make a payment under the Notes or Coupons (or the Guarantee);

“Inconvertibility” means the occurrence of any event that makes it impossible for the Issuer (or the Guarantor, as the case may be) to convert into Renminbi any amount due in respect of the Notes or

Coupons (or the Guarantee) into Renminbi on any payment date in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer (or the Guarantor, as the case may be) to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer (or the Guarantor, as the case may be) due to an event beyond its control, to comply with such law, rule or regulation);

“Non-transferability” means the occurrence of any event that makes it impossible for the Issuer (or the Guarantor, as the case may be) to deliver Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong (including where the Renminbi clearing and settlement system for participating banks in Hong Kong is disrupted or suspended), other than where such impossibility is due solely to the failure of the Issuer (or the Guarantor, as the case may be) to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date of the first Tranche of the relevant Series and it is impossible for the Issuer (or the Guarantor, as the case may be) due to an event beyond its control, to comply with such law, rule or regulation);

“Rate Determination Business Day” means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, London and New York City;

“Rate Determination Date” means the day which is two Rate Determination Business Days before the due date of the relevant amount under the Notes;

“Spot Rate” means, unless specified otherwise in the applicable Final Terms, the spot CNY/U.S.\$ exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong for settlement in two Rate Determination Business Days, as determined by the Calculation Agent at or around 11.00 a.m. (Hong Kong time) on the Rate Determination Date, on a deliverable basis by reference to Reuters Screen Page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen Page TRADNDF. If neither rate is available, the Calculation Agent shall determine the rate taking into consideration all available information which the Calculation Agent deems relevant, including pricing information obtained from the Renminbi non-deliverable exchange market in Hong Kong or elsewhere and the CNY/U.S.\$ exchange rate in the PRC domestic foreign exchange market; and

“U.S. Dollar Equivalent” means the relevant Renminbi amount converted into U.S. dollars using the Spot Rate for the relevant Rate Determination Date.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(g), whether by the Agent or other Calculation Agent, shall (in the absence of negligence, wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor (if applicable), the Agent, Calculation Agent (if applicable), any other Paying Agents and all Noteholders and Couponholders and (in the case of Registered Notes) the Registrar and the Transfer Agent and (in the absence as aforesaid) no liability to the Issuer, the Guarantor (if applicable), the Noteholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

6. Redemption and Purchase

(a) At Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) Redemption for Tax Reasons

- (i) The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case

of Floating Rate Notes), on giving not less than 30 nor more than 60 days' notice to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

- (A) on the occasion of the next payment due under the Notes or (if applicable) the Guarantee, the Issuer or (if applicable) the Guarantor, as the case may be, will be or is expected to become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of the jurisdiction in which the Issuer is incorporated or, in the case of payment by the Guarantor (if applicable), Switzerland or, in either case, any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment is expected to become effective on or after the Issue Date of the first Tranche of the Notes; and
- (B) such obligation cannot be avoided by the Issuer or (where applicable) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or (where applicable) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this Condition 6(b), the Issuer shall deliver to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, a certificate signed by an officer of the Issuer stating that the obligation referred to in (A) above cannot be avoided by the Issuer or (if applicable) the Guarantor taking reasonable measures available to it and the Agent shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out in (B) above in which event it shall be conclusive and binding on the Noteholders and the Couponholders.

- (ii) If the Issuer or the Guarantor (if applicable) would, on the next payment in respect of the Notes, be prevented by the law of the jurisdiction in which the Issuer is incorporated or, in the case of payment by the Guarantor (if applicable), Switzerland, from making payment of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7, then the Issuer shall forthwith give notice of such fact to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, and the Issuer shall redeem all, but not some only, of the Notes then outstanding upon giving prior notice to the holders of Notes in accordance with Condition 14, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer or the Guarantor (if applicable), as the case may be, could make payment without withholding or, if that date is past, as soon as practicable thereafter.

Each Note redeemed pursuant to this Condition 6(b) will be redeemed at its Early Redemption Amount referred to in Condition 6(g) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) Final Terms

The Final Terms applicable to the Notes indicates either:

- (i) that the Notes cannot be redeemed prior to their Maturity Date (except as otherwise provided in Condition 6(b) above and in Condition 9); or
- (ii) that such Notes will be redeemable at the option of the Issuer and/or the holders of the Notes prior to such Maturity Date in accordance with the provisions of Condition 6(d) and/or Condition 6(e) below on the date or dates and at the amount or amounts indicated in the applicable Final Terms.

(d) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than 30 nor more than 60 days' notice to the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not greater than the Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a global Note, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published or notified in accordance with Condition 14 not less than 30 days prior to the date fixed for redemption, or such other period as is specified in the applicable Final Terms. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 10 days prior to the Selection Date.

(e) Redemption at the Option of the Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 30 nor more than 60 days' notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of the Note the holder of the Note must, if the Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (other than the Transfer Agent), in the case of Bearer Notes, or the Registrar or Transfer Agent, in the case of Registered Notes, at any time during normal business hours of such Paying Agent or the Registrar or Transfer Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent, or the Registrar or the Transfer Agent (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by the Note or evidence satisfactory to the Paying Agent concerned that such Note will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is represented by a global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the holder of the Note must, within the notice period, give notice to the Agent in the case of Bearer Notes, or the Registrar or the Transfer Agent, in the case of Registered Notes, of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or, as the case may be, the common safekeeper for them to the Agent, or the Registrar or the Transfer Agent (in the case of Registered Notes) by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

(f) Redemption on change of ownership of the Issuer

If Nestlé S.A. shall cease to own, directly or indirectly, at least 51 per cent. of the outstanding voting stock or share capital, as the case may be, issued by the Issuer, the Issuer shall give notice to such effect by publication in accordance with Condition 14 within 10 days of the occurrence of such circumstance. Such notice shall state that any Noteholder may cause his Note to be redeemed in whole by duly completing the Redemption Notice on such Note and delivering such Note (together with all

unmatured Coupons appertaining thereto or indemnity satisfactory to the Issuer therefor) to the principal office of the Agent or the Paying Agent (other than the Transfer Agent), in the case of Bearer Notes, or the Registrar or the Transfer Agent, in the case of Registered Notes, during the next 30 days commencing from the date of such publication. Each such Note will be redeemed on the fifth Business Day after the end of such 30-day period at its Early Redemption Amount, together (if applicable) with accrued interest to the date fixed for redemption.

The delivery of a Note with a duly completed Redemption Notice thereon shall constitute an irrevocable election on the part of the holder thereof to cause such Note to be redeemed on the date fixed for redemption.

(g) Early Redemption Amounts

For the purpose of Conditions 6(b) and (f) above and Condition 9, each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (i) in the case of Notes (other than Zero Coupon Notes) at the amount specified in the applicable Final Terms or, if no such amount is so specified in the Final Terms, at their nominal amount; or
- (ii) in the case of Zero Coupon Notes, at an amount (the “Amortised Face Amount”) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

“RP” means the Reference Price; and

“AY” means the Accrual Yield expressed as a decimal; and

“y” is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360 day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 365).

(h) Purchases

The Issuer or any of its subsidiaries (other than subsidiaries organised in or under the laws of the United States) may at any time purchase Notes (provided that, in the case of definitive Bearer Notes and Coupons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(i) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6(h) above (together with all unmatured Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold. If any Note is purchased and cancelled without all unmatured Coupons appertaining thereto, the Issuer shall

make payment in respect of any such missing Coupon in accordance with Condition 5 as if the relevant Note had remained outstanding for the period to which such Coupon relates.

(j) Late Payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Conditions 6 (a), (b), (d), (e) or (f) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6(g)(ii) above as though the references therein to the date fixed for the redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given in accordance with Condition 14.

The Issuer or, if the Note is guaranteed, the Guarantor (if the Guarantor is obliged to make payments under the Guarantee) will, subject to the exceptions and limitations set forth below and to the extent permitted by law, pay as additional interest on a Note such additional amounts as are necessary in order that the net payment by the Issuer, the Guarantor or any Paying Agent of the principal of and interest on a Note or Coupon to a holder who is a Non-U.S. Holder (as such term is defined below), after deduction for any present or future tax, assessment or governmental charge of the United States, or a political subdivision or authority thereof or therein, imposed by withholding with respect to the payment, will not be less than the amount provided for in such Note or Coupon to be then due and payable; provided, however, that the foregoing obligation to pay additional amounts shall not apply to:

- (i) any tax, assessment or governmental charge that would not have been so imposed but for the existence of any present or former connection between such holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or holder of power over, such holder, if such holder is an estate, trust, partnership or corporation) and the United States, including, without limitation, such holder (or fiduciary, settlor, beneficiary, member, shareholder or holder of a power) being considered as:

- (ii) any holder who is a fiduciary or partnership or other than the sole beneficial owner of the Note or Coupon, but only to the extent that a beneficiary or settlor with respect to such fiduciary or member of such partnership or a beneficial owner of the Note or Coupon would not have been entitled to the payment of an additional amount had such beneficiary, settlor, member or beneficial owner been the holder of such Note or Coupon;

- (iii) any tax, assessment or governmental charge that would not have been imposed or withheld but for the failure of the holder, if required, to comply with certification, identification or information reporting or any other requirements under United States income tax laws and regulations, without regard to any tax treaty, with respect to the payment, concerning the nationality, residence, identity or connection with the United States of the holder or a beneficial owner of such Note or Coupon, if such compliance is required by United States income tax laws and regulations, without regard to any tax treaty, as a precondition to relief or exemption from such tax, assessment or governmental charge, including in the case of Notes that have a maturity of more than 183 days, failure of the Noteholder or Couponholder or of the beneficial owner of such Note or Coupon, to provide a valid U.S. Internal Revenue Service (“IRS”) Form W-8BEN (or successor or substitute therefor) or other documentation as permitted by official IRS guidance;
- (iv) any tax, assessment or governmental charge that would not have been so imposed or withheld but for the presentation by the holder of such Note or Coupon for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (v) any estate, inheritance, gift, sales, transfer, excise, wealth or personal property tax or any similar tax, assessment or governmental charge;

All payments of principal and interest in respect of the Notes by the Issuer or the Guarantor (if the Guarantor is obliged to make payments under the Guarantee) will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of Luxembourg or any province, territory or other political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In the event that the Issuer, the Guarantor or any agent of the Issuer or the Guarantor is required by law to make such withholding or deduction, the Issuer or the Guarantor will pay to the extent permitted by law such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (i) where the withholding or deduction in question is required by virtue of the Noteholder or Couponholder having some connection with Luxembourg other than the mere holding of such Note or Coupon;
- (ii) where presentation of the Note or Coupon is required, presented for payment more than 30 days after the Relevant Date (as defined in Condition 7(c)) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day (assuming that day to have been a Payment Day (as defined in Condition 5));
- (iii) where presentation of the Note or Coupon is required, presented for payment at the specified office of a Paying Agent in Luxembourg or in Switzerland;
- (iv) where the Noteholder or Couponholder of which would not be liable for such taxes or duties in respect of such Note or Coupon by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority;
- (v) where such withholding or deduction is imposed on a payment to or for an individual or a residual entity within the meaning of the European Council Directive 2003/48/EC and is required to be made pursuant to the European Council Directive 2003/48/EC, including the Swiss Savings Tax Agreement providing for measures equivalent to those set out in the European Council Directive 2003/48/EC, or any law implementing or complying with, or introduced in order to conform to, the Directive or the Swiss Savings Tax Agreement;

- (vii) where such withholding or deduction is required to be made pursuant to any agreement between Switzerland and any other country on final withholding taxes (*internationale Quellensteuern*) levied by a Swiss paying agent, as defined in the respective treaty, in respect of an individual resident in the other country on interest or capital gain paid, or credited to an account, relating to such Note or Coupon; and/or

(c) In relation to issues by Nestlé Finance International Ltd. or issues by Nestlé Holdings, Inc. which are guaranteed

All payments in respect of the Notes by the Guarantor shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“Taxes”) imposed or levied by or on behalf of Switzerland, or any political subdivision of, or any authority in, or of, Switzerland having power to tax, unless the withholding or deduction of the Taxes is required by law. In the event that the Guarantor or any agent of the Guarantor is required by law to make such withholding or deduction, the Guarantor will pay to the extent permitted by law such additional amounts as may be necessary in order that the net amounts received by the Noteholders and Couponholders after the withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Notes or, as the case may be, Coupons in the absence of the withholding or deduction; except that no additional amount shall be payable in relation to any payment in respect of any Note or Coupon:

- (i) where the withholding or deduction in question is required by virtue of the Noteholder or Couponholder having some connection with Switzerland other than the mere holding or ownership of such Note or Coupon;
- (ii) where presentation of the Note or Coupon is required, presented for payment more than 30 days after the Relevant Date (as defined in Condition 7(c)) except to the extent that a holder would have been entitled to additional amounts on presenting the same for payment on such thirtieth day (assuming that day to have been a Payment Day (as defined in Condition 5));
- (iii) where the Noteholder or Couponholder of which would be able to avoid such withholding or deduction by making a declaration of non-residence or similar claim for exemption but fails to do so;
- (iv) where such withholding or deduction is imposed on a payment to or for an individual or a residual entity within the meaning of the European Council Directive 2003/48/EC which is required to be made pursuant to the European Council Directive 2003/48/EC, including the Swiss Savings Tax Agreement providing for measures equivalent to those set out in the European Council Directive 2003/48/EC, or any law implementing or complying with, or introduced in order to conform to, the Directive or the Swiss Savings Tax Agreement;
- (v) any tax required to be withheld or deducted from a payment pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the Issuer or Guarantor withhold or deduct tax;
- (vi) where such withholding or deduction is required to be made pursuant to any agreement between Switzerland and any other country on final withholding taxes (*internationale Quellensteuern*) levied by a Swiss paying agent, as defined in the respective treaty, in respect of an individual resident in the other country on interest or capital gain paid, or credited to an account, relating to such Note or Coupon; and/or
- (vii) where the Noteholder or Couponholder of which would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used herein, the “Relevant Date” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

8. Prescription

Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7(c)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 8 or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

The Issuer and the Guarantor (if applicable) are entitled to vary or terminate the appointment of any Paying Agent or (in the case of Registered Notes) the Registrar or the Transfer Agent and/or appoint additional or other Paying Agents or Transfer Agents and/or approve any change in the specified office through which any Paying Agent, Registrar or Transfer Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange or admitted to listing or trading by any other relevant authority, there will at all times be a Paying Agent (which may be the Agent and, in respect of Registered Notes, the Transfer Agent) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (ii) there will at all times be a Paying Agent (which may be the Agent) with a specified office in a city in Europe;
- (iii) there will at all times be an Agent;
- (iv) in respect of Registered Notes, there will at all times be a Registrar;
- (v) there will at all times be a Paying Agent (which may be the Agent and, in respect of Registered Notes, the Transfer Agent) in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (vi) there will at all times be a Paying Agent (which may be the Agent and, in respect of Registered Notes, the Transfer Agent) in a jurisdiction within Europe other than Switzerland that will not be required to withhold or deduct tax pursuant to laws enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the Issuer or the Guarantor withhold or deduct tax.

In addition, the Issuer and the Guarantor (if applicable) shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In addition, in relation to Registered Notes issued or to be issued by it, Nestlé Holdings, Inc. is entitled to vary or terminate the appointment of any registrar, transfer agent or paying agent and/or appoint additional transfer agents, paying agents and/or approve any change in the specified office through which any such registrar, transfer agent or paying agent acts, provided that there will at all times be a registrar and a paying agent capable of making payments in the Specified Currency and (in the case of global Registered Notes) to the clearing system specified in the applicable Final Terms.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

13. Substitution

The Issuer may be replaced and the Guarantor or any subsidiary of the Guarantor may be substituted for the Issuer as principal debtor in respect of the Notes and Coupons, without the consent of the Noteholders or Couponholders. If the Issuer shall determine that the Guarantor or any such subsidiary shall become the principal debtor (in such capacity, the "Substituted Debtor"), the Issuer shall give not less than 30 nor more than 45 days' notice, in accordance with Condition 14, to the Noteholders of such event and, immediately on the expiry of such notice, the Substituted Debtor shall become the principal debtor in respect of the Notes and the Coupons in place of the Issuer and the Noteholders and the Couponholders shall thereupon cease to have any rights or claims whatsoever against the Issuer. However, no such substitution shall take effect (i) if the Substituted Debtor is not the Guarantor, until the Guarantor shall have entered into an unconditional and irrevocable guarantee substantially in the form of the Guarantee in respect of the obligations of such Substituted Debtor, (ii) in any case, until the Substituted Debtor shall have provided to the Agent or (in the case of Registered Notes) the Registrar and the Transfer Agent, such documents as may be necessary to make the Notes and the Agency Agreement and (in the case of Registered Notes) the Note Agency Agreement) its legal, valid and binding obligations, (iii) until such Substituted Debtor shall have agreed to indemnify each Noteholder and Couponholder against (a) any tax, duty, fee or governmental charge which is imposed on such holder by the jurisdiction of the country of its residence for tax purposes and, if different, of its incorporation or any political subdivision or taxing authority thereof or therein with respect to such Note or Coupon and which would not have been so imposed had such substitution not been made, (b) any tax, duty, fee or governmental charge imposed on or relating to the act of substitution and (c) any costs or expenses of the act of substitution and (iv) until such Substituted Debtor shall have been approved by the relevant authorities as able to issue the relevant Notes. Upon any such substitution, the Notes and Coupons will be modified in all appropriate respects.

14. Notices

All notices regarding the Notes shall be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any global Note is or are held in its or their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspapers the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the third day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg, or on such other day as is specified in the applicable Final Terms.

Notices to holders of Registered Notes in definitive form will be deemed to be validly given if sent by mail to them (or, in the case of joint holders of Registered Notes, to the first-named holder in the register kept by the Registrar) at their respective addresses as recorded in the such register, and will be deemed to have been validly given on the fourth business day after the date of such mailing.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, in the case of Bearer Notes, with the Agent or in the case of Registered Notes, with the Registrar. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to, in the case of Bearer Notes, the Agent or, in the case of Registered Notes, to the Registrar, via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

The holders of Coupons or Talons shall be deemed to have received any notice duly given to Noteholders.

15. Meetings of Noteholders, Modification and Waiver

The Agency Agreement and, in the case of Registered Notes, the Note Agency Agreement contain provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of certain modifications of the Notes, the Coupons or certain provisions of the Agency Agreement and the Note Agency Agreement (certain provisions of such agreements may not, under existing law, be materially altered). Such a meeting may be convened by the Issuer or Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or Coupons (including modifying the date of maturity of the Notes or any date for payment of interest on the Notes, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one third, in nominal amount of the Notes for the time being outstanding. The majority required for passing an Extraordinary Resolution is 75 per cent. of the persons voting thereat upon a show of hands or if a poll be duly demanded then by a majority consisting of not less than 75 per cent. of the votes given on such poll. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders.

No resolution passed at any meeting of Noteholders shall be binding on the Issuer or the Guarantor (if applicable) without the written consent of the Issuer or, as the case may be, the Guarantor.

The Agent and (in the case of Registered Notes) the Registrar, the Issuer and the Guarantor (where applicable) may agree, without the consent of the Noteholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Agency Agreement and (in the case of Registered Notes) the Note Agency Agreement, which is not materially prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Terms and Conditions or any provision of the Notes, the Coupons or the Agency Agreement or (in the case of Registered Notes) the Note Agency Agreement, which is to correct a manifest error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or Couponholders to create and issue further notes ranking *pari passu* in all respects (or in all respects save for the Issue Date, the amount, the date of the first payment of interest thereon, and the date from which interest starts to accrue and/or the Issue Price) and so that the same shall be assimilated and be consolidated and form a single series with the outstanding Notes and references in these Terms and Conditions to “Notes” shall be construed accordingly, provided that an issue of such further notes that is not issued in a “qualified reopening” for United States federal income tax purposes will be assigned a new unique security code.

17. Third Party Rights

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

18. Governing Law and Submission to Jurisdiction

The Agency Agreement, the Note Agency Agreement, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes and the Coupons are governed by, and shall be construed in accordance with, English law. Articles 86 through 94-8 (inclusive) of the Luxembourg Law of 10 August 1915 concerning Commercial Companies, as amended, shall be expressly excluded.

The Issuer submits for the exclusive benefit of the Noteholders and the Couponholders, to the jurisdiction of the English courts for all purposes in connection with the Agency Agreement, the Note Agency Agreement, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes and the Coupons and in relation thereto the Issuer has appointed Nestlé UK Ltd at its principal office of 1 City Place, Gatwick RH6 0PA, England as its agent for receipt of process on its behalf and has agreed that in the event of Nestlé UK Ltd ceasing so to act or ceasing to be registered in England it will appoint another person as its agent for service of process. Without prejudice to the foregoing, and to the extent allowed by law, the Issuer further irrevocably agrees that any suit, action or proceedings arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes and the Coupons (including any suit, action or proceedings relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the Note Agency Agreement, the Notes and the Coupons) may be brought in any other court of competent jurisdiction.

The Guarantee is governed by, and shall be construed in accordance with, Swiss law. The place of jurisdiction for any suit, action or proceeding arising out of or in connection with the Guarantee shall be Vevey, Switzerland.

PRC CURRENCY CONTROLS

The following is a general description of certain currency controls in the PRC and is based on the law and relevant interpretations thereof in effect as at the date of this Prospectus, all of which are subject to change, and does not constitute legal advice. It does not purport to be a complete analysis of all applicable currency controls in the PRC relating to the Notes. Prospective holders of Notes who are in any doubt as to PRC currency controls are advised to consult their own professional advisers.

Remittance of Renminbi into and outside the PRC

Renminbi is not a freely convertible currency. The remittance of Renminbi into and outside the PRC is subject to controls imposed under PRC law.

Current Account Items

Under PRC foreign exchange control regulations, current account item payments include payments for imports and exports of goods and services, payments of income and current transfers into and outside the PRC.

Prior to July 2009, all current account items were required to be settled in foreign currencies. Since July 2009, the PRC has commenced a pilot scheme pursuant to which Renminbi may be used for settlement of imports and exports of goods between approved pilot enterprises in five designated cities in the PRC being Shanghai, Guangzhou, Dongguan, Shenzhen and Zhuhai and enterprises in designated offshore jurisdictions including Hong Kong and Macau. In June 2010 and August 2011, respectively, the PRC Government promulgated the Circular on Issues concerning the Expansion of the Scope of the Pilot Programme of Renminbi Settlement of Cross-Border Trades and the Circular on Expanding the Regions of Cross-border Trade Renminbi Settlement (the “Circulars”) with regard to the expansion of designated cities and offshore jurisdictions implementing the pilot Renminbi settlement scheme for cross-border trades. Pursuant to the Circulars (i) Renminbi settlement of imports and exports of goods and of services and other current account items became permissible, (ii) the list of designated pilot districts was expanded to cover all provinces and cities in the PRC; and (iii) the restriction on designated offshore districts has been lifted. Accordingly, PRC enterprises and offshore enterprises are entitled to use Renminbi to settle imports of goods and services and other current account items between them; Renminbi remittance for exports of goods from the PRC may only be effected by approved pilot enterprises in designated pilot districts in the PRC.

On 3 February 2012, PBoC and five other PRC Authorities (the “Six Authorities”) jointly issued the Notice on Matters Relevant to the Administration of Enterprises Engaged in Renminbi Settlement of Export Trade in Goods (the “2012 Circular”). Under the 2012 Circular, any enterprise qualified for the export and import business is permitted to use Renminbi as settlement currency for exports, provided that the relevant provincial government has submitted to the Six Authorities a list of key enterprises subject to supervision and the Six Authorities have verified and signed off on such list. On 12 June 2012, the PBoC issued a notice stating that the Six Authorities had jointly verified and announced a list of 9,502 exporting enterprises subject to supervision and as a result any enterprise qualified for the export and import business is permitted to use Renminbi as settlement currency for exports.

On 5 July 2013, the PBOC promulgated the “Circular on Policies related to Simplifying and Improving Cross-border Renminbi Business Procedures” (the “2013 PBOC Circular”) with the intent to improve the efficiency of cross border Renminbi settlement and facilitate the use of RMB for the settlement of cross border transactions under current accounts or capital accounts. In particular, the 2013 PBOC Circular simplifies the procedures for cross border Renminbi trade settlement under current account items. For example, PRC banks, based on due diligence review to know their clients (i.e., PRC enterprises), may conduct settlement for such PRC enterprises upon the PRC enterprises presenting the payment instruction, with certain exceptions. PRC banks may also allow PRC enterprises to receive payments under current account items prior to the relevant PRC bank’s verification of underlying transactions (noting that verification of underlying transactions is usually a precondition for cross border remittance).

As new regulations, the above circulars will be subject to interpretation and application by the relevant PRC authorities. Further, if any new PRC regulations are promulgated in the future which have the effect of permitting or restricting (as the case may be) the use of Renminbi for payment of transactions categorised as current account items, then such settlement will need to be made subject to the specific requirements or restrictions set out in such rules. Local authorities may adopt different practices in applying these circulars and impose conditions for the settlement of current account items.

Capital Account Items

Under the applicable PRC foreign exchange control regulations, capital account items include cross-border transfers of capital, direct investments, securities investments, derivative products and loans. Capital account payments are generally subject to the approval of the relevant PRC authorities.

Prior to October 2011, settlements for capital account items were generally required to be made in foreign currencies. For instance, foreign investors (including any Hong Kong investors) were required to make any capital contribution to foreign invested enterprises in a foreign currency in accordance with the terms set out in the relevant joint venture contracts and/or articles of association as approved by the relevant authorities. Foreign invested enterprises or relevant PRC parties were also generally required to make capital item payments including proceeds from liquidation, transfer of shares, reduction of capital, interest and principal repayment to foreign investors in a foreign currency. That said, the relevant PRC authorities may have granted approval for a foreign entity to make a capital contribution or a shareholder's loan to a foreign invested enterprise with Renminbi lawfully obtained by it outside the PRC and for the foreign invested enterprise to service interest and principal repayment to its foreign investor outside the PRC in Renminbi on a trial basis. The foreign invested enterprise may have been required to complete a registration and verification process with the relevant PRC authorities before such Renminbi remittances.

On 7 April 2011, the SAFE promulgated the "Circular on Issues Concerning the Capital Account Items in connection with Cross-border Renminbi" (the "SAFE Circular"), which became effective on 1 May 2011. According to the SAFE Circular, in the event that foreign investors intend to use cross-border Renminbi (including Renminbi inside and outside the PRC held in the capital accounts of non-PRC residents) to make a contribution to an onshore enterprise or make a payment for the transfer of an equity interest of an onshore enterprise by a PRC resident, such onshore enterprise shall be required to submit the relevant prior written consent from MOFCOM to the relevant local branches of SAFE of such onshore enterprise and to register or change the registration of the status of the foreign invested enterprise. Further, the SAFE Circular clarifies that the borrowing by an onshore entity (including a financial institution) of Renminbi loans from an offshore creditor shall in principle follow the current regulations on borrowing foreign debts and the provision by an onshore entity (including a financial institution) of external guarantees in Renminbi shall in principle follow the current regulations on the provision of external guarantees in foreign currencies. Due to the promulgation of subsequent rules, the implementation of the SAFE Circular is subject to the interpretation and application of the relevant PRC authorities.

On 13 October 2011, the PBoC issued the Administrative Measures on RMB Settlement of Foreign Direct Investment ("PBoC RMB FDI Measures") which set out operating procedures for PRC banks to handle Renminbi settlement relating to RMB FDI and borrowing by foreign invested enterprises of offshore Renminbi loans. Prior to the PBoC FDI Measures, cross-border Renminbi settlement for RMB FDI has required approvals on a case-by-case basis from the PBoC. The new rules replace the PBoC approval requirement with less onerous post-event registration and filing requirements. The PBoC RMB FDI Measures provide that, among others, foreign invested enterprises are required to conduct registrations with the local branch of PBoC within ten working days after obtaining business licenses for the purpose of Renminbi settlement; a foreign investor is allowed to open a Renminbi expense account to reimburse some expenses before the establishment of a foreign invested enterprise and the balance in such an account can be transferred to the Renminbi capital account of such foreign invested enterprise when it is established; commercial banks can remit a foreign investor's Renminbi proceeds from distribution (dividends or otherwise) by its PRC subsidiaries out of the PRC after reviewing certain requisite documents; if a foreign investor intends to use its Renminbi proceeds from distribution (dividends or otherwise) by its PRC subsidiaries to reinvest onshore or increase the registered capital of the PRC subsidiaries, the foreign investor may open a Renminbi reinvestment account to receive such Renminbi proceeds; and the PRC parties selling a stake in domestic enterprises to foreign investors can open Renminbi accounts and receive the purchase price in

Renminbi paid by foreign investors by submitting certain documents as required by the guidelines of PBoC to the commercial banks. PBoC RMB FDI Measures also state that the foreign debt quota of a foreign invested enterprise applies to both its Renminbi debt and foreign currency debt owed to its offshore shareholders, offshore affiliates and offshore financial institutions, and a foreign invested enterprise may open a Renminbi account to receive its Renminbi proceeds borrowed offshore by submitting the Renminbi loan contract and the letter of payment order to the commercial bank and make repayments of principal and interest on such debt in Renminbi by submitting certain documents as required by the guidelines of the PBoC to the commercial bank.

On 14 June 2012, the PBoC further promulgated the Notice on Clarifying the Detailed Operating Rules for RMB Settlement of Foreign Direct Investment (“PBoC RMB FDI Notice”) to provide further guidelines for implementing the previous PBoC RMB FDI Measures. This PBoC FDI Notice details the rules for opening and operating the relevant accounts and reiterates the restrictions upon the use of the funds within different RMB accounts.

On 5 July 2013, the PBoC promulgated the 2013 PBoC Circular (together with the PBoC RMB FDI Measures and the PBoC RMB FDI Notice, the “PBoC Rules”) which, among other things, provide more flexibility for funds transfers between the Renminbi accounts held by offshore participating banks at PRC onshore banks and offshore clearing banks respectively.

On 3 December 2013, MOFCOM promulgated the Circular on Issues in relation to Cross-border Renminbi Foreign Direct Investment (the “MOFCOM Circular”), which became effective on 1 January 2014, to further facilitate FDI by simplifying and streamlining the applicable regulatory framework. The MOFCOM Circular replaced the Notice on Issues in relation to Cross-border Renminbi Foreign Direct Investment promulgated by MOFCOM on 12 October 2011 (the “2011 MOFCOM Notice”). Pursuant to the MOFCOM Circular, written approval from the appropriate office of MOFCOM and/or its local counterparts is required for each FDI, specifying “Renminbi Foreign Direct Investment” and the amount of capital contribution. Compared with the 2011 MOFCOM Notice, the MOFCOM Circular no longer contains the requirements for central level MOFCOM approvals for investments of RMB 300 million or above, or in certain industries, such as financial guarantee, financial leasing, micro-credit, auction, foreign invested investment companies, venture capital and equity investment vehicles, cement, iron and steel, electrolyse aluminium, ship building and other industries under the state macro-regulation. Unlike the 2011 MOFCOM Notice, the MOFCOM Circular has also removed the approval requirement for foreign investors who intend to change the currency of their existing capital contribution from a foreign currency to Renminbi. Consistent with the 2011 MOFCOM Notice, the MOFCOM Circular still expressly prohibits the FDI Renminbi funds from being used for any investment in securities and financial derivatives (except for investment in PRC listed companies by strategic investors) or for entrustment loans in the PRC.

As the SAFE Notices, the MOFCOM Circular, the PBoC Rules, the PBOC RMB FDI Measures and the PBoC RMB FDI Notice are relatively new circulars, they will be subject to interpretation and application by the relevant PRC authorities. There is no assurance that approval of such remittances, borrowing or provision of external guarantee in Renminbi will continue to be granted or will not be revoked in the future. Further, since the remittance of Renminbi by way of investment or loans are now categorised as capital account items, such remittances will need to be made subject to the specific requirements or restrictions set out in the relevant SAFE rules.

If any new PRC regulations are promulgated in the future which have the effect of permitting or restricting (as the case may be) the remittance of Renminbi for payment of transactions categorised as capital account items, then such remittances will need to be made subject to the specific requirements or restrictions set out in such rules.

The year 2013 was another year in which capital investment ran at a relatively high level which is expected to come down in 2014. There was little merger and acquisition activity in 2013.

On 30 November 2012, the Nestlé Group acquired Pfizer Nutrition for USD 11.85 billion, a strategic move to enhance its position in global infant nutrition. The acquisition was undertaken to complement the Nestlé Group's existing infant nutrition business to combine established brands like S-26 Gold, SMA and Promil with the Nestlé Group brands such as Nan, Gerber, Lactogen, Nestogen and Cerelac infant cereal.

As at 31 December 2013, the Nestlé Group held 178,381,021 shares in L'Oréal, the world leader in cosmetics, representing a 29.7 per cent. participation in its equity after consideration of its own shares. The Nestlé Group announced on 11 February 2014 its intention to sell 48.5 million of its L'Oréal shares to L'Oréal for EUR 6.0 billion, subject to regulatory approvals. Part of the proceeds will be used to acquire the remaining 50 per cent. of the shares of the Swiss dermatology pharmaceuticals company Galderma currently owned by L'Oréal for EUR 2.6 billion, subject to regulatory approvals. Otherwise, whilst the Nestlé Group continues to make ongoing investments, since the date of its last published financial statements, the Group has made no other material investments or firm commitments with respect to material investments in the future.

Nomination Committee

The Nomination Committee consists of a Chairperson, who is an independent and non-executive member of the Board, the Chairman of the Board of Directors and a minimum of two independent and non-executive members of the Board. It establishes the principles for the selection of candidates to the Board, selects candidates for election or re-election to the Board and prepares a proposal for the Board's decision. The candidates to the Board must possess the necessary profiles,

qualifications and experience to discharge their duties. Newly appointed Board members receive an appropriate introduction into the business and affairs of Nestlé S.A. and the Nestlé Group. If required, the Nomination Committee arranges for further training. It reviews, at least annually, the independence of the members of the Board and it prepares the annual self-evaluation of the Board and its Committees. It oversees the long-term succession planning of the Board. The current members of the Nomination Committee are Andreas Koopmann (Chair), Peter Brabeck-Letmathe, Steven G. Hoch and Ann M. Veneman.

TAXATION

General

The discussion of taxation in this section is only an indication of certain tax implications under the laws of those jurisdictions as they may affect investors. It applies only to persons who are beneficial owners of Notes and may not apply to certain classes of person (such as dealers). The Issuers and the Guarantor (if applicable) make no representations as to the completeness of the information nor undertake any liability of whatsoever nature for the tax implications for investors. **Potential investors are strongly advised to consult their own professional advisers as to the tax implications of investing in Notes.**

United States

The following is a summary based on present law of certain United States federal income tax considerations for a prospective purchaser of Notes issued by NHI. This summary addresses only the tax considerations for an initial Holder of the Notes that acquires Notes on their original issue at their original offering price and that is not a U.S. Person (a “Non-U.S. Holder”). For this purpose, a “U.S. Person” is (i) a citizen or individual resident of the United States, (ii) a corporation, partnership or other entity created or organised in or under the laws of the United States or its political subdivisions, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust subject to the control of a U.S. person and the primary supervision of a U.S. court. This summary also assumes that the Notes will be treated as debt for United States federal tax purposes and that the Notes will be offered, sold and delivered in compliance with and payments on the Notes will be made in accordance with certain required procedures set forth in the Terms and Conditions of the Notes and other relevant documents. Finally, it does not describe any tax consequences arising out of the tax laws of any state, local or non-U.S. jurisdiction. Except for Notes having a maturity of not more than 183 days at issuance, NHI will only be permitted to issue Notes that are treated as issued in registered form for United States federal tax purposes. Notwithstanding the foregoing, NHI may issue Notes represented by a Note in global bearer form that has been immobilised with a clearing organisation or its depositary in accordance with procedures sufficient to cause such Notes to be treated as issued in registered form for United States federal tax purposes.

Notes will be considered to be effectively immobilised so as to be treated as issued in registered form for United States federal tax purposes where (i) the Notes are represented by one or more global Notes in physical form that are issued to and held by a clearing organisation (or by a custodian or depositary acting as an agent of the clearing organisation) for the benefit of purchasers of interests in the Notes under arrangements that prohibit the transfer of the global Note except to a successor clearing organisation subject to the same terms, (ii) beneficial interests in the underlying Notes are transferable only through a book-entry system maintained by the clearing organisation (or an agent of the clearing organisation), and (iii) holders may obtain definitive Notes in bearer form only upon the occurrence of an Exchange Event.

This summary does not address all tax considerations for a beneficial owner of the Notes and does not address the tax consequences to a Non-U.S. Holder in special circumstances. For example, this summary does not address a Non-U.S. Holder subject to United States federal income tax on a net income basis. It addresses only purchasers that hold Notes as capital assets. It does not include a discussion of Floating Rate Notes other than Floating Rate Notes whose rate is based on a conventional interest rate or composite of interest rates. The discussion is a general summary. It is not a substitute for tax advice.

THE STATEMENTS ABOUT UNITED STATES FEDERAL TAX ISSUES ARE MADE TO SUPPORT MARKETING OF THE NOTES. NO TAXPAYER CAN RELY ON THEM TO AVOID TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISER ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF INVESTING IN THE NOTES UNDER THE LAWS OF THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS AND ANY OTHER JURISDICTION WHERE THE PURCHASER MAY BE SUBJECT TO TAXATION.

U.S. Taxation of Notes

Subject to the discussion below under the heading “FATCA”, interest paid to a Non-U.S. Holder will not be subject to U.S. withholding tax, provided that:

- (i) the Non-U.S. Holder does not actually or constructively own 10 percent or more of the combined voting power of all classes of NHI’s stock entitled to vote;
- (ii) the Non-U.S. Holder is not a controlled foreign corporation as defined in section 957 of the United States Internal Revenue Code of 1986, as amended (the “Code”) that is related to NHI through stock ownership;
- (iii) the Non-U.S. Holder is not a bank described in section 881(c)(3)(A) of the Code; and
- (iv) in the case of Notes with a maturity of more than 183 days, on or before the first payment of interest or principal, the Non-U.S. Holder has provided the Paying Agents with a valid and properly executed U.S. Internal Revenue Service Form W-8 (or successor or substitute therefor) or other appropriate form of certification of non-U.S. status sufficient to establish a basis for exemption under sections 871(h)(2)(B) and 881(c)(2)(B) of the Code or equivalent certification of non-U.S. beneficial ownership has been provided by a qualified intermediary through which such non-U.S. beneficial owner holds the Notes.

If the Non-U.S. Holder is a partnership or trust for United States federal income tax purposes, interest paid to it may be subject to U.S. withholding tax unless all of its partners or beneficiaries can satisfy the conditions for exemption above.

Interest paid to a Non-U.S. Holder will not be subject to U.S. net income tax unless the interest is effectively connected with the Non-U.S. Holder’s conduct of a U.S. trade or business.

Except as described in (iv) above and in the following paragraph, a Non-U.S. Holder will not be required to disclose its nationality, residence, or identity to the Issuer, a paying agent, or any U.S. governmental authority in order to receive payment on the Notes from the Issuer or a paying agent outside the United States.

A gain realised by a Non-U.S. Holder on the disposition of a Note will not be subject to U.S. tax unless (i) the gain is effectively connected with such Non-U.S. Holder’s conduct of a U.S. trade or business or (ii) the Holder is an individual present in the United States for at least 183 days during the taxable year of disposition and certain other conditions are met.

FATCA

Notwithstanding the foregoing, in the case of Notes issued or materially modified after 30 June 2014, payments of interest (including any original issue discount) and premium, if any, made after 30 June 2014 and payments of principal on, as well as the proceeds from the sale, exchange or disposition of, such Notes made after 31 December 2016, generally will be subject to U.S. withholding tax under FATCA unless (i) the Non-U.S. Holder provides the Issuer, any paying agent, U.S. intermediary or any other non-U.S. financial institution intermediary through which it holds the Notes or receives payments on or with respect to such Notes with information necessary to determine whether the investor is a U.S. person or a non-financial, non-U.S. entity with material direct or indirect U.S. ownership or is a foreign financial institution that itself satisfies clause (ii) and (ii) each non-U.S. financial institution through which such Non-U.S. Holder holds such Notes or receives payments on or with respect to such Notes either (x) has entered into an agreement with the U.S. Internal Revenue Service (“IRS”) pursuant to which it agrees, among other responsibilities, to collect and provide to the IRS information about its direct and indirect U.S. accountholders and investors or (y) is subject to and in full compliance with the requirements of any applicable intergovernmental agreement between the jurisdiction of its place of organization or operation and the United States implementing an alternative to FATCA.

U.S. Information Reporting and Backup Withholding

Payments of principal and interest on the Notes generally will not be subject to United States information reporting or backup withholding.

Proceeds from the sale, exchange or other disposition of a Note generally will not be subject to United States information reporting unless the sale is effected through the United States office of a broker or the foreign office of a broker that is a U.S. person, is controlled by U.S. persons or receives most of its income from (or in the case of a partnership, conducts) a business in the United States. Such proceeds will not be subject to United States backup withholding unless the sale is effected through a United States office of a broker. Any amount withheld may be credited against a Holder's United States federal income tax liability or refunded to the extent it exceeds the Holder's liability.

THE DISCUSSION ABOVE IS A GENERAL SUMMARY. IT DOES NOT COVER ALL TAX MATTERS THAT MAY BE IMPORTANT TO A PARTICULAR INVESTOR. EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS OWN TAX ADVISER ABOUT THE TAX CONSEQUENCES OF AN INVESTMENT IN THE NOTES UNDER THE INVESTOR'S OWN CIRCUMSTANCES.

Luxembourg

General

The following information is of a general nature only and is based on the laws in force in Luxembourg as of the date of this Programme. It does not purport to be a comprehensive description of all tax implications that might be relevant to an investment decision. It is included herein solely for preliminary information purposes. It is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should consult their professional advisers with respect to particular circumstances, the effects of state, local or foreign laws to which they may be subject and as to their tax position.

The residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. Also, a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*), as well as personal income tax (*impôt sur le revenu*) generally. Corporate investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

Withholding tax

Resident investors

Under the Luxembourg law of 23 December 2005, as amended (the "Law"), payments of interest or similar income made since 1 January 2006 (but accrued since 1 July 2005) by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management or his/her private wealth.

Further, Luxembourg resident individuals acting in the course of the management of their private wealth who are the beneficial owners of interest payments made by a paying agent established outside Luxembourg in a Member State of the European Union or of the European Economic Area or in a jurisdiction having concluded an agreement with Luxembourg in connection with the European Council Directive 2003/48/EC on taxation of savings income (the "Directive"), may also opt for a final

10 per cent. levy. In such case, the 10 per cent. levy is calculated on the same amounts as for the payments made by Luxembourg resident paying agents. The option for the 10 per cent. levy must cover all interest payments made by the paying agent to the Luxembourg resident beneficial owner during the entire calendar year.

Non-resident investors

Under Luxembourg tax law currently in effect and subject to the application of the Luxembourg laws dated 21 June 2005, as amended (the “Laws”) implementing the Directive and several agreements concluded between Luxembourg and certain dependant territories of the European Union, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident holders of Notes. There is also no Luxembourg withholding tax, upon repayment of the principal or, subject to the application of the Laws, upon redemption or exchange of the Notes.

Under the Laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual or a residual entity in the sense of article 4.2. of the Directive (i.e. an entity without legal personality except for (1) a Finnish *avoim yhtiö* and *kommandiittiyhtiö / öppet bolag* and *kommanditbolag* and (2) a Swedish *handelsbolag* and *kommanditbolag*, and whose profits are not taxed under the general arrangements for the business taxation and that is not, or has not opted to be considered as, a UCITS recognised in accordance with Council Directive 85/611/EEC, as replaced by Directive 2009/65/EC (“Residual Entities”), resident or established in another Member State of the European Union unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals or Residual Entities resident in any of the following territories: Aruba, British Virgin Islands, Guernsey, Isle of Man, Jersey, Montserrat and the former Netherlands Antilles (Bonaire, Curaçao, St. Maarten, St. Eustatius and Saba).

The withholding tax rate is currently 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries. It has been publicly announced that as from 1 January 2015, the withholding tax system will be replaced by an automatic exchange of information.

In each case described here above, responsibility for the withholding of such tax will be assumed by the Luxembourg paying agent.

Income tax

Resident investors - General

Any investor who is a resident of Luxembourg for tax purposes or who has a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, is subject to Luxembourg income tax in respect of the interest paid or accrued on the Notes. Specific exemptions may be available for certain taxpayers benefiting from a particular tax status.

Resident individual investors

A Luxembourg resident individual acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax in respect of interest received, redemption premiums or issue discounts under the Notes, except if a withholding tax has been levied by the Luxembourg paying agent on such payments or, in case of a non-resident paying agent, if such Luxembourg resident individual investor has opted for the levy of a withholding tax, in accordance with the Law.

Under Luxembourg domestic tax law, gains realised upon the sale, disposal or redemption of Notes, which do not constitute Zero Coupon Notes, by a Luxembourg resident individual who acts in the course of the management of his/her private wealth, are not subject to Luxembourg income tax, provided this sale or disposal took place at least six months after the acquisition of the Notes. A Luxembourg resident individual, who acts in the course of the management of his/her private wealth,

has further to include the portion of the gain corresponding to accrued but unpaid income in respect of the Notes in his/her taxable income, insofar as the accrued but unpaid interest is indicated separately in an agreement.

A gain realised upon a sale or disposal of Zero Coupon Notes before their maturity by Luxembourg resident individuals acting in the course of the management of their private wealth must be included in their taxable income for Luxembourg income tax assessment purposes.

Interest derived from as well as gains realised upon a sale or disposal, in any form whatsoever, of the Notes by a Luxembourg resident individual holder acting in the course of the management of a professional or business undertaking are subject to Luxembourg income taxes.

Resident corporate investors

Interest derived from as well as gains realised by a Luxembourg resident corporate entity, which is a resident of Luxembourg for tax purposes, on the sale or disposal, in any form whatsoever, of Notes are subject to Luxembourg income taxes.

Luxembourg residents who benefit from a special tax regime, such as, for example, (i) undertakings for collective investment subject to the law of 17 December 2010, (ii) specialised investment funds governed by the amended law of 13 February 2007 or (iii) family wealth management companies governed by the amended law of 11 May 2007 are exempt from income taxes in Luxembourg and thus income derived from the Notes, as well as gains realised thereon, are not subject to Luxembourg income taxes.

Non-resident investors

Non-resident investors, who have neither a permanent establishment nor a permanent representative in Luxembourg to which the Notes are attributable, are not subject to Luxembourg income tax on interest received or accrued on the Notes. A gain realised by such non-resident investor, on the sale or disposal, in any form whatsoever, of Notes is further not subject to Luxembourg income tax.

Non-resident corporate investors or non-resident individual investors acting in the course of the management of a professional or business undertaking, and who have a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, are subject to Luxembourg income tax on interest accrued or received on the Notes and on any gains realised upon the sale or disposal, in any form whatsoever, on the Notes.

Net wealth tax

Luxembourg resident investors or non-resident investors who have a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, are subject to Luxembourg net wealth tax on such Notes, except if the investor is (i) a resident or non-resident individual taxpayer, (ii) an undertaking for collective investment subject to the law of 17 December 2010, (iii) a securitisation company governed by the amended law of 22 March 2004 on securitisation, (iv) a company governed by the amended law of 15 June 2004 on venture capital vehicles, (v) a specialised investment fund subject to the law of 13 February 2007 or (vi) or a family wealth management company governed by the amended law of 11 May 2007.

Other Taxes

The issuance, sale and disposal of the Notes will not be subject to a Luxembourg registration or stamp duty other than a fixed €12 registration duty in case of a voluntary registration.

Under present Luxembourg tax law, where an individual holder of Notes is a resident for inheritance tax purposes of Luxembourg at the time of his/her death, the Notes are included in his or her taxable estate for inheritance tax purposes. Gift tax may be due on a gift or donation of the Notes, if the gift is recorded in a Luxembourg deed.

Switzerland

General

The following information is of a general nature only and is based on the laws in force in Switzerland as of the date of this Prospectus. It does not purport to be a comprehensive description of all tax implications that might be relevant to an investment decision. It is included herein solely for preliminary information purposes. It is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should consult their professional advisers with respect to particular circumstances, the effects of state, local or foreign laws to which they may be subject and as to their tax position.

Withholding Tax

Payments of interest on, and repayment of principal of, the Notes, by the Issuer, or the Guarantor, as the case may be, will not be subject to Swiss withholding tax, even though the Notes are guaranteed by the Guarantor, provided that the Issuer uses the proceeds from the offering and sale of the Notes at all times they are outstanding outside of Switzerland unless their use in Switzerland is permitted under the Swiss taxation laws in force from time to time without payments in respect of the Notes becoming subject to withholding or deduction for Swiss withholding tax as a consequence of such use of proceeds in Switzerland.

Proposed Amendment of Swiss Federal Withholding Tax Act

On 24 August 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent. on any payment of interest in respect of a Note to an individual resident in Switzerland or to a person outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the respective Issuer, nor the Guarantor nor a paying agent nor any other person would pursuant to the Terms and Conditions of the Notes be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax. The relevant Issuer is required to maintain a paying agent (which may be the Agent) in a jurisdiction within Europe other than Switzerland that will not be required to withhold or deduct tax pursuant to laws enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down in the draft legislation proposed by the Swiss Federal Council on 24 August 2011, in particular, the principle to have a person other than the respective Issuer or the Guarantor withhold or deduct tax.

Swiss federal stamp duty

The issue and the redemption of the Notes by the Issuer will not be subject to Swiss federal stamp duty on the issue of securities, or Swiss federal stamp duty on dealing securities, as the case may be (primary market).

Secondary market dealings in Notes with a maturity in excess of 12 months where a Swiss domestic bank or a Swiss domestic securities dealer (as defined in the Swiss Federal Stamp Duty Act) acts as a party or as an intermediary to the transaction may be subject to Swiss federal stamp duty on dealing in securities at a rate of up to 0.3 per cent. of the purchase price of Notes.

Income Taxation on Principal or Interest

Non-Swiss resident Holders

Under current Swiss law, payments of interest and repayment of principal by the Issuer or, as the case may be, the Guarantor, to a holder of a Note who is a non-resident of Switzerland and who, during the current taxation year, has not engaged in trade or business through a permanent establishment or fixed place within Switzerland to which the Note is attributable will not be subject to any Swiss federal, cantonal or communal income tax. See “Final Foreign Withholding Taxes” below for a summary of the taxation treatment of individuals holding Notes in an account or deposit with a paying agent in

Switzerland. See “EU Savings Directive” below for a summary of the taxation treatment of EU resident individuals receiving payments on the Notes from a paying agent in Switzerland.

Notes held as Private Assets by a Swiss resident Holder

Notes without a "predominant one-time interest payment": Holders of Notes without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time interest payment) who are individuals resident in Switzerland and who receive payments of interest on Notes are required to include such payments in their personal income tax return and will be taxable on any net taxable income (including the payments of interest on the Notes) for the relevant tax period.

Notes with a "predominant one-time interest payment": If the yield-to-maturity of a Note predominantly derives from a one time-interest payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and, in addition, on the sale or redemption of the Note the difference between the value of the embedded bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income in the hands of a Holder of Notes who is an individual resident in Switzerland. A value decrease on the Notes realised on the sale or redemption of the Notes may be offset against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment.

Swiss-resident individual taxpayers who hold Notes as part of Swiss business assets and Swiss-resident corporate taxpayers and corporate taxpayers resident abroad holding Notes as part of a Swiss permanent establishment or a fixed place of business within Switzerland, are required to recognise the payments of interest on Notes in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period.

Income Taxation on Gains on Sales or Redemption

A holder of a Note who is not resident in Switzerland and who, during the taxation year, is not engaged in trade or business through a permanent establishment or a fixed place of business within Switzerland to which the Note is attributable will not be subject to any Swiss federal, cantonal or communal income tax on gains realised during that year on the sale or redemption of a Note. See “Final Foreign Withholding Taxes” below for a summary of the taxation treatment of individuals holding Notes in an account or deposit with a paying agent in Switzerland. See “EU Savings Directive” below for a summary of the taxation treatment of EU resident individuals receiving payments on the Notes from a paying agent in Switzerland.

Holders of Notes residing in Switzerland and who hold the Notes as private assets and who sell or otherwise dispose of the Notes during the taxation year realise, in general, either a tax-free capital gain or a tax-neutral capital loss. See “Income Taxation on Principal and Interest” above for a summary of the tax treatment of a gain or a loss realised on Notes with a “predominant one-time interest payment”.

Swiss-resident individual taxpayers holding Notes as part of Swiss business assets and Swiss-resident corporate taxpayers and corporate taxpayers resident abroad holding Notes as part of a Swiss permanent establishment or a fixed place of business within Switzerland are required to recognise capital gains or losses realised on the sale of a Note in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period. The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as “professional securities dealers” for reasons of, *inter alia*, frequent dealing and leveraged investments in securities.

Final Foreign Withholding Taxes

On 1 January 2013, treaties on final withholding taxes of Switzerland and the United Kingdom and Switzerland and Austria entered into force (each a “Contracting State”). The treaties require a Swiss paying agent, as defined in the treaties, to levy a flat-rate final withholding tax (*internationale*

Quellensteuer) at rates specified in the treaties on certain capital gains and income items (interest, dividends, other income items, all as defined in the treaties, deriving from assets, including the Notes, as applicable, held in accounts or deposits with a Swiss paying agent by (i) an individual resident in a Contracting State, or (ii) if certain requirements are met, by a domiciliary Company (*Sitzgesellschaft*), an insurance company in connection with a so-called insurance wrapper (*Lebensversicherungsmantel*) or other individuals if the beneficial owner is an individual resident in a Contracting State. The flat-rate tax withheld substitutes the ordinary income tax on the respective capital gains and income items, in the Contracting State where the individual is tax resident. In order to avoid the withholding of the flat-rate tax by the Swiss paying agent, such individuals may opt for disclosure of the respective capital gains and income items to the tax authorities of the Contracting State where they are tax residents. If an amount of, or in respect of, such final withholding tax were to be deducted or withheld from a payment of interest or capital gain relating to the Notes, neither the relevant Issuer, nor the Guarantor nor a paying agent nor any other person would be obliged to pay additional amounts with respect to any Notes, as a result of the deduction or imposition of such final withholding tax. See “*Risk Factors – Risks related to the Notes generally – Final Foreign Withholding Taxes in Switzerland*”.

THE FOLLOWING IS A GENERAL SUMMARY OF SOURCE STATE WITHHOLDING TAXES ON INTEREST INCOME UNDER CURRENT LAW IN THE JURISDICTIONS WHERE THE NOTES MAY BE OFFERED (IN ADDITION TO THE UNITED KINGDOM (WHERE THE NOTES MAY BE OFFERED AND WHERE THE AGENT IS LOCATED) AND THE UNITED STATES, LUXEMBOURG AND SWITZERLAND (JURISDICTIONS WHERE AN ISSUER OR THE GUARANTOR IS INCORPORATED)). THE FOLLOWING DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OF ALL TAX CONSIDERATIONS RELATING TO THE NOTES AND PROSPECTIVE NOTEHOLDERS SHOULD ACCORDINGLY SEEK THEIR OWN PROFESSIONAL ADVICE.

Austria

Resident investors

Austrian withholding tax at a rate of 25 per cent. is triggered if interest is paid by an Austrian paying agent (an Austrian bank or Austrian branch of a non-Austrian bank) or if payments of realised capital gains from the sale of Notes are made by (i) an Austrian depository or (ii) by an Austrian paying agent provided the non-Austrian depository is a non-Austrian branch or group company of such paying agent and processes the payment in cooperation with the paying agent.

Corporate investors deriving business income from the Notes may avoid the application of this withholding tax by filing a declaration of exemption (*Befreiungserklärung*) pursuant to Section 94(5) EStG with the Austrian paying agent or Austrian depository.

Non-resident investors

In case of payments to non-residents, an Austrian paying agent or depository could abstain from levying the 25 per cent. Austrian withholding tax pursuant to Section 94(13) EStG since 1 April 2012.

As of 1 January 2015, limited Austrian tax liability will be extended to interest within the meaning of the Austrian EU-Source Tax Act (*EU-Quellensteuergesetz*) received by a recipient not covered by the EU Savings Directive. As a consequence, in particular, non-resident corporations and non-EU-resident individuals may be subject to such limited tax liability. It is a prerequisite that the obligation to levy 25 per cent. Austrian withholding tax is triggered. This is especially the case if interest is paid by an Austrian paying agent. However, interest payable by debtors having neither their domicile nor place of management nor seat in Austria as well as interest on claims entered into a public debt registry are exempt from such limited Austrian tax liability and from withholding tax, even if the interest is paid by an Austrian paying agent.

If any Austrian withholding tax is deducted by an Austrian paying agent, the non-resident investor can apply for a refund by filing an application with the competent Austrian tax authority (within five calendar years following the year of the imposition of the Austrian withholding tax).

Belgium

Resident investors

Payments of interest on the Notes made through a paying agent in Belgium to resident individuals who hold the Notes as a private investment will, in principle, be subject to a 25 per cent. Belgian withholding tax (calculated on the interest received after deduction of any non-Belgian withholding taxes). This is a final taxation.

Corporate investors can in certain circumstances apply to credit this withholding tax against their corporate income tax, with any excess being refunded.

Special rules apply to Belgian legal entities which are themselves required to declare and pay the 25 per cent. Belgian withholding tax to the Belgian tax authorities if the interest is paid without the intervention of a Belgian paying agent.

Interest derived by Belgian organisations for financing pensions will, in general, be exempt from Belgian corporate income tax and any withholding tax that has been levied is creditable in accordance with the applicable legal provisions.

Non-resident investors

Interest income on the Notes paid through a professional intermediary in Belgium will, in principle, be subject to a 25 per cent. Belgian withholding tax, unless the Noteholder is resident in a country with which Belgium has concluded a double taxation agreement and delivers the requested affidavit to the Belgian tax authorities. If the income is not collected through a financial institution or other intermediary established in Belgium, no Belgian withholding tax is due on payments of interest to non-resident investors.

The non-residents who use the Notes to exercise a professional activity in Belgium through a permanent establishment are subject to the same tax rules as the Belgian residents.

Germany

Resident investors

Payments of interest made on Notes held in custody with a German custodian (the “Disbursing Agent”) will be made subject to a withholding tax. Disbursing Agents are German resident credit institutions, financial services institutions (including German permanent establishments of foreign institutions), securities trading companies or securities trading banks. The applicable withholding tax rate is 25 per cent. (plus 5.5 per cent. solidarity surcharge thereon and, if applicable, church tax).

Non-resident investors

No German withholding tax should generally be withheld from payments to Noteholders who are not resident in Germany unless the Notes are held as business assets in a German permanent establishment of the investor.

Italy

Pursuant to Law Decree 24 April 2014 n. 66 (“Law Decree 66/2014”) the rate of tax to be levied in respect of income from capital (*redditi di capitale*) and certain financial capital gains has been increased from 20 per cent. to 26 per cent. effective from 1 July 2014, subject to conditions and exceptions. Law Decree 66/2014 must be converted into law by the Italian Parliament by 23 June 2014; if not converted by such date, it will cease to be effective.

Resident investors

Where the Italian resident beneficial owner is (i) an individual not engaged in an entrepreneurial activity to which the Notes are connected, (ii) a non-commercial partnership, (iii) a non-commercial

private or public institution, or (iv) an investor exempt from Italian corporate income taxation, interest, premium and other income relating to the Notes, accrued during the relevant holding period, are subject to a withholding tax, referred to as imposta sostitutiva, levied at the rate of 20 per cent. on interest accrued until 30 June 2014 inclusive, and at the rate of 26 per cent. on interest accrued thereafter.

Where an Italian resident beneficial owner of the Notes is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Notes are effectively connected and the Notes are deposited with an authorised intermediary, interest, premium and other income from the Notes will not be subject to imposta sostitutiva.

Non-resident investors

No Italian imposta sostitutiva is applied on payments to a non-Italian resident beneficial owner of interest or premium relating to the Notes provided that, if the Notes are deposited with an intermediary in Italy, the non-Italian resident beneficial owner of the Notes files an application with such intermediary declaring itself to be a non-resident.

The Netherlands

All payments under Notes may be made free of withholding or deduction of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

United Kingdom

United Kingdom Withholding Tax

In the event that interest on the Notes is treated as having a United Kingdom source, payments of such interest can still be made without withholding or deduction for or on account of United Kingdom income tax as long as the Notes are and continue to be “quoted Eurobonds” within the meaning of section 987 of the Income Tax Act 2007 (the “Act”). In the case of Notes to be traded on the London Stock Exchange, which is a “recognised stock exchange” within the meaning of section 1005 of the Act, this condition will be satisfied if the Notes are admitted to the Official List (within the meaning of, and in accordance with, the provisions of Part VI of the Financial Services and Markets Act 2000) and to trading on the London Stock Exchange and remain as such at the time of payment.

If: (i) interest on the Notes is treated as having a United Kingdom source, (ii) the “quoted Eurobond” exemption does not apply, and (iii) the Notes are not Notes with a maturity of less than one year which do not form part of a scheme or arrangement of borrowing intended to be capable of remaining outstanding for more than 364 days, such interest may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to any direction to the contrary by HM Revenue and Customs (“HMRC”) under the provisions of an applicable double taxation treaty. Any withholding obligation is disapplied (unless HMRC directs otherwise) in respect of Noteholders which the relevant Issuer (and any person by or through whom interest on the Notes is paid) reasonably believes are, at the time of payment, either a United Kingdom resident company or a non-United Kingdom resident company carrying on a trade in the United Kingdom through a permanent establishment which is within the charge to corporation tax as regards the payment of interest, or which fall within various categories enjoying a special tax status (including charities and pension funds) or are partnerships consisting of such persons.

Provision of Information

HMRC has powers to obtain information and documents relating to the Notes, including in relation to issues of and other transactions in the Notes, interest, payments treated as interest and other payments derived from the Notes. This may include details of the beneficial owners of the Notes, of the persons for whom the Notes are held and of the persons to whom payments derived from the Notes are or may be paid. Information may be obtained from a range of persons including persons who effect or are a party to such transactions on behalf of others, registrars and administrators of such transactions, the registered holders of the Notes, persons who make, receive or are entitled to receive payments

derived from the Notes and persons by or through whom interest and payments treated as interest are paid or credited. Information obtained by HMRC may be provided to tax authorities in other countries.

EU Savings Directive

Under Council Directive 2003/48/EC on the taxation of savings income (the “EU Savings Directive”), Member States are required to provide to the tax authorities of other Member States details of certain payments of interest or similar income (similar income for this purpose includes, but is not limited to, payments on redemption of the Notes representing any discount on the issue of the Notes or any premium payable on redemption) paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted a Council Directive amending and broadening the scope of the requirements described above. Member States are required to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The EU Savings Directive will also apply a “look through approach” to payments made via certain persons, entities or legal arrangements (including trusts and partnerships), where certain conditions are satisfied, where an individual resident in a Member State is regarded as the beneficial owner of the payment for the purposes of the EU Savings Directive. This approach may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria and Luxembourg are instead required (unless during such period they elect otherwise) to operate a withholding tax in relation to such payments. The Luxembourg Government announced that it will no longer apply the withholding tax system as from 1 January 2015 and will then commence automatic information exchange under the EU Savings Directive.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories, including Switzerland, have adopted equivalent measures (a withholding system in the case of Switzerland at a rate of 35 per cent. with the option of the individual to have the paying agent in Switzerland provide to the tax authorities of the Member State the details of the interest payments in lieu of the withholding).

Switzerland and the European Commission have commenced negotiations on certain amendments to the agreement between the European Community and the Confederation of Switzerland dated as of 26 October 2004 providing for measures equivalent to those set out in the EU Savings Directive, which, may, if implemented, amend or broaden the scope of the requirements described above.

If a payment were to be made or collected through a Member State which has opted for a withholding system, or through any non-EU country which has adopted similar measures and has opted for a withholding system, or through certain dependent or associated territories which have adopted similar measures and which have opted for a withholding system, and an amount of, or in respect of, tax were to be withheld from that payment, neither the relevant Issuer nor the Guarantor nor any Paying Agent (as defined in the Conditions of the Notes) nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. Each Issuer is required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the EU Savings Directive.

Investors who are in any doubt as to their position should consult their professional advisors.

The attention of Noteholders is drawn to Condition 7 of the Terms and Conditions of the Notes.

The proposed financial transaction tax (“FTT”)

The European Commission has published a proposal for a Directive for a common FTT in certain participating Member States.

The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in financial instruments (including secondary market transactions). The issuance and subscription of Notes should, however, be exempt.

Under current proposals, the FTT could apply to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in financial instruments where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (i) by transacting with a person established in a participating Member State or (ii) where the financial instrument which is subject to the dealings is issued in a participating Member State.

The proposed Directive remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional Member States may decide to participate.

Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

BNP Paribas, Citigroup Global Markets Limited, Credit Suisse Securities (Europe) Limited, HSBC Bank plc, Deutsche Bank AG, London Branch, RBC Europe Limited, The Toronto-Dominion Bank, The Royal Bank of Scotland plc and UBS Limited (the “Dealers”) have in an amended and restated programme agreement dated 21 May 2014 and as amended and/or supplemented and/or restated from time to time (the “Programme Agreement”), agreed with the Issuers and the Guarantor a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes” above.

Set forth below are certain selling restrictions applicable to Notes issued under the Programme. Each Dealer has represented and agreed that it will comply with these restrictions. Each further Dealer appointed under the Programme Agreement will be required to represent and agree to all applicable restrictions.

The following selling restrictions may be modified by the relevant Issuer and the relevant Dealers following a change in the relevant laws or regulations. Any such modification will be set out in the applicable Final Terms issued in respect of the issue to which it is related or in a supplement to the Prospectus.

United States

The Notes and the Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

Each Dealer has agreed and each further Dealer appointed under the Programme Agreement will be required to agree that, except as permitted by the Programme Agreement, it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of (A) the completion of the distribution of all Notes of the Tranche of which such Notes are a part, as certified to the Agent by such Dealer (or, in the case of a sale of a Tranche of Notes to or through more than one Dealer, by each of such Dealers as to Notes of such Tranche purchased by or through it, in which case the Agent shall notify each such Dealer when all such Dealers have so certified), and (B) the settlement date of such identifiable Tranche of Notes (or such other date as the Issuer may in its sole discretion deem necessary to comply with Regulation S) within the United States or to, or for the account or benefit of, U.S. persons and it will have sent to each distributor, dealer or other person receiving a selling concession, fee or other remuneration that purchases Notes from it during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding paragraph and in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the completion of the distribution of all Notes of any Tranche certified as described above, an offer or sale of Notes of such Tranche within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

The Notes, other than registered Notes issued by NHI, are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury Regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 as amended and Treasury Regulations promulgated thereunder. The applicable Final Terms will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable, or whether Notes are issued in compliance with United States Treasury Regulations Section 1.6049-5(b)(10) (in which case, TEFRA D shall apply but without the requirement of a US Tax Ownership Certification prior to exchange or payment).

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme Agreement will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the applicable Final Terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the applicable Final Terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “Public Offer”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State in accordance with the Prospectus Directive or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the applicable Final Terms contemplating such Public Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or such Final Terms, as applicable and the relevant Issuer has consented in writing to its use for the purpose of that Public Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100, or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (d) above shall require the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State.

Each Dealer has undertaken, and each further Dealer appointed under the Programme Agreement will be required to undertake, that (i) such Dealer and its affiliates will not, and (ii) such Dealer will, in the case of financial intermediaries, use reasonable efforts to ensure that any such financial intermediaries will not, offer or sell any such Notes or distribute or publish any offering circular, prospectus, form of application, advertisement or other document or information in any country or jurisdiction except under circumstances that will result in compliance with any applicable laws and regulations and all offers and sales of any such Notes by such Dealer or its affiliates or by such financial intermediaries will be made on these terms, and provided that no such offer or sale of Notes by such Dealer or its affiliates or by any such financial intermediaries, shall require the relevant Issuer, such Dealer or such financial intermediaries to publish a prospectus pursuant to Article 3 of the Prospectus Directive (or supplement a prospectus pursuant to Article 16 of the Prospectus Directive) or to take any other action in any jurisdiction other than as described above (unless otherwise agreed with the relevant Issuer).

For the purposes of this provision, the expression “Public Offer” in relation to any Notes in any relevant Public Offer Jurisdiction means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Public Offer Jurisdiction by any measure implementing the Prospectus Directive in that Jurisdiction.

General

Each Dealer has agreed and each further Dealer appointed under the Programme Agreement will be required to agree that it will, to the best of its knowledge, having made all reasonable enquiries, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells, or delivers Notes or has in its possession or distributes this Prospectus or any other offering material relating to any Notes or any Final Terms, in all cases at its own expense.

No Dealer is authorised to make any representation or use any information in connection with the issue, offering and sale of the Notes other than as contained in this Prospectus.

None of the Issuers, the Guarantor or any Dealer, represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

With regard to each Tranche, the relevant Dealer will be required to comply with such other additional restrictions as the relevant Issuer, the Guarantor (if applicable) and the relevant Dealer shall agree and as shall be set out in the applicable Final Terms.
