PART B – OTHER INFORMATION

1. LISTING

Application is expected to be made by the Issuer (or on its behalf) for the Notes to be admitted to trading on the London Stock Exchange's regulated market and for listing on the official list of the UK Listing Authority with effect from the London Stock Exchange business day following the Issue Date.

2. RATINGS

The Issuer has not applied to Moody's France SAS ("Moody's") or Standard & Poor's Credit Market Services France SAS ("S&P") for ratings to be assigned to the Notes to be issued.

Ratings allocated to notes of this type issued under the Debt Issuance Programme generally are:

S&P: AA (stable)

An obligation rated 'AA (stable)' by S&P differs from the highest-rated obligations only to a small degree. The obligor's capacity to meet its financial commitment on the obligation is very strong. The reference "(stable)" means that the outlook for the rating is stable.

Moody's: Aa2 (stable)

An obligation rated 'Aa' by Moody's is judged to be of high quality and subject to very low credit risk. The modifier '2' indicates that the obligation ranks in the mid-range of its generic rating category. The reference "(stable)" means that the outlook for the rating is stable.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the relevant rating agency.

The meanings of ratings may be found on the websites of the rating agencies (www.standardandpoors.com and www.moody.com) and may be updated by the rating agencies from time to time. The meanings above have been

extracted from the websites of the rating agencies as of the date hereof and have been reproduced by the Issuer in these Final Terms.

*Each of S&P and Moody's is established in the European Community and is registered under Regulation (EC) No 1060/2009 (as amended) (the **CRA Regulation**). As such S&P and Moody's is included in the list of credit ratings agencies published by the European Securities and Markets Authority (ESMA) on its website in accordance with such Regulation. The list of credit rating agencies registered and certified in accordance with the CRA Regulation published by ESMA) on its website in accordance with the CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.*

The UK Listing Authority has provided the competent authorities in, inter alia, each of Austria, Belgium, Germany, Italy, Luxembourg and the Netherlands (together with the United Kingdom, the “Public Offer Jurisdictions”) with a certificate of approval attesting that the Prospectus has been drawn up in accordance with the Prospectus Directive. Copies of these Final Terms will be provided to the competent authorities in the Public Offer Jurisdictions.

The Issuer has agreed to allow the use of these Final Terms and the Prospectus dated 10 May 2012 as supplemented by the Supplementary Prospectuses dated 10 August 2012 and 24 August 2012 (together, the “Prospectus”) by each of the Bookrunners and any placers (authorised by any of the Bookrunners) involved in the offer (the “Placers”) in connection with possible offers of the Notes to the public in the Public Offer Jurisdictions during the Offer Period (as defined below).
