

# YOUR LITTLE ONE, OUR BIGGEST PRIORITY

Nutrition in the first few years of life lays the foundation for growth and development. That is why Nestlé is committed to applying the strictest safety and quality standards to all of our formulas, foods and beverages, going beyond regulations. This commitment dates back to 1867, when Henri Nestlé invented the very first infant cereal.

## WE NEVER COMPROMISE ON THE QUALITY AND SAFETY OF OUR...

### INFANT FORMULAS

### BABY FOODS & DRINKS

#### FROM OUR RESEARCH CENTERS

- Informed by the **latest research**
- **600 researchers**
- **80+ clinical trials**
- **161** patented infant formula **innovations**

#### TO OUR FARMS

- **20,000 farmers** across **32 countries**
- Farmers and suppliers have been a part of the Nestlé family for **3+ generations**
- Agricultural experts **assess soil, water and ingredients**
- **Ingredients tested** for pesticide residues and other contaminants

#### TO THE ROAD

Milk used in our formulas is stored in insulated stainless steel tanks to **keep it fresh and healthy** on the way from the farm

#### TO OUR FACTORIES

- Up to **500 checks** during production
- **Various checkpoints**, such as filters, magnets or x-rays, **remove anything that doesn't belong**
- Oxygen removed right before packages are sealed to **maintain freshness and nutrition**

- **80+ checks** per batch of **baby foods and drinks**
- **220+ checks** per batch of **infant cereals**
- **Glass jars inspected for breakage** by cameras and **cleaned before use** with water and air
- Natural preservation techniques make **baby foods and cereals preservative-free**

#### AND ALL THE WAY TO THE SHELF

- **Easy-to-understand instructions** for safe use
- **Easy-to-use packaging**
- **100% safe packaging**, compliant with regulations and up-to-date with latest technologies
- Range of **organic food and beverage** options

If you have any questions, we are just a phone call or message away. Our address and phone number can be found on all Nestlé product labels and at [www.nestle.com](http://www.nestle.com).
